FIVE FAVORITES DEFEATED,

BUT MONTE CARLO AND FLEXION SCORCH THE BOOKS.

Belle Beats the Heavily Backed Palmbearer—Hurst Park the Only Successful First Choice at Brighton.

Five favorites were defeated at Brighton yesterday, but the books were severely scorched in several instances. In the first race John McCue's Monte Carlo, backed down from 30 to 1 to tens, won the high-weight handicap at six furlongs, while Edward Monell's Flexion, played from 20 to 1 to twelves, took the fifth race, at a mile and a sixteenth. Monte Carlo, ridden by E. Walsh, broke in front and was never caught. He carried 100 pounds, the weight at which he has run his best races, and finished two lengths before Ascension, 5 to 1, in the fast time of 1:13. James V., 9 to 2, second choice, was third, three parts of a length back and a length and a half in front of E. R. Thomas's Stalwart, the favorite, ho was hammered down from 6 to 1 to 18 to 5. Monte Carlo was in receipt of thirty pounds by the scale from Gay Boy, the top weight, and James V. and twenty from Ascen-

Flexion won after one of the roughest ridden races seen on a local track this year. Miles drove him home in clever style to victory by a length and a half in 1:48. Black Socks, 20 to 1, ran into the place, three parts of a length before Allan, 8 to 1. Prince Salm Salm, the favorite, was knocked out of it early in the race.
Sydney Paget's Woodsaw, a magnificent

looking son of Octagon—Woodvine, was made an 8 to 5 favorite in the Sunshine Stakes, for two-year-olds, at five and a half furlongs. . Thomas's St. Bellane, with 124 pounds, gave twenty to Woodsaw and was second shoice at 16 to 5. It was anybody's race to the head of the stretch, where Woodwas in front by a small margin, in the run home James McLaughlin's Pasadena, by Ben Strome—Blue Bells, backed down to fives, came away and won by a length and a haif in 1:07 1-5. St. Bellane, Austin Allen, 10 to 1, Woodsaw and Martha Gorman followed in a bunch, heads and necks apart in the order named.

Thomas's Palmbearer, 18 to 20 favorite, met defeat in the handicap at a mile and furlong. He was ridden by Travers, while H. Phillips, who is not in favor with Thomas though still under contract to them, had the mount on Stamping Ground, second choice. Phillips was whipping soon as the start was made, and she went out Palmbearer to make a smashing runaway of it. Those who watched Phillips closely were positive that he did all in his power to beat Palmbearer, crowding the to the rails and otherwise making it stopped at the head of the stretch, Palm-bearer had a lead of a couple of lengths, but was unable to stall off the determined rush of Sonoma Belle, 5 to 1, who got up in time to beat him by half a length in 1:54. It was understood that Thomas was decidedly up over Phillips's behavior, but whether the better of him or not was a problem that could not be solved.

Hurst Park was the only successful favorite. He picked up 126 pounds in the last race, at a mile and a sixteenth, and, closing at 1 to 2, he galloped the others off their feet, winning rather easily by a length in 1:47. The Cricket. 11 to 5, who hung to the favorite for threearters of a mile, stopped to nothing at the far turn. Dinah Shad, 20 to 1, on the other hand, ran a good race and was second, a length and a half in front of Hydrangea, 20 to 1, who was three parts of a length before

John E. McDonald's Tarpon, 20 to 1, made all the pace in the second event, for maiden two-year-olds at five and a half furlongs, and won by half a length from Gotowin, 7 to 2. second choice. Perry McAdow, 4 to 1. vas third, five lengths away. Ed Alvey's Agnes Virginia, the favorite, got away poorly, but finished strong, being four lengths out of the money. The time was 1:08. The ce was easily 15,000, and the track

Want Fitz to Fight in Alaska. Bob Fitzsimmons's services are much in semand at present, and if the Cornishman demand at present, and if the Cornishman cared to notice all the offers sent him he would be kept constantly busy. The latest is a proposition from Dawson City, Yukon Territory, A club there has agreed to give Lanky Bob a purse of \$2,500 for a 20 round bout with Billy Woods, colored, of Los Angeles. Woods is a clever middleweight and has a good reputation in the West. The club wants fits to fight Woods some time next month. It is not likely that the ex-champion will accept, as the amount is too small for such a long trip. He may consider it if it is increased and he receives good expenses, woods is now at Dawson. His last battle was with Joe Millet, whom he defeated.

