

GANGSTERS BACK TO HAUNT BELOW OLD "DEAD LINE"

"Boob" Walker With a Webber Bank Roll Reopens "Humpty Jackson" Place.

RETURN OF PRODIGALS.

Tenderloin Invaders Routed by Death of Rosenthal and Slay's Conviction.

Byron drew a dead line at Fulton street. Devery took a nightstick and laid it across Fourteenth. Byron's was for thieves; Devery's for murder. "I should worry," said Devery, "when

the time had the suspicion that "Boob" could tell a lot. It was even thought he had been hired as a "stall" to corral the condemned gambler and hold him for the slayers. "Boob" denied this and was let go.

A BLACKJACK WENT FURTHER ON BROADWAY THAN A DRESS SUIT.

with a man who had repeated this story. There might have been a fatal row had not "Billy" Warren stepped in as peacekeeper.

There was peace and quiet at the Lone Star last night. The opening was tame. Of course some of the great lights were there. "Humpty" Jackson dropped in and dropped out again. "Humpty" is not an easy man to get on the same place before he went up the river. He hasn't been back long. He is keeping under cover—in fact, under several thickens of it.

"Boob" was master of ceremonies. "Billy" Warren stood around. He is always as silent as the tomb. He has never been in the limelight, but there isn't a man walking the east side to-day who commands greater respect from the bad men. He is the man who was given the credit for sending Lucas and his fifty "Wops" on the run the time "Mike" Kruse was having a primary fight. Lucas invaded the district with his fifty men and they say it "riled" Warren. According to the story they tell, he walked right through the fifty "Wops" and "potted" Lucas. The fifty scattered in a hurry, and Warren pulled the scared Tammany leader from under his automobile.

It is hard to stick to last night's party, because it was so different from anything of the kind the east side has

ever known. It was so lonesome it was almost pathetic. "Sure Thing" Hickey was behind the bar. He is the

ever known. It was so lonesome it was almost pathetic. "Sure Thing" Hickey was behind the bar. He is the

regular barkeep. Hickey was a witness for the defense at the gunmen's trial. He hasn't quite got over it yet.

"What'll you have?" Hickey would say to the gang every once in a while and then sling beer all around.

The little cafe is long and very narrow, like a golf stick with a bulge at the end like a driving club. It is done in the greenest kind of green. Along toward midnight there was a little gathering in the rear room. "Big Tom" Keaton, "Smallback" Kelly, "Red" Wagner and "Tough Tony" were there. "Tough Tony," by the way, is some class. He is chauffeur for Alderman Kennedy. His new job gave even "Boob" and "Billy" Warren some pause to start all over again. Devery was right. Peary and old Doc Cook can fight it out over the territory north of Fourteenth street.

DETECTIVE FAY YET ALIVE.

The condition of Detective Martin Fay, Louis Mondesheim and Gerar Louis, who were shot by Joseph Vogel in a revolver battle in the Bronx Tuesday night, is unchanged to-day. They are all in a serious condition in Lebanon Hospital, Fay having out a few hours longer to live, the doctors believe.

SAGE AND SULPHUR, OLD-TIME REMEDY, A SCALP TONIC AND COLOR RESTORER

Gives Color, Lustre to Faded and Gray Hair—Dandruff Quickly Removed.

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost everyone knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago the only way to get a Hair Tonic of this kind was to make it in the home, which was troublesome and not always satisfactory. Now, days, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories.

An ideal preparation of this sort is Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair.

Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

"Mr. Inveterate Smoker"

We are told by eminent authorities that Cancer of the Tongue as well as of other parts of the mouth very commonly arises from the excessive use of tobacco. You can reduce to a minimum the possibility of contracting these dreaded diseases by the constant use of "ODOL" as a mouthwash. Pleasant to use and delightfully refreshing. It will also keep your teeth in a healthy condition.

Nothing "Just as Good" as "ODOL."

How Needless Corn-Aches Are!

Isn't it foolish to endure tortures which can be stopped so easily! Friction with your shoe makes a callous lump, which has no feeling itself but presses upon the sensitive nerves beneath. Hence the pain.

The thing to do is to remove the callous. But don't try to do it with "plasters" designed to "eat" out the dead tissue with chemicals. They may cause blood-poisoning by eating the live tissue instead.

The quick, sure, comfortable, sensible way—the Chiroprapist's way—is to pare down the callous. You can do this safely and conveniently with ANTICOR and have immediate relief.
