ENDURANCE BY RIGHT WINS. DEPEATS HENO IN PASTEST

TIME ON RECORD. Russ About Six Purlongs in 1:06 8-5. While 20,000 Persons Cheer Crack Filly—Lady Holyrood a Big Surprise —Occidental Handleap for Herbert.

Twenty thousand persons saw J. W. Schorr's enomenal two-year-old filly, Endurance Right, by Inspector B. Early Morn, de-at Clarence H. Mackay's sterling colt, fast. Clarence H. Mackay's sterling colt. Heno, by Henry Young Quiver, at Gravesend track yesterday afternoon. This was the the match which had been discussed by turfmen for a week and the most remarkable part of it was that the winner covered the distance, about aix furlongs, in the fastest time on record. 108 3-5. The best previous time was 1:09 2-6, made by the three-year-old King Pepper, with 125 pounds, last June. Endurance by Right carried 112 pounds yesterday and won all the way, though Heno made such a game attempt to get up in the last sixteenth that Woods had to ride the filly out to the wire. Though Heno had been tipped to win because of fast miles in private, the talent could see very little in the informathe talent could see very little in the informa-tion and proceeded to take even 9 to 20 against Mr. Schorr's filly. Heno, however, had a big following among the public at large

and was backed enough to send him to the post at 9 to 5. Green B. Morris's Sombrero was soratched early in the afternoon, as had heen expected.

They got away from the barrier without delay, and O'Connor ranged Heno alongwide of the wonderful filly, who quickly out out a pace that was a heart breaker. The first furlong was recled off in 0:11 4-3 and then the quarter in 024. Endurance by Right had secured a lead of a length and a half at this stage of the proceedings, and Woods was just keeping her straight. O'Connor, seeing that Heno was failing back, began to ride him a bit, so that the colt, responding readily, cut the filly's lead down to a length in the next furlong, the three-eighths being run in the next furlong, the three-eighths being run in 0.25 t-8. At the half Endurance by Right's time was 0.47 2-5, and she still held Mr. Mackay's celt safe. Coming into the stretch Inspector B's daughter, having finished five furlongs in 6.50 3-5, continued her superb-running, and though Heno clung to her with commendable gameness she flashed past the judges a winner by a length in 1.08 3-5.

immediately there was a great outcry, followed by a roar of delight that extended from one end of the track to the other. It was a fitting ovation for a filly, than whom there appears to be no better. Mr. Schorr was highly elated over the victory and said afterward that he would willingly match Endurance by right against any two-year-old in training. Henc's performance was high-class in every respect, and though he was vanquished Mr. Mackay had no fault to find with him.

Though four favorites and a second choice rewarded the form players, it was, on the whole, a day of hardship for a majority of the patrons, who were puzzied in many ways in their efforts to select winners. The biggest disappointment occurred in the Flatlands Stakes for two-year-olds at flye furiongs. C. F. Dwyer's Francesco was the best play in the race, according to his owner, the talent and the professional tipsters. Dwyer, who is the son of M. F. Dwyer, wagered \$10,000 on Francesco, while ten time this amount was colled into the ring, the layers soon erasing twos and substituting 8 to 8. Arsenal, too, was heavily played at threes, with plenty of money placed upon Leonid and Prophetic in the place and show books. Twelve youngsters went to the post and when the barrier was released the crowd was dumfounded to see Lady Holyrood, 40 to 1, running out in front with a lead of four lengths at the first furious Purns went after the Lissak filly with Francesco, Pearl Finder, Man o' War, Arsenal, Leonid and Presumption following in a bunch. It was hoped that Lady Holyrood would stop at the head of the stretch, but Daly kept her going at top speed and she came down to the finish line with plenty to spare. Francesco, under the whip, did his best to get up, but the task was so great that he ran himself out and Eddie Busch, 15 to 1, soon caught him. Lady Holyrood won by a length with ease. Eddie Busch beating Prancesco a head for the place.