TO-DAY'S CARD FOR BRIGHTON. Waterboy and Broomstick May Meet is

Waterboy and Broomstick are entered in the fifth race, a handicap at a mile and an eighth, to be run at Brighton this afternoon. Broomstick, the holder of the world's record for a mile and a quarter, which he hung up in the Brighton Handicap, will carry 115 pounds, while Waterboy will pick up 126. Broomstick, with 111 pounds, took Waterboy's measure at the Bay two weeks ago, at a mile, in fast time. The Ben Brush threeyear-old carried 104 pounds in the Brighton and beat Waterboy by nearly a sixteenth of a mile. Whether he can trim the black horse to-day, therefore, is a question of vital in-terest to racegoers. The Glen Cove Handi-cap, for three-year-olds, at six furlongs, is ancap, for three-year-olds, at six furlongs, is another feature, Lady Amelia, Rapid Water and Dick Bernard receiving the preference over the others. Nightmare, Virgo, and Peggy look to have a chance in the malden two-year-old event. Whorler, Gay Lothario, Agnes D. and Keynote figure well in the third, at a mile and a sixteenth, while Gortnagallon and Good and Plenty will doubtless receive support in the steeplechase. Chicago, July 19.—At Hawthorne to-day the race that attracted the most attention was the third, in which Celebration, Federal and Frivol, all long shoot, furnished a hair raising finish, being heads apart at the wire and so close together only the judges could place them as they finished. St. Hera, the 6 to 5 favorite, finished far back, while Crestfallen, the well backed second choice at 18 to 5, was last. As four favorites won, the talent again had the bookmakers on the run.

WATER SPORTS AT LARCHMONT. Big Crowd Celebrates Ladies' Day at the Yacht Club. Larchmont was like fatryland last night.

It was ladies' day at the yacht club and the yachtsmen celebrated the day in royal style. Thousands of tiny fairy lamps spread their multi-colored rays throughout the grounds. Japanese and Chinese lanterns were strung sea wall and colored lights were thrown on the tumbling water. The fleet in the harbor illuminated and the picture was one that will not be easily forgotten.

Handsomely gowned women crowded the house and the ballroom. In the afternoon launch and gig races entertained the fair visitors, and but for the trick of a practical joker every one would have thought it nice and cool. This flend held a lighted match under a thermometer and sent the mercury up until it registered 110 degrees. It stuck there all the afternoon, and the terrible heat was a topic of conversation with many who took a look at the thermometer.

THOMAS AND SHIELDS DROP \$25,000 ON THREE RACES.

Frank Farrell and Friends Clean Up With Monte Carlo and Flexion-Doc Streett Denies That He Will Train for the Keenes Next Year-Stewards Alert.

E. R. Thomas and his partner, Alexander Shields, did not enjoy success at Brighton yesterday, the combination losing, it is said, yesterday, the combination losing, it is said; \$25,000 on three of their horses, Stalwart St. Bellane and Palmbearer. Stalwart started in the first race. The layers put up 6 to 1 against him, and Thomas soon made his appearance in the ring with several per-spiring commissioners. They went up and down the line, getting down about \$12,000, it is stated, the odds falling to 18 to 5 But Stalwart did not finish in the money. Palmbearer opened at 3 to 5 in the third race, but the stable wager amounted to \$6,000, while A. B. Hudson and Charles Head Smith wag-ered \$10,000 more, the closing price being 13 to 20. St. Bellane carried the Thomas colors in the Sunshine Stakes, and all of \$6,000 was bet on him when the price had gone up

Frank Farrell has had some hard luck lately, but the tide turned for him when Monte Carlo and Flexion went over the plate successfully. Monte Carlo is owned by John McCue, Farrell's well known betting commissioner. Trainer Weir had the colt in superb shape, and as he had worked finely including many Tammany politicians, pro-ceeded to bet on Monte Carlo until they had backed him down from 30 to 1 to tens. Farrell won close to \$20,000 himself, while McCue had a good bet down, too. It was estimated that the books suffered to the exent of \$50,000 on the success of the Pontiac cost.

