A FEW OF THE MANY EXTRAORDINARY CURES

Effectuated by the Magnetic and Scientific Treatment

DR. JAMES PORTER.

A CARD TO THE PUBLIC.

NEW ORLEANS, MARCH 8, 1878.

Having been treated by Dr. J. Porter for Piles of twenty years standing, I can, from the benefits derived, highly recommend his mode of treatment to those suffering from that dreadful disease.

Dr. Porter guarantees a permanent cure of Piles in all cases from seven to fourteen days. For further reference to persons cured in this city call at his parlors.

Mr. JOHN BUNBURY, occupation a baker, No. 181 St. Mary street, had been afflicted with that terrible disease, Epileptic Fits for years, having never been more than two attacks per week, was cured by Dr. Porter by a few treatments.

Dr. Porter can fill columns with testimonials from persons whom he has cured of all forms of Chronic Ailments during the past few months, after all other modes of treatment had been tried and failed; but he deems the above sufficient, as those wishing further reference are invited to call at his parlors, No. 141 St. Charles street, where he can be consulted from 10 a. m. to 7 p. m. of each day until about the first or middle of June.

DR. DODSON has recovered his health sufficiently to enable him to resume his professional duties, and has for many years, in connection with the general practice of medicine and surgery, attended especially to the treatment of the various forms of Rheumatism, and their radical cure. Strictures and their complications, from whatever cause, cured without the use of caustic or cutting instruments, with little loss of time to patients. Office 150 Canal street. mh24 11
