MORRIS PARK'S POOR CARD

SIX MEDIOCRE FIELDS.

R. T. Wilson's Highlander Wins the Harlem Selling Stakes.

The racing at Morris Park yesterday was of a sort that can be adequately recorded without the use of red letters. The association offered a programme of the ironing day variety, and the fields in at least five of the six races were conspicuously deficient in class. And even in the absence of any distinguished members of the great family of thoroughbreds to overshadow the efforts of the lesser lights, those that were depended upon to afford an afternoon's diversion failed to produce any great or permanent thrills. The weather, possibly, was the most brilliant feature of the afternoon.

The sixth running of the Harlem Selling Stakes over the Withers mile was the only stake race on the card, and after Pierre Lorillard had withdrawn Numeral to start him in the handicap and P. S. P. Randolph had scratched his colt Red Knight only five contestants were left in. Of these R. T. Wilson's useful colt Highlander was made an odds on favorite, with Frank Farrell's three-year-old Colonist a generously supported second choice.

The finish was decidedly of the kind that digitalis goes well with. Burns was riding the favorite, and twice in the stretch his followers thought they saw their money hopelessly ignited. Highlander was really beaten twice, and had the distance been fifty yards further he would have been beaten a third time. As it was, he won by the shortest of noses, and the credit probably is due mostly to Burns, although on this point there was a great difference of opinion. Those who had pinned their faith in and placed their dollars on Colonist insisted that Highlander's victory was wholly a negative one, as Fuller, on the Farrell colt, rode considerably worse than any wooden boy possibly could have ridden. To that great throng of racetrack enthusiasts who look upon the thoroughbred as a cleverly devised toy that is wound up and runs a given length of time through no volition of its own the boy's method of handling Colonist undoubtedly seemed to deserve censure. He did not use his whip when the advocates of machine made racehorses thought he should have used it, and he was generally listless and shiftless. As a matter of fact, it is altogether likely that the boy handled his mount with excellent judgment under the conditions which confronted him.

Colonist sulked in the early furlongs of the mile. The colt did not care to run, and all through the backstretch he made his intentions to begin an individual strike manifest. That Fuller succeeded in jollying this pernicious doctrine out of his head reflects some credit on his skill. In the last sixteenth the colt had a change of heart and came on with an exhibition of speed that convinced the automatic racehorse enthusiasts that he could have won had a jockey with a carpet beating attachment been on his back. To a great many in the grandstand it seemed that he reached the wire a fraction of an inch ahead of Bon Mot, but the judges thought otherwise and he was placed third.

In the mile and a sixteenth contest over the hill Numeral's heart was stouter than the heart of Hunter Raine, and he made the Longstreet colt surrender in the run home. Animosity seemed to have the race well in hand at one stage in the journey, but she tired badly at the end of three-quarters. McWilliams lasted long enough to beat her and Rosanco for the little end of the purse.

Ishlana, whom the railbirds declared they had seen gallop five furlongs in one minute flat, was the "good thing" of the day. She was only asked to go the last four and a half furlongs down the Eclipse course, and she handily defeated the five youngsters who were opposed to her. She was played all over the ring, and the weight of money wagered on her reduced her price from 15 to 1 to 8 to 1. Ishlana is owned by W. J. Arkell, who races in pink under the name of the Lotos Stable. It is the first time his colors have been in front at the finish this year.

Sovereign, the His Highness three-year-old colt, whose performances, aside from his breeding, are likely to make him worthy of his royal name, won his race yesterday as impressively as on the opening day. He showed eleven pretty fair sprinters the way around the last six furlongs of the Withers mile. Odom was compelled to ride him out in order to shake off Mesmer in the last sixteenth. The other winners were Tim Sullivan and Remorse. In the second race Haack, Hoar, Cochran and Shea were each fined $25 for disobedience at the post.

John E. Madden has sold the colt Pulsus (Top Gallant—Glen Hop) to E. R. Thomas. The colt is entered to start this afternoon.

JOCKEY CLUB SUSPENDS SHAW.

His Riding on Illyria at Jamaica Not Satisfactory to Stewards.

