ROOSEVELT ARGUES FOR MORE JUSTICE

Says Voters Should Pass on Statutes Annulled by the Courts.

CRITICISED LIKE LINCOLN

Believes People Should Declare What Is the Law of the Land.

In continuing his argument in Collier's Weekly, out to-day, for a "campaign for justice in the courts" Col.
Theodore Roosevelt takes the position that "industrial legislation held by the courts to be unconstitutional should be submitted to the people at the next election, just as a constitutional amendment is now submitted."

After references to the case of "Sarah Knisley's arm" and three other suits involving human suffering and further which he owes to the State.

to day discussed the situation Gen. Sickles is involved worth more to me than all the gold in the world.

and hear your voice, and above all to bear your words, and above all to bear your say "I love you." That was worth more to me than all the gold in the world. tory of these cases prominent, the Colonel declares that "corporation lawyers and chiefs of the great corporations whom they serve are not men whose judgment is of special value, or of even average value, in selecting Judges." "It is the right of the people," he

says, "to decide what the standard of social and industrial justice shall be and it is not the right of a small number of well meaning men belonging to one particular class to override that "I firmly believe that on the whole

is far more apt to be right than is the vote of this small number of men chosen from one particular class." Col. Roosevelt quotes from Douglas's reply to Abraham Lincoln's demand that the Dred Scott decision should be reversed, and declares that the language of those who denounced Lincoin

the State, and in fact I can the State also the work which the State also could provided for."

This is the answer made by "Blanche":

My Dear General. You were right when you told me I had changed. I have always been truntful and candid with. I look at things in a different way and \$100 by check, which was all \$100 by check, which was with a request that it be yable to the Sickles fund.

I have been so deceived in you. It must be an illusion, a dream.

Our proposal is for the very purpose of averting all danger of an appeal to the mob—the appeal which Lincoin's opponents furtiously accused him of making, and which our opponents accuse us of making. Our proposal is that in great making our proposal is that in great making. Our proposal is that in great making our proposal i He continues:

The Colonel says that he knows many

Judges of the highest stamp sympathize with the stand of the Progressive party for social and industrial justice. In advocating the amendment to State Constitutions so as to provide that OF SCHOOL BOARD the voters may pass on the question of having annulled statutes become laws Mr. Roosevelt says:

"I care nothing for the form and nent made by Stanton Sickles. It temptible of him to say what he his father did not help me get. His Election Next Monday to less for the name of the remedy, provided that it does in actual fact remedy

campaign and its details and wishing and England were substantially correct. box \$50,000. If by that date the same sources shall give another \$125,000 the same strong box will bring forth ancorp. N. H., Jan. 28.—Henry F. other \$50,000. That is, if Baptists will sponsible for the rise on the price and properties candidate for United Eve a total of \$250,000 over and above legislation could not affect that were scattered. It requires 203 votes to and it was said yesterday there is little chance of getting the time extended.

The Baptists have three large societies: The Home Mission, with headquarters here; the Foreign, in Boston, to release the veteran from schools should be restored and the suof the State would be raised perintendents should be brought into railroad. In brief, every commodity shows offered checks for close touch with the former.

To other freight business done by a railroad. In brief, every commodity shows offered checks for close touch with the former. Baptists have led almost all others in unifying their benevolent business, and in this advance the wishes of the Rockefellers, father and son, have been SANTA FE, New Mexico, Jan. 28.— Rockefellers, father and son, nave been inited States Senator A. B. Fall was relected by the two houses of the New offer Prof. Matthews, the chairman,

"Our committee interprets this gift of Mr. Rockefeller not as a mere debt raising expedient, but as an incentive to raise the base line of Baptists' giving toward the \$3,000,000 a year goal. Baptists now stand face to face with one of those great opportunities which they have repeatedly met in the past. We must as Baptists make our contribution to the progress of the Gospel and the transformation of the social order."

The fiscal year of the Baptist socie ties ends on April 1, and this is why the limit is placed on that date. It was said by Baptists yesterday that the Rockefeller conditions will be met. Wheels were started at once all over the country to that end.