Weir also trains for John E. McDonald, whose colors were carried to the front in the second race by Tarpon, 20 to 1. McDonald is in Europe, and the colt ran practically unbacked, his success being a stunning surprise to Weir, another killer. Farrell had a heavy wager down at 15 to 1 and easily squared accounts with the layers.

James McCaffrey, the "Mush-a-Merry

Man," played Monte Carlo, Tarpon, Flexion and Hurst Park and quit \$13,000 winner on the day. He opened a quart of wine after Monte Carlo won, but was buying it by the bucket when Flexion scored.
The clubhouse played Sydney Paget's

Woodsaw in the Sunshine Stakes to the extent of \$7,500. Pasadena, the winner of the race, was backed by Frank Tyler, the "Humming Bird," who had \$1,000 each way at 5 to 1 and 8 to 5. L. V. Bell was credited with placing \$10,000 on Prince Salm Salm in the fifth race. It was also reported that he had a big bet on Belligerent, an added starter in the Sunshine. who seemed to be short of

Frank Hayes had \$8,000 on Hurst Park n the last race, while M. L. Hayman, betting for Senator McCarren, placed \$7,000 on The Cricket in the same race.

Regarding the persistent rumor that he would train the Keene horses next year, Doc

Streett said yesterday: "There is absolutely no truth in this story. Mr. Keene is highly satisfied with Jimmy Rowe's training and also believes that he is the best trainer of racehorses in America to-day. I shall have some of Mr. Keene's horses, as usual, on the Western circuit next

He said that 'Phil" was in the mountains for the summer out that his health was much improved and that he might be seen at Saratoga next month. It is reported that the steeplechase stewards have taken up the layers' sheets on the race distinct reversal in form was charged by many experts at the jumping game.

As August Belmont's regular trainer, John

Whalen, is busy breaking in yearlings at Nursery Stud, Jack Joyner has taken temporary charge of Mr. Belmont's Mizzen Magistrate, Lord of the Vale and Bridlepath John J. Hyland, in addition to training Fred Gebhard's horses, has four racers belonging to T. Hitchcock, Jr.

Lucien Lyne, who has been ill, was at the track yesterday, but he is not yet strong enough to resume saddle work. Odom, therefore, has been engaged to ride Waterboy this afternoon in the handicap.

John A. Drake's colors were carried in the ifth race by Dauphin, a four-year-old son of Henry of Navarre-Queen Isabella, who was purchased by John E. Madden some time ago. Dauphin was backed down to sevens and might have been in the money instead of a length outside of it if it had not been for the bumping and crowding which he ex-perienced soon after the start. Dan Connors, Mabon and Ailsa were all whispered good things in this race. Mabon had the Canadians Sullivans played Allan, who ran third. James McLaughlin won his first stake of the season when Pasadena came home with

the Sunshine.
Secretary John Boden, Jr., says that all attendance records have been broken at Brighton. Last year was a record breaker in this respect, but the figures do not com-pare with those of the present meeting. The racing at the Beach, too, has been of a much higher quality than ever before.

The glare of the sun is so great that it is almost impossible for the judges to distinguish the colors when the horses turn into the stretch these days. Stone Arabia ran in the name of the Man chester Stable, not the Manhattan Stable,

in the last race. Jack McGinnis played Austin Allen all three ways in the Sunshine Stakes.
Fred Calhoun cashed on Sonoma Belle and Pasadena.

F. R. Doctor's friends stood to win big F. R. Doctor's friends stood to win big money with Gotowin and Stamping Ground.

Remembering the coup with McChord, the smart men made Ed Alvey's Agnes Virginia, trained by "Brown Dick," a hot favorite in the second race. The filly is by Sir Dixon—Fair Penitent and is sure to be heard from.