The stewards of the Jockey Club at a meeting held yesterday afternoon at Morris Park suspended "Willie" Shaw, the jockey, on the report of the stewards of the Metropolitan Jockey Club. This action of the Jockey Club was the outcome of the in-and-out performance of "Father" Bill Daly's three-year-old colt Illyria.

On the last day of the Jamaica meet this colt, coupled with his stable mate Locket, was a decided favorite in the third race. He was ridden by Shaw, and finished fourth, being beaten by Ben Howard, Schoharie and Locket. Last Saturday, in the Toboggan Handicap, Illyria, ridden by D. O'Connor, nearly ran Mizzen off his feet coming down the hill, and finished only a head behind the winner. Shaw is under contract to ride for George E. Smith, better known as "Pittsburg Phil." His case rests wholly with the Jockey Club, and he is likely, it is said, to be at leisure for some time.

The stewards present at the meeting were J. H. Bradford, F. R. Hitchcock, H. K. Knapp and Andrew Miller.

The application of John White for a trainer's license was refused. An appropriation of $100 was made for the benefit of Mrs. Abe Scott.

ACEFULL'S DISAPPOINTING RACE.

London, May 12.—At the second spring meeting at Newmarket to-day the Newmarket Handicap (of 1,000 sovereigns; for three-year-olds and upward; distance, one mile and two furlongs), Acefull, the American Derby candidate, was not placed. This was considered as extinguishing that horse's chances of winning the Derby. The race was won by Bistonian. Patron Saint was second and Valenza was third.

TWO THIRDS FOR W. K. VANDERBILT.

Paris, May 12.—At the Maisons Laffitte meeting to-day W. K. Vanderbilt's Biltmore was third in the race for the Prix Stuart, and his Bright took third place in the contest for the Prix Buff.

NASH MAY ROW FOR COLUMBIA.

Stephen P. Nash, one of Columbia's best oarsmen, may row in the Columbia 'varsity boat. He was declared ineligible last year because he had taken part in track athletics his first year, and rowed three years besides. The new Columbia athletic rules provide, however, that a man may compete in intercollegiate sport more than four years provided he does not take part in one sport more than that period. This makes Nash eligible, according to the local rules, and it is hoped that he will consent to join the crew again.

AUTOMOBILING.

American Association Regulates Drivers and Storage.

At a meeting of the American Automobile Association yesterday rules regulating operators in relation to retail automobile houses and storage stations were adopted. The support of the Automobile Club of America, the National Association of Automobile Manufacturers and the New-York Automobile Trade Association is assured.

According to the rules, no commissions of any kind are to be given by dealers to drivers, nor are inducements of any sort to be offered to them to induce them to store the cars of their owners in one place, rather than another. Owners are expected to send a written order to storage houses telling how much authority their drivers are to have in taking out the machines or having repairs done without special permission.

Dealers are required to keep a register of drivers, giving details of efficiency and record of service. Drivers who are not registered by the dealers are not to be employed by members of the club.

PLAN FOR AUTOMOBILE TEST.

The Reliability Contest Will Probably Be Run in October to Montreal.

The contest committee of the Automobile Club of America met yesterday and practically decided that the reliability run is to take place in October this year, to Montreal, a distance of 380 miles. The route will be through Albany and by Lake Champlain. There will be no restrictions and those who take part in the run will have to look out for the speed restrictions in some of the towns along the route.

RIVES APPEARS AS COMPLAINANT.

St. John Wood Refuses to Tell Name of "Auto" Driver—Case Adjourned.

St. John Wood, a Maiden Lane jeweller, who lives at No. 27 Prospect Park West, Brooklyn, appeared in the Jefferson Market Court yesterday in response to a summons obtained by Reginald W. Rives, of No. 42 East Thirty-first-st. The latter was in court.

On March 27 Mr. Rives and Alfred G. Vanderbilt, with a party of friends, were on the coach Pioneer when one of the leaders attached to the coach was injured by being run into by an automobile. The accident occurred on the East Drive, in Central Park, near Seventy-second-st. From the initials on the back of the automobile it was learned that it was the property of Mr. Wood. Mr. Wood was not in the machine at the time of the accident, and it was occupied only by a driver, who went away from the scene of the accident at full speed, in spite of orders to stop. Mr. Wood was summoned to court to tell the name of the driver, which he refused to do.

