The wheet trade was the biggest in a month prices up at their best, 1%c, and closing near the top. Liverpool up about 1d; Paris and Berlin up sharply. Poor crop prospect in Germany was the factor. The seaboard reported 53 loads for export. Cash sales here exceeded 100,000 bushels. Clearances for two days exceeded 1,000,000 bushels. Western and Northwestern receipts were ahead of last year. The visible decrease 2,000,000 bushels, and there was a decrease on passage of 1,600,000 bushels. The Chicago stock decreased 355,000 bushels. Weather conditions were perfect, cool, with plenty of moisture. The Southwest had less to say of damage. The market in a general way was helped by the increased trade. Shorts led the buying. Flaxseed was nominally unchanged, May, \$1 59; cash, \$1 58@\$1 59. October and September were weak, without trades.

Provisions were dull, entirely ignoring the grain activity. Prices closed practically at Saturday's figure. Hogs were 5c lower, with receipts in the West liberal; the cash demand keeps quiet. The speculative interest small.