Billy Oliver's Hawtrey was thought to be primed for a killing, and those who are generally in touch with this stable backed the Savile colt down to fifteens. Roundelay, a colt by Goldfinch—Harmony II., was another tip that drew enough support to reduce his

Cochran, is trained by her husband, and was ridden yesterday by their son, J. Cochran, the younger brother of-Harry, the jockey who was once the star rider of the Whitney stable. The little fellow handled the Belle like a veteran.

Bert £ olcomb made the 1,177 miles between the two cities in sixty-seven hours last September, and Mr. Ellis thinks he can do it in fifty-five hours. The route has been divided into ten sections and the car will pick up a new guide for each section, in order not to sacrifice time by losing the read, as Holcomb did.

Play in Invitation Tournament of Sea bright Tennis and Cricket Club. On the courts of the Seabright Tennis and Cricket Club play was begun yesterday in the invitation lawn tennis tourney with men's singles and men's doubles as the events. The singles is a "love and quit" affair with eight entrants in the list, W. A. Larned, Richard Stevens, R. Huntington, E. B. Dewhurst, W. J. Clothier, E. W. Leonard, F. P. Alexander and R. D. Little. The winner plays Beals C. Wright, the present holder of the challenge cup presented last summer by Mrs. Fritz Achells which must be won three times before it is permanently awarded. W. A. Larned and Beals C. Wright, the Wrenn Brothers, W. J. Clothier and E. W. Leonard, and J. D. Forbes and R. Fincke are the teams

All the matches on yesterday's calendar were won in straight sets, ex-Champion Larned defeating F. B. Alexander, Richard Stevens winning from Raymond D. Little, and the Wrenn brothers beating W. A. Cloth-ier and Edgar Leonard. Against the exchampion Alexander tried hard for the sec set, the score going twice to deuce. Larned kept a bit in the lead, however, and by clever cross court drives won out. The points on the last set were very close, Alexander weak-ening after six all was reached. On the opening set the veteran Richard Stevens used the base line style of play

with telling effect against Little, the latter taking but one game. Aggressive work by Little made the second set a rattling one Stevens finally landing the points at 9-7 Stevens finally landing the points at 9—7. The superior steadiness of Stevens was responsible for his victory.

By fast team play the Wrenn brothers disposed of Clothier and Leonard, a deuce score on the second set making the close a bit exciting. The Wrenns had the match well in hand, however, and were considered safe winners from the start.

MONTE CARLO TROTS FAST. Matinee Champion Shakes 2:08 in Trial at Empire City Track.

Those who tarried on the porch of the clubhouse at Empire track yesterday saw Monte Carlo, 2:07¼, trot the fastest mile trotted over the track this year aside from his own unequalled performances in the matinee contests. The day was so hot that Mr. Ives decided before reaching the track not to send his champion a mile faster than about 2:11. He explained later that the horse was so anxious for a free rein that he could not resist the temptation to let him have his

After three slow warming miles, the fastest in 2:19%, the matinee champion was sent away for the fourth at a moderate gait, the first furlong being trotted in 0:18, a 2:24 gait. Then the pace quickened, and the quarter pole was reached in 0:34 and the half in 1:05. This rate

the middle half in 1:02. From this point he finished in easy fashion, going entirely on his courage. One watch marked 2:08, another 2:08% and the watch Mr. Ives carried showed 2:08%. It was a most creditable performance, without even a runner to set the pace.
Unfortunately, Nora McKinney, 2:12%, stepped on a nall between the track and the stable after her first slow mile and her work had to be postponed. Owing to the extreme heat there were not many sensational performances. J. C. Curry drove Prince Alert an evenly rated mile in 2:10, but he sent the champion the last furlong in 0:12%, a 1:42 clip. Curry drove F. G. Schmidt's Prince Greenlander, 2:08% a mile in 2:11% with the last half mile in 1:03%. Florence Wilton, the unmarked pacer, was sent an easy mile, with the last half in 1:02. Thomas Lynch drove his matinee winning trotter Albert C. a mile in 2:18%, the last half in 1:05%.

NEW YORK AMERICANS WIN ELEVEN INNING GAME.