The Occidental Handicap for all ages at one mile and a furlong was the prettiest race of the afternoon. Herbert and Toddy were equal favorites at 5 to 2, with Advance Guard siao strong in favor at 18 to 5. Kamara was steady at fives, while The Regent was backed down from tens to eights. The Regent and down from tens to eights. The Regent and track made the running for half the distance neck and neck. Then Smith moved up with Herbert, who was in great fettle. At the head of the stretch Herbert led by a length, followed by The Regent and Kamara, so close together that Toddy and Advance Guard could not get through from the places behind unless they were taken around on the outside. All were driving in the last six-behind unless they were taken around on the outside. All were driving in the last six-behind unless they were taken around on the outside. teenth, but Herbert held his own and was victorious by a length in 1:38, equalling the track record of Don de Oro. Advance Guard, after a vigorous ride by Burns, got the place by a length from The Regent, who was half a length better than Kamara. Burns lodged a protest of foul with the stewards, but it was not allowed.

Those who played Smoke and McAddie to win the second race, a handicap for all ages, at one mile and 70 vards, thought that they had been struck by lightning when the race was over. Smoke was so much in demand that she was sent to the post an oddson favorite. McAddie was covered with gold at 7 to 5, while the Rhymer, who was the only other contender, went up in the betting from threes to sixes. O'Connot took Smoke to the front without delay and led McAddie by a length for half a mile. Then Cochran let out a few links and McAddie headed the mare at the far turn. Meanwhile Woods had been waiting patiently with The Rhymer, and when he got the coll straightened out for the run home it looked as if McAddie had the race, as Smoke was tiring fast. Woods put up a rattling finish on The Rhymer, however, and in a sensational drive he passed both of his rivals and won by a head in 1:44 4-5. McAddie was two lengths before Smoke.

Modrine, the 9 to 10 favorite, in the first race for selling pistes at about six furlongs never was in the hunt. Stuart, the second choice, led from barrier to wire and won galloping by five lengths, with Father Bill D ly's tonnie, 40 to 1, second, a length in front of Satire.

ENGLISHMEN IN THE LEAD On Second Day of Cricket Match Philadelphians Are 189 Runs Behind.

PRILADRIPHIA, Sept. 28 - The interna-tional cricket match between B J. T. Bosan-quet's English team and Philadelphia was continued to-day on the ground of the Mer-ion C. C. at Haverford, in the presence of ion C.C. at Haverford, in the pursence of a large and fashionable gathering. The weather was perfect, but as predicted the wicket did not improve and it was again responsible for a painful injury to one of the players. While yesterday the visitors' wicket keeper was knocked out, to-day a similar fate befell the stumper of the home team, who received a terrific blow on the

He also accomplished the 'hat trick,' taking three wickets in consecutive balls. zerums. Heaiso accomplianed the hat trick, taking tures wickets in consecutive balls, for which feat he will receive a silk cap from the team as a memento of the occasion. With a lead of ninety-five runs on the first inning the Englishmen began their second effort with plenty of confidence. Both J. B. King and P. H. Clarke bowled splendidly for Philadelphia, however, and run getting was no easy matter. When the inning was fluished, however, 148 was on the board. A. M. Hollins was the chief contributor, with a hard-hit 32. He made his runs in seven minutes and at one time scored twenty off one over from P. H. Clarke. B. J. T. Bossnquet also played freely for 27, while Frank Mitchell batted steadily for 18.

