

COLORED MEN AND WOMEN WANTED.

The Grand United Order of Wise Men wishes to enroll one thousand new members within the next thirty days. So by a special request and arrangement with the supreme Board of Directors of the Order, every acceptable colored man and woman is given a chance to become members of one of the leading secret organizations known to our people, and we advise every right thinking man or woman of the Negro race to take advantage of this special offer at once, and if you will heed our advice and fill out the Blank below and send it to Supreme Grand Adviser with only \$1.25 to partly cover the cost, he will send you their constitution and general law and your membership card and a secret ritual, and also give you a written authority as Deputy Grand Organizer and allow you to organize Councils of Wise Men and Castles of Wise Women, and the Children's Seminars in any State or anywhere in the United States and you can easily make from \$40 to \$50 per month acting as their organizer in your state. The order pays from four to five dollars per week sick benefits, and from \$250 to \$1,000 death policies, and will loan its members any amount from \$1,000 to \$5,000 to purchase homes of their own, and gives a free memorial stone to the grave of every one of its members. And we can say that the new revised edition of their Constitution which was taken out a few days ago is a credit both to the order and the race; not only do we hope that their special offer will bring one thousand, but ten thousand of our best people as members. This order and offer is endorsed by our press, pulpit and leading men and women, and we hope that every colored man and woman will not hesitate, but take our advice and accept this chance by filling out and complying with the following:

A WONDERFUL INVENTION.

It is interesting to note that fortunes are frequently made by the invention of articles of minor importance. Many of the most popular devices are those designed to benefit the people and meet popular conditions, and one of the most interesting of these that has ever been invented is the Dr. White Electric Comb, patented January 1, '99. These wonderful Combs positively cure dandruff, hair falling out, sick and nervous headaches, and when used with Dr. Whites' Electric Hair Brush are positively guaranteed to make straight hair curly in 25 days' time. Thousands of these electric combs have been sold in various cities of the Union, and the demand is constantly increasing. Our agents are rapidly becoming rich selling these combs. They positively sell on sight. Send for sample. Men's size 35c.; ladies', 50c.—(half price while we are introducing them.) The Dr. White Electric Comb Co., Decatur, Ill.

GROGAN LEADS THEM ALL.

In another part of this issue of The Colored American, a full page advertisement of Mr. Peter Grogan, the pioneer furniture dealer and house furnisher of Washington appears. His mammoth store had a small beginning but by honest methods, fair and straight-forward dealings, he has built up the largest house furnishing store in Washington, and counts his friends and patrons by the thousands. Everything that is needed to start a newly married couple to house keeping can be had at this mammoth emporium, and at terms to suit the poor as well as the rich. A careful reading of the advertisement will benefit every housekeeper, whether they wish to make a purchase or not.

Grogan's mammoth furnishing house leads, all others follow.

WHAT PURE WHISKEY IS

Can easily be ascertained. Smell your drink before imbibing it. Better still, smell the drained glass. The least disagreeable or foul odor betrays poison in the whisky. Perfect distillation means the careful separation of the first and the end run from the still, the poisonous, impure, essential grain-oil, (phlegms, fainfs, fusel), from the middling product, good, potable spirit. Very likely the majority of cheap whiskies, either for economy or from ignorance, carry more or less of impurities. Such defective liquors could never be admitted to that grandest of stocks, and hence can not be obtained at the store of
