

Penn Relay Races Certain of Success

Larger Number of Colleges Entered than Ever, Despite War

By A. C. CAVAGNARO Although many colleges have discontinued all forms of competitive athletics owing to the war, the annual two-day relay carnival of the University of Pennsylvania, to be held on Franklin Field, Philadelphia, next Friday and Saturday, is expected to prove as successful as ever.

The individual entries list is not so long as usual, on account of the withdrawal of some of the colleges, but the number of competing institutions is larger than ever. The West will be especially well represented, many of the colleges there sending their athletes to the games for the first time.

Schoolboys First The high and preparatory schoolboys will take possession of the field on Friday, competing in many championship races. Several special events will also be decided on this day, including a pentathlon and several track and field events. During the pentathlon the field will be made up of the most prominent athletes of the country. The second day of the meet, Saturday, will be devoted entirely to relay championship races among the best colleges.

While Michigan, Cornell and Harvard will not send teams, the best of the other college athletes will compete. The list includes Yale, Pennsylvania, Chicago, Syracuse, Dartmouth, Princeton, Chicago, Holy Cross, Fordham, Penn State, Illinois and Columbia. The Western athletes are expected to make matters hot for their Eastern rivals. During the last few years these Western boys have come rapidly to the front, erasing many records. Chicago, Illinois, Wisconsin, Ohio Wesleyan, Notre Dame and Kansas will muster their best for the competitions.

Lafayette College proved the most fortunate in the draw for positions, gaining the pole place in three of the six races in which it will compete. It will have its best chance in position 1 in the one-mile, four-mile and one-mile freshman relay races.

Pennsylvania Lucky Pennsylvania has drawn the best position in the two-mile title race, which is expected to prove one of the best tussles of the meeting. In this title, the Red and Blue will be pitted against it, the best quarter-milers from Syracuse, which fared well during the indoor season; Princeton, Notre Dame, Yale, Penn State and Chicago. In the sprint medley championship event, Chicago drew Pennsylvania No. 2, while the distance medley relay finds Syracuse holding the inside lane.