Needing 239 runs to win, the Philadelphians began poorly and no stand was made until J. A. Lester and N. Z. Graves formed a partnership. The latter hit well for 23 and Lester played steadily for 20. The latter was thirty-five minutes at the wickets before he cracked his duck and altogether took I hour and 20 minutes for his 20. With six wickets down for 80 runs, the game was called on account of darkness. Play will be continued on Monday. The score:

running pacemaker preparatory to start-quished Baltimore and rain prevented the ing on his wonderful journey, more than League results and standing are as follows:

3,000 persons were in the grand stand and Chicago. 5 New York 2 on the lawn. The horse was started on the second score down. The runner, hooked to a working cart, went to the front and kept a lead of two lengths until the halfmile poet was passed and then the speed began to tell on him. As they rounded the lower turn the little pacer was at the runner's saddle. There was not a false motion or apparent effort in the pacer's movement. He simply slid around the ring like oil, and as they came dashing down the stretch, the runner began to tire and Little Boy led him by two lengths before they reached the distance flag. After passing that point the speed of Little Boy appeared to slacken, but he kept digging at it and passed under the wire a winner of another world's record. The best previous track matinée record was 2.05%, made by Little Boy at Washington Park, Chicago, last August. Little Boy is a good-looking brown gelding, by Kenton, son of Harkaway, dam Jenny, by Longfellow.

In the free-for-all trot Fred Gerken would have lowered another world's record had he tried for it with The Monk. In the second heat he simply allowed the fast son of Chimes to jog in without the least attempt at urging and equalled the world's amateur trotting, record to wagon, 2:10, made by Harry Deveraux's great stallion John A. McKernon at the meeting of the Boston club last year for the city trophy and about which the National Trotting Association gave two or three decisions, finally making it a record. Mr. Gerken could easily have placed the mark at 2:07 or 2:08.

The Wall Street two-year-old race was

not as interesting as was expected. Mr. Billings's filly Cosma and Albert C. Hall's colt Battle Wall were sick and could not start. The race was between ex-Mayor Hugh J. Grant's Bugle, and A. N. Brady's Amalu. Bugie showed far more speed than Amalu, and in fact was better gaited. He had no trouble in winning the money in straight heats. The time was slow, but neither of the youngsters were ever in a race before. The \$1.000 cup given by the breeder, F. P. Olcott, will not be awarded until they race next year as three-year-olds. The sweepstakes of \$1.000 goes to Bugle.

Onoto, ex-Park Commissioner Samuel McMillan's four-year-old mare, who won a good race at the Brighton Beach meeting, proved a great surprise in the first heat of the free-for-all pacing race, by beating such stars as Hontas Grocke, Sunland Belle, Highland Lassie and Lucre, all great favorites on the Speedway. She made a had break in the second heat and in the third a tire came off and she finished last. Hontas Grocke gave her a hard drive down the stretch for the first heat; but she beat him out in a close finish. The next two heats were easy for Hontas Sunland Belle, who had beaten the son of Bud Grocke in work-outs the fore part of the week, acted unsteadylly and lost her chance of winning a heat by breaking badly.

Dr. F. Farnsworth with his mare Ventura won the 2:15 trot in straight heats, much to the surprise of the wise ones who thought there were only two horses in the race, Indian Jim and Louise Jefferson, the clever little mare who made such a capital showing in the M. and M. Stake at Detroit. The mare was unsteady and lost ground by breaking, although she demonstrated the possession of speed by closing up the gap when she struck her gait.

Howard Avery of New Brighton, Staten Island, won the cup in the 2:29 trot in straight heats. H. C. Mapes's Minnetonka, a fast Speedway mare, was not in good condition, and one or two others of the Speedway brigade were not keyed up right. R. H. Halstead drove Maxim Boy in the first heat, but gave it up at that. In the 2:24 pace David Muscoviti, driven by his owner, F. G. Jones, stepped out in front and led from wire to wire in both heats, with Bonnie Kirkland a good second. A. L. Kerker's clever little pacer, Attaleka, closed up a big gap in the first heat quite handliy and finished third.

Albert C. Bostwick started his mare Volo in the free-for-all trot at the last minute and drove himself. Notwithstanding the fact that he was on crutches, having a sprained ankle, he made a good drive in his initial effort. Tudor Chimes, although roaded from the upper end of the Speedway to the Empire track, gave a creditable exhibition.