Mr. Thompson asked Magistrate Mayo that the jeweller be held as an accessory. Magistrate Mayo said that the case was a misdemeanor, and not a felony, therefore all persons directly concerned in the case could only be held as principals. As Mr. Wood was not in the automobile he could not be held on this charge.

For Mr. Wood, Mr. Culver, a lawyer, said that the proceedings in the court were a preliminary movement to the bringing of a civil action, and asked that the case be dismissed. Magistrate Mayo, however, adjourned the case until Saturday, when he will examine briefs to be submitted by counsel on both sides.

LAST DAY FOR BRIEFS TO GOVERNOR.

Governor Odell has set to-day as the last day on which he will receive briefs in the Bailey bill case. It is expected that his decision on the subject will be known before the end of this week, and owners and manufacturers of automobiles are awaiting the result with the keenest interest. Nearly all the big owners are against the bill, and the manufacturers assert that if the bill is signed it will cripple the trade greatly in this State. It is the opinion of many of them that the Governor will veto the bill.

NEW RACING RULES ADOPTED.

The directors of the American Automobiling Association met yesterday and approved the new racing rules, a copy of which will be issued in a few days. All meets sanctioned prior to yesterday will be held under the old rules. These are the Memorial Day meet, the Massachusetts meet and the races at Empire track. The meets to be held under the new rules are the Syracuse meet, on May 11 and 12; the Michigan meet, on May 30, and the Washington meet, on July 3 and 4.

A special meeting has been called for June 2 to adopt resolutions to allow individual membership in the association. Under the old resolutions only clubs were allowed as members, and it is thought that if the resolutions are changed so as to admit of individual membership it will greatly help to encourage the sport.

ACTION DEFERRED IN TITUS CASE.

Oarsman Does Not Appear at Union Club Meeting—May Be Decision To-day.

After a four hours' session last night the board of managers of the Union Boat Club deferred action in the case of C. S. Titus, the champion sculler, against whom the club has brought charges. Final action is to taken to-night. Frederick P. Kaska, president of the Atalanta Boat Club, gave the Atalanta's side of the case and then left the meeting. The managers discussed the question till midnight. President Sinnott then said:

To give Titus every possible chance to place himself right before our club and out of respect and good will for the Atalantas and the National Association, we have decided to wait until to-morrow night before acting on Titus's case. He was not here to-night and a committee of three, consisting of myself, James Steen and James A. Francis, captain of the club, was named to meet in the office of President Kaska of the Atalantas at 2 o'clock to-morrow afternoon. Titus will be asked to meet us there and explain before a neutral person these charges. It is almost certain if our club should expel Titus that the Henley authorities will not receive his entry. The Atalantas would thus be in a kind of predicament, as would the National Association, which has indorsed him. We respect the club and National Association and wish to give Titus all chance to place himself in the proper position. Unless he does we will take summary action.

POLO.

Rockaway Defaults to Lakewood—Dates for Meadow Brook.

Rockaway defaulted to Lakewood yesterday in the Squadron A polo tournament at Van Cortlandt Park, so there was no game on the Van Cortlandt parade grounds. The teams that will meet to-day will be the second Squadron A team and Great Neck. The former team will consist of R. F. Goldsborough, Herbert Barry, A. R. Whitney and J. Osgood Nichols. The Great Neck team will be J. P. Grace, Clarence H. Robbins, W. R. Grace, jr., and Morgan Grace.

Announcement was made yesterday that the Meadow Brook Club polo tournament will be played from May 28 to June 13. Entries close with the chairman of the Polo Association, H. L. Herbert, on Saturday. Prizes are offered for three contests—the Meadow Brook, Westbury and Hempstead cups.

MAY PROSECUTE PRIZEFIGHTERS.

Sheriff May Proceed Against Westchester Pugilists—Fight Held Yesterday.

