

**BOY BOUGHT REVOLVER  
"BY WAY OF NEWARK,"  
THEN SHOT BROTHER**

**Clerk Asked to Explain How  
Weapon Was Procured by  
Evading Law.**

James Casey, a clerk for the New York Sporting Goods Company, No. 15 Warren street, who is accused of selling firearms to a minor, was held today in \$500 bail for trial by Magistrate McGuire in the Tombs Court. The arrest was brought about by Justice Mayo of the Children's Court after the arraignment before him of Walter McBride, fifteen years old, charged with shooting his twelve-year-old brother Louis.

Walter McBride told that on Aug. 20 he had gone to the sporting goods store and bought a rifle, which he had hidden in his home. Later, he said, he had gone back to buy a revolver, but was told by the clerk that if he would go to a certain store in Newark, N. J., the revolver would be delivered to him in New York. This, the boy said, he did.

On Nov. 27 Walter suggested to his younger brother that they have a Wild West show. Louis agreed, but asked what they would do for guns. "I've got them, all right," replied Walter. Going to his room, he pulled from under his bed a .22 calibre rifle and a .38 calibre revolver. He then produced thirty-eight cartridges. In their play Walter fired the loaded revolver at his brother. The bullet lodged in his side, and the boy was removed to the J. Hood Wright Hospital. His condition there is said to be critical. Walter, who is one of ten children

who live with their parents at No. 133 West Ninety-seventh street, has been paroled in the custody of his father.

Col. George Sells for Ecuador. PANAMA, Dec. 4.—Lieut.-Col. William C. Gordon, Sanitary Officer of the Canal Zone, with his staff, sailed today for Guayaquil, where he will investigate the sanitary condition of the port at the request of the Ecuadorian Government.

**Hub-Mark "Patrol" Rubbers  
For Policemen, Postmen, Etc.**

If you wear rubbers from one end of the day to the other, you know it pays to buy the best rubber that is made. You need a heavy extra quality; no light or medium weight rubber is designed to meet the requirements of Policemen, Postmen, Motormen, Laborers and Teamsters.

Try Hub-Mark "Patrol" Rubbers this Winter. The extra tough tap and high-grade upper give them double the life of an ordinary rubber and make them the most economical for hard, constant wear. They are made by a factory that has been in the business for sixty years and has always given particular attention to the problem of making rubbers to meet special conditions.

Illustrations of various styles of Hub-Mark rubbers are appearing in the street cars. Hub-Mark rubber footwear is made for all purposes for men, women, boys and girls. Hub-Mark is Your Value-Mark. If your dealer cannot supply you, write us, Boston Rubber Shoe Co., Walden, Mass. Established 1852.

Umbrellas—Walking Sticks**  
A Fine Christmas Display

This is a collection for connoisseurs. We set sail after everything that was most beautiful, most unusual, in designs of the umbrellas and in the woods from which the walking sticks are made.

And now we invite you to see one of the richest collections in New York. Here are WOMEN'S UMBRELLAS with heads of Damascus steel, at \$5 to \$35; some with purse top at \$15, with handles of rhinoceros horn, mounted on malacca wood, at \$15 and \$20; of rich Russian enamel, \$5 to \$15; and exquisite tops of Venetian silver, on snakewood handles, at \$20 and \$25. Other styles include crystal at \$12, and 14-k. gold-mounted at \$9 to \$50.

**New Colors in These  
Petticoats of Silk**  
\$2.95 and \$3.95

Ever so many shades of green, but as the brilliant emerald is the favorite, you will probably prefer a Petticoat of that rich color. So many shades of rose that for a moment the collection seems like a veritable garden of beautiful blooms. Besides, there are many tones of blue, brown and gray. And, of course, white and black.

Quite the prettiest style has a shaped flounce banding that is tucked at intervals, and is edged with a narrow side-pleated ruffle. This style in chiffon taffeta is \$3.95.

Festoons of narrow pleating make a \$3.95 messaline style quite delightful.

The silk Jersey top model at \$2.95 fastens with a placket at the side, and is trimmed with a deep pleated ruffle of messaline.

Other Petticoats in an extensive assortment, various prices up to \$25. **Second Floor**
