Regis River Golf Club Plans to Enlarge Course; Vacationists Find Many Attractions

Special Dispatch to The Tribune

PAUL SMITH, N.Y., Aug. 28—Arrangements for the extension of the St. Regis River Golf Club from nine to eighteen holes have been altered, and it has been decided to begin the work of constructing the new course in September. It is to be finished for use at the start of next season.

The location of adding nine holes to the present nine, as was originally contemplated, is now determined to lay out twelve new holes, retaining but two of the present course. The new course will be one of the most prominent and unique in the Adirondacks.