It is reported that Sheriff Miller, of Westchester, has received complaints of the prizefights being held, and is seeking for evidence with which to bring the fighters and managers before the grand jury.

One of the fiercest prizefights ever seen in Westchester County was held in Mamaroneck early yesterday morning, between "Bob" Henderson, of Mount Vernon, and "Joe" Hendricks, a Philadelphia negro, both middleweights. The fight was for $100 a side and the gate receipts, amounting to about $300. Henderson knocked out his opponent in the eighth round. The fight was held in a barn on the Mamaroneck Boulevard. The fight was scheduled to take place in New-Rochelle, but owing to the vigilance of Chief Timmons, who had four of his men out in a closed carriage watching the fighters, it was decided to hold it over the line, in Mamaroneck. This is the second prizefight which has been held in Westchester County in a week, and the residents are greatly aroused over it.

CRESCENT A. C. WINS AT LACROSSE.

The Crescent Athletic Club lacrosse team and Hobart College boys met in a postponed game yesterday at Bay Ridge. The game was extremely interesting, and the home team won by a score of 6 to 1. The weather was perfect for the sport, and a large and enthusiastic number of spectators gathered. The home team played in brilliant form, while there were many good plays made by the college boys.

The Giants lost to Cincinnati at the Polo Grounds yesterday by a score of 4 to 1 in one of the best games played this season. Mathewson pitched for the home team and established a record for the season, striking out thirteen men. Up to the third inning he did not allow a hit. Ewing, for the visitors, pitched in fine form. In the final inning Mathewson tired.

It was not until the ninth inning that a run was made by either side. Then New-York made one run, while Cincinnati made four. Kelley, first up for Cincinnati in the ninth, singled to right. Seymour sacrificed. Donlin struck out and Beckley made a two-bagger, scoring Kelley. Steinfeldt tripled over Van Haltren's head, tallying Beckley, and Steinfeldt got home on Corcoran's hit. Magoon made a two-bagger and Corcoran tallied. Peitz walked and Ewing struck out. For New-York, McGann got to first on a nice single to left. A passed ball put McGann on second. Mertes fanned and Bresnahan, who batted for Dunn, made a single. Lauder forced out Bresnahan at second. McGann scored. Warner, who batted for Gilbert, was struck out. The score:

Hits Chesbro Hard—Griffith Sent to Bench by Umpire.

[BY TELEGRAPH TO THE TRIBUNE.]

Detroit, May 12.—The home team found Chesbro's pitching to its liking to-day, and won by a score of 8 to 4. Griffith had trouble with the umpire and was sent to the bench in the fifth inning. Yanger and Crawford each made a hit in the first inning, and Elberfield and Carr both made a three-bagger, tallying four runs. In the third inning the visitors made one run, but in the following Detroit added four more to its lead. New-York made one more run in the eighth inning and two in the final. The score:

CHALLENGER CONTINUES GOOD WORK.

Continues to Show Superiority Over Old Boat—Last Week of English Racing.

Gourock, Scotland, May 12.—Sir Thomas Lipton and Fife have decided that it is not necessary to devote further time to trials between the Shamrocks on this side of the Atlantic. Consequently Saturday's race will be the last. The two yachts will be sent to the Greenock yard Monday to be fitted with their ocean rigs. Racing, however, has been arranged for every day this week.

The boats started this morning for a run over a course from Gourock to Rothesay and Balloch Bay and return, forty miles. A light, steady wind was blowing and fine weather canvas was set on both yachts. Shamrock I had the advantage in being two hundred yards dead to windward when the yachts started to beat down channel on the first leg of the course. But the challenger, lying high in the wind, pulled up steadily. After a couple of miles' short tacking the Shamrocks came together and the challenger was able to cross the bows of her opponent and take the lead. In a freshening wind the challenger constantly widened the gap, gaining practically a minute a mile.

The yachts luffed round Toward Point and beat into Rothesay Bay. The challenger was about a mile and a half ahead on turning the Rothesay mark at the finish of a ten-mile beat. After turning the mark at Rothesay Bay the programme was altered. Instead of making for the mark in Balloch Bay, the yachts headed up the Firth and homeward. The wind was light and fluky.