Detroits in Front Up to the Ninth—Dough-erty Does Good Work With the Stick -Clevelands, Chicagos and St. Louis Defeat Their Respective Opponents

The New York Americans in beating Detroit yesterday won their third extra inning game within a week. The Clevelands halted the Bostons, St. Louis shut out Philadelphia and Chicago downed the tailenders. Small scoring was the order of the day. The results: New York, 2; Detroit, 1. Cleveland, 3; Boston, 1.

NEW YORK (A. L.), 2; DETROIT, 1. It took the New York Americans a long time to break open the strong box of Donovan's effectiveness yesterday, but they kept a stiff upper lip all the time and being resolute won an eleven-inning game. Donovan had speed as scorching as the weather, and the New Yorks did not get a hit off him until the eighth inning and did not score until the ninth. Kleinow was the first to solve the Donovan enigma. Chesbro, too pitched in telling style, and,

Chesbro, too pitched in telling style, and, unlike Donovan, grew better with each succeeding inning. No hits were bunched on him, whereas the new Yorks made five hits in the last three innings. The home team was wideawake to make the most of chances, and this helped them topple over the Tigers. Dougherty and Anderson were especially conspicuous in New York's run getting, and Osteen played well at third base. Fultz was ill and out of the game. Conroy going to centre field. Ganzel's injured wrist pained him to such an extent that he was compelled to abdicate in favor of Mctiuire. A base on balls, was the first fourth of Detroit's only run. McIntyre was the beneficiary. Kleinow had him caught napping with a quick throw, but Ganzel let the ball get by and McIntyre ran to third. Crawford brought him in with an ugly smash past Elberfeld. Lowe hit hard, but Chesbro made a good stop and Crawford and Lowe were extinguished by a double play.

Dougherty reached first on Carr's muff in the first inning, but was left, and no New Yorker saw first again until a base on balls put Kleinow there in the fifth. Donovan struck the side out in the second. After Kleinow's hit in the eighth he was doubled on McGuire's hot one to O'Leary.

Chesbro began the ninth by fanning the heatladen atmosphere. Dougherty sent a swift smash to right and by splendid running stretched the hit into a double. He went to third on Williams's out at first. With two out Anderson crashed a corker between O'Leary and Robinson and Dougherty, scampered home. The rooters yelled and waved coats and hats in appreciation of the New York's brace in the last ditch.

Not a man on either side reached first in the tenth. Barrett and McIntyre's hit the ball hard for Detroit in the eleventh, but Anderson was playing just right for Barrett, and Dougherty made a fine catch of McIntyre's liner. Osteen began New York's half of the eleventh with a single over O'Leary's head. Chesbro made one ludicrous effort to bunt, going at a ball parallel with his eyebrows, then bunted bun

National A. C. on Monday night. Murphy met Kid Locke of Philadelphia and although the bout went the limit and there was no decision, Murphy would have been entitled to the verdict if there had been any. The contest was full of action and interesting enough to keep the large crowd on hand busy cheering from the start.

Although Murphy had the worst of the weight by at least eight pounds, he did all of the work and got to his opponent's body without much trouble. In the third, Locke took the initiative and swung viciously. Had Murphy not been clever he probably would have been badly thrashed. But he got away from Locke's lunges and hit back with effect himself. In the fourth, Murphy grew careless and received an ugly right hand punch on the jaw. The New Yorker was up smartly, and in the final rounds more than held his own. The sixth round was a whirlwind affair. The lads battered each other all over the ring. Murphy seemed to be the fresher of the two at the finish. met Kid Locke of Philadelphia and although

Bryn Mawr's Second Polo Team Surprises Rockaway.

CEDARHURST, L. I., July 19 .- Bryn Mawr's second polo team from Philadelphia defeated the crack Rockaway first team in the third game for the home club cups to-day by the score of 13½ goals to 6½. Allowed three goals by handicap, the Fox Hunters from Bryn Mawr put up such a stiff game that the Rockaway four were outriden and outplayed, man for man, as they have seldom been this year. The Quaker City men lost half a goal by penalties and the Rockaways one-quarter of a goal. There was a large attendance and great surprise at the result.
