AROUSE!

Fillow Citizers:—
The black republican party are rushing us into all the horrors of city war; they are rousing to give the South her just rights under the CONSTITCTION, setting up the CHICAGO PLATFORM instead of the SUPREME COURT as its propar interpretation, thus overthrowing the CONSTITUTION and the UNION at one blow. Let those, therefore, who produce the wealth of the country in time of peace, and who fight her before their liberties are overthroused. The working men arouse before their liberties are overthroused to the wealth of the country in time of peace, and who fight her before their liberties are overthroused. The before their liberties are overthrough the before their liberties are overthrough and CIVIL WAR, and in favor of preserving the constitution and the Union as our fathers formed it, speak.