The yachts finished the run in close company, turned together off Greenock for a short beat to windward to Gourock and finished the day's work. In the final beat the challenger luffed right across her opponent's course and gained half a minute in ten minutes sailing.

The yachts to-morrow are to race over a fifty-five-mile course, round the channel fleet, at Lamlash, Isle of Arran, and return, for a prize of $500, presented by the Hon. Charles Russell.

TO ELECT SIR THOMAS ON MAY 30.

Seawanhaka Corinthian Yacht Club to Make Him Honorary Member Then.

The trustees of the Seawanhaka Corinthian Yacht Club at the regular meeting of the club held last night in their city home, No. 12 West Forty-fourth-st., announced that a special meeting would be called on Memorial Day at Oyster Bay, to elect Sir Thomas Lipton and Colonel Sharmon-Crawford, vice-commodore of the Royal Ulster Yacht Club, honorary members.

The club has chartered the steam yacht Gay Head to use in the coming races for the America's Cup. The annual cruise will be from July 4 to 9, from Oyster Bay to Newport and then to Buzzard's Bay. The proposed amendments were unanimously adopted last night. There was a mess dinner before the meeting.

REFITTED RELIANCE IN TRIAL SPIN.

Sails from Bristol to Fort Adams—New Canvas and Spars Fit Well.

Bristol, R. I., May 12.—The Reliance had her first trial spin to-day since she was refitted with spars and sails. When she left her moorings shortly after 1 p. m. she carried a new mainsail, which proved to be a good fit, also a new mainboom and a larger main gaff, both of which seemed to work well in taking up the slack in the mainsail. The trip ended at 6 o'clock, the boat beating down as far as Fort Adams and running back again before the wind with ballooners and spinnaker set. Mr. Iselin, the manager; Captain Woodbury Kane, Dr. Monahan and Designer Nat Hereshoff were on board.

Mr. Iselin after the trip said that to-day's test of the spars and rigging was satisfactory, and that everything had worked well. The boat, he said, would go out to-morrow for another sail, but as there was some work to be done on her in the morning the trip might possibly be delayed until the afternoon.

Adrian H. Larkin will captain the Metropolitan golf team that will meet an all-Philadelphia team on Saturday at the Merion Cricket Club. The match is to be the first half of an intercity contest similar to those held in previous years. There will be ten men on a side. The morning half is to be at eighteen holes, match play, and the afternoon half at foursomes. It is expected that the return visit will take place some time in October, possibly at Nassau. The metropolitan players who will appear on Saturday include Findlay S. Douglas, C. B. Macdonald, Charles H. Seeley, Robert C. Watson, jr., Louis Livingston, Devereaux Emmet, Allan Kennaday, Daniel Chauncey, John M. Ward and A. H. Larkin.

"PRINCE OF SPORTS" BANKRUPT.

Chicago, May 12.—George V. Hankins, once known as the "Prince of Sports" of this city, and whose fortune was accounted at over $2,000,000, has been relieved of debts amounting to $814,618 by bankruptcy proceedings before Judge Kohlsaat, of the United States District Court. He told the court that he had no available assets. The petition in bankruptcy was filed several months ago.

COUNTESS LONYAY SUES LEOPOLD.

Daughter of King of the Belgians Trying to Obtain $3,400,000.

Brussels, May 12.—The report that the Countess Lonyay has brought suit against her father, King Leopold, has been confirmed. The countess claims that her share of the estate of her mother, the late Queen Marie Henriette, should be $3,400,000 instead of the $120,000 offered by King Leopold.

CONDITIONS OF TRANSVAAL LOAN.

London, May 12.—It has been announced that no allotments of the Transvaal loan will be made to applicants for less than £2,000. Applicants for £2,000 and upward will receive 2.6 per cent of their application. This decision, which rules out all the small investors, is likely to excite noisy protests. It is said to have been imperative, however, owing to the overwhelming number of small applications under the idea that these would get preference, and the impossibility of discriminating between genuine and bogus investors.
