ENDS 35,000 MILE TRIP, READY FOR A FIGHT OR FROLIC

To Be Sure, Alabama Has a Cracked Cylinder, but What's the Odds?

DOES 12 KNOTS AN HOUR

Blames "Coal Hog" Maine for Her Being Kept From Visiting the Japs.

"Not so bad for a ship with her starboard high pressure cylinder cracked. eh? Been 35,000 miles around the world like twelve knots an hour, and yet they call me a cripple. Why I'm fit for a vard and are going to spend \$667,000 on me for repairs. That'll give a lot of there is no earthly reason why I'm not in Yokohama Harbor to-day having the Kansas and the rest of the cracks. But me for the navy-yard. Isn't that enough to make a first-class

It was the Alabama, 16,000 tons, and seven years in the service talking. Any one who has read his Kipling knows a battleship can talk. When she anchored off Tompkinsville yesterday the old lady was in a very talkative mood Blames Maine for It.

THROWN FROM CAB

Ran Into a Truck on the

Way to Waldorf.

timore, Md., and a candidate for Con-

with a heavy truck. Mr. Finley sus-

tained a severe laceration over the

Mr. Finley came in on a train from

"I blame the Maine for most of it. continued the Alabama. "You know, the Maine is a 'coal eater.' She had to have more coal than any other ship in Mr. Finley's Electric Motorman the whole fleet. I left Hampton Roads with the rest of the fleet, and mighty proud I was. Not a ship in the bunch thing on me until I had a little accident while 'rounding Cape Horn.'

"With a heay sea on and pounding along at pretty good speed I cracked my starboard cylinder. When I felt it gress from that city, was painfully if give I knew it was about all up with not seriously injured to-day by being ecause the 'old man,' that's Ad- thrown violently from an electric hanmiral Evans, you know, won't stand som in West Twenty-sixth street, while for having any cripples along. And en route to the Waldorf-Astoria Hotel you can't mend a cracked cylinder on the high seas. It's something that from the Pennsylvania Railroad Ferry means a lot of tinkering in a navy yard. at the foot of West Twenty-third street. I tried my best to cover it up and kept The accident was due to a collision up with the rest of the first all that

But my captain, Ten Eycke De Witt right eye, a broken nose and shock Veeder, and a better never trod a quar- After receiving hurried medical attendter deck; had to report me to the Ad- ance he was taken to his hotel. There was no way out of it. He kinew as well as I did that I could keep up with the rest of the fleet on one cylinder, but regulations is regulations, and when it was signalled that my starboard cylinder was gone I felt mighty small. Every one of the other fifteen ships in the fleet saw that signal and knew nfy disgrace. But they didn't see me lag any. I kept right on with my one good cylinder, and they'll never say the Alabama flunked.

Sent Back Home Again.

"Well, they had a consultation, and the end of it was that they decided to send me back from San Prancisco, They had been wanting to get rid of the Maine, anyhow, because she needed so much coal, and they made us two into what they called a 'special service squadron.' There was I, one of the best w as well as I did that I could Baltimore and entered the cab at the

squadron.' There was I, one of the best ships in the whole fleet, barring that cracked cylinder, ordered to go around the world with that old coal hog. put two of the new battleships in our places, and when the sixteen steamed out of San Francisco bay, with Admiral Sperry in command, we were left

"I felt mighty bad about it. But what are you going to do with a bloomin' cracked cylinder? "The Maine and I started out, and

even with a cracked cylinder I could keep ahead of her any day in the week. It's a positive disgrace to the navy the way that ship burns coal. Why, she can only steam 3,500 miles, and then she has "We first coaled at Honolulu, then we

went to Guam, and so on to Manila. Didn't have a chance to call on the Japs, but went through the Suez and o the Mediterranean and so on home. I left the Maine off Portsmouth Oct. 2 "Tell New Yorkers I'm glad to get a great time in Japan. I'm a little nearer broadway, and that is some con-

FUNDS, SOUGHT DEATH.

Clarence Carney Gashes Throat with Knife in Eighth Avenue Hotel.

Clarence Carney, thirty-eight years old, a laborer living at No. 404 West Twenty-ninth street, took a room at the Vigilant Hotel, No. 370 Eighth avenue, last night, and about 1 A. M. today tottered downstairs with a gash across his throat.

As he reached the bottom he fell into the arms of Harry Lodge, the night clerk, who had run toward him. Carney wore only his underclothing and had cut his throat with a knife.

"Out of work and no funds," he said when some one asked him way he did it. He was taken to Belleveue Hospital in a serious condition.

What to Do for a Cough

There are so many pet ways of treating coughs and colds, and so many friends ready with all kinds of advice, that, when a cough is contracted, it often bothers a person to remember what they did for the last

The following home-made remedy, kept in the home ready for use, will overcome an obstinate cough quicker than any expensive medicine you could buy. Any woman can make it in a few moments—here is the recipe: of the skull and is dying in Roosevelt Jerome Burtt, nineteen years old, of No. 11 1-2 West Sixty-third street, chauffeur of the car, was arrested. Mr. Gold-Granulated Sugar Syrup 131/2 02. ston was in the car at the time, with Pinex 21/2 01. Isaac Plaut, a cloak manufacturer, and

Put the Pinex in a clean pint bottle and fill up the bottle with the Syrup, made as follows: Take a pint of Granulated Sugar, add ½ cup of water ott; and let boil just a moment. Take a tensponful every one, two or three hours and required. This recue makes a full pint of the cough syrup, and, if kept well corked it will never spoil. Tastes so good that children will take it without kicking. without kicking.

This simple cough syrup usually stops a deep-sented cough in 24 hours. It is also excellent for colds, whooping cough, trouchial troubles, incipient consumption, pains in the chest

Pinex, as you probably know, is the most potent form of Norway White Pine Compound. It is very rich in guaincol and other elements which make the ozone of the pine forests such splendid medicine for throat and hing troubles. There are many pine oil preparations, but none of these compare with the real Pinex itself. If your druggist does not happen to have it, he will be glad to get it for you The 246 ounces cost you fifty cents. The Syrup losts you about four cents. So you can make a whole bint of this effective Cough Syrup for about fifty-four cents.

FOR WOMEN Faultless Style and Fit

It's easy to combine fashion with comfort and daintiest style with perfect, graceful fit-if you wear Women's Regal Shoes. The newest custom footwear fashions are faultlessly reproduced in Women's Regals for Fall. Regals give a finishing touch of refinement and style to the most fashionable costume, and cannot be distinguished from expensive custom shoes. The complete range of 119 styles includes the

fashionable short vamps, and the newest shades of leathers. And Women's Regals fit you just as if they were made to your measure, because they're made in quarter-sizes. This gives you the advantage of the one-quarter and three-quarter sizes

in-between the regular half and full sizes. Nowhere else in the world can you obtain equal shoe value at anywhere near Regal prices.
