

Exchanges to-day, the sales aggregating 205,200 shares, unusually well distributed through the list. Shares generally at a shade higher than at yesterday's prices...

The Northwest common stock continued to be the special favorite, and, after opening 3 per cent higher at 47 1/2, advanced to 49 1/2, and later sold higher at 48 1/2 to 49 1/4.

In the other Western (corn road) stocks, there was a more active business than usual, and at a shade better prices, as there will be, if the speculation in the wheat road stocks is expected to be sustained.

Table with columns: Wheat, Corn, and other commodities. Includes prices for various grades of wheat and corn.

The receipts of flour and grain at the principal Atlantic ports this 2d day of April, were: Flour, bbls., 11,647. Bait, 1,740. Boston, 1,740.

The following shows the receipts and shipments at the principal Atlantic ports this 2d day of April, as reported by telegraph:

Table showing receipts and shipments for various commodities like flour, wheat, and corn at Atlantic ports.

EUROPEAN FINANCIAL MARKETS. LONDON, April 2.—The market for foreign exchange was quiet, and the rates were generally steady.

THE STOCK MARKET. The market for stocks was generally quiet, with some activity in the Northwest common stock.

Table showing stock market prices for various companies and commodities.

TOTAL RECEIPTS OF PRODUCE. For North River, Tonnage and Railroad.

Table showing total receipts of produce for North River, Tonnage and Railroad, including items like wheat, corn, and other grains.

GENERAL MARKET REPORT. Tuesday, April 2, 1878.

Wheat—Receipts, 11,647 bbls.; exports, 1,740 bbls. Flour—Receipts, 11,647 bbls.; exports, 1,740 bbls.

Table showing closing prices of Philadelphia stocks for various companies.

Table showing closing prices of San Francisco stocks for various companies.

Government bonds were dull, and, as a rule, firm. There is little doing to-day in the way of importations.

Table showing closing prices of U.S. Currency and other financial instruments.

State bonds were generally neglected here; quotations are about steady. There was a large transaction in the City Bank stock.

City bank stocks (Merchants) (10) sold at 108 1/2; Bank of Republic (22) at 81; City (12) at 20 1/2, and Metropolitan (30) at 120.

Large transactions in railroad bonds, but generally at lower concessions in prices. The Pacific were all lower.

Table showing prices for ordinary, street, and low-midling bonds.

Foreign exchange was dull and easier. The business for the early steamers this week is not very active.

Money continues in good demand, and, as yesterday, the rates are about steady.

DRUGS AND CHEMICALS—Optim more active and higher. Quinine scarce and higher; manufacturers filling out.

Table showing prices for various drugs and chemicals like quinine, opium, and other medicinal products.

STEAMERS—Steady 7 3/8. Prime to Choice; sales, 20,000 lb. of Steamers.