The team race was somewhat of a disappointment, as only two teams were in shape to start. Luke Burka's pair was in the state of the speed of the start. Luke Burka's pair was in the state of the speed of the start. Luke Burka's pair was in the state of the speed of the state of the state

The team race was somewhat of a disap-pointment, as only two teams were in shape to start. Luke Burke's pair won in straight heats. Billy Palmer, Ben Lichtenberg's Speedway pacer, went to beat 2:30 on a wager made by Sam Hexter that he was not able to do it. The veteran Pete Manee drove him in 2:24%, pulling up at the wire.

IN THE BASEBALL WORLD. Chicago Wins a Clean-Cut Game From

With the National League championship decided, the only interest left is in the struggle for second place between Philadelphia and Brooklyn and the scramble by New York Chicago and Cincinnati to keep out of last place. Yesterday the New Yorks were besten by the Chicagos, there being now a difference, of 13 points between them. As pain prevented the Cincinnati-Boston game, the Reds are in last place again, 2 points behind the Chicagos. The Brooklyns, whose game at Pittsburg was also prevented by rain, still have a chance to pass the Philadelphias who were beaten again at St. Louis and are Drivers' Association and the most successful one ever held by that organization. Saltz Paces Away From Alvin R. in a Five-Heat Race.

match. After a close and interesting contabout 16,000 porsons. The five races had a total entry list of forty-four and of these twenty-dve failed to start. The disappointment at the lack of big fields and good racing in three events was made up by two rousing good centests. The first of these was the drive of the road pacers, in which Moth Miller and Giles Noves were the star performers. It was close between them in every heat. The first Giles Noves captured by a neck. The second Moth Miller won by half a length, with fir Randell looking back smilingly. The third was a whipping floish in which Moth Miller was beaten by a few inches. The best race of the day was the 218 class for pacers. Alvin R. won the first two heats by an open length, but when the third try came it seemed to be an open and shut opinion on the part of most of the spectaters that Snitz, who had come in second each time, had seen "saved up". He took the third fourth and fifth heats by a length, but the horses travelled almost abreast all the way It was a beautiful struggle. Joe Nelson was stepped along three lengths behind in each heat; just as though there was all mensure by the body in a great measure by the body in a great measure by the bodyling of a feet a inches they had sarried out to ge!

There was a lumpang class judged over two fences, one of feet inches, the other of a feet a inches high. F. W. Okie on his bey nare clara Barton was the winner. Dorothy Manners, alto Okies horse, was second, and Frank Hitchcock of a jumiarn won third prize. WALCOTT THE WINNER.

Outpoints Gardiner of Lowell in a Twenty-Round Bout at Frisco.

Joe Walcott, the "Black Demon," stopped the winning streak of George Gardiner of Lowell, at San Francisco on Friday night The two came together in a 20-round bout at the San Francisco A C, at eatchweights, for a percentage of the gate receipts. The affair lasted the limit, and Walcott got the verdict on points. Both men were in superb condition. Gardiner, who had the advantage of the weight, fought desperately. He held his own for a while, but toward the end he lost a lot of ground and harely defended himself.

Before the mill it was learned that Gardiner's left hand was not in the best possible condition. For a time it looked as if the fight would have to be postponed, but rather than disappoint the big crowd on hand. Gardiner consented to appear In order to protect the injured member he wore bandages. To this Walcott objected. The referee was called to settle the question and he decided in favor of Gardiner.

The Lowell man was always on the defensive, but his cleverness and good generalship prevented him from being decisively heaten. Walcott swing and rushed, but first round Walcott scored a clean knock-down through Gardiner's corelessness. After that the Lowell man was more cautious at the start of the sixteenth round Walcott he first round walcott scored a clean knock-down through Gardiner's corelessness. After that the Lowell man was more cautious at the start of the sixteenth round Walcott he tolore after every lend.

Walcott was somewhat in trouble in the first own was blow. He failed because Walcott ke telore after every lend.
