Without the inshin of you have given, the Court does not know the great number of white coats, which, but it may require you to enter a recognison tor your own individual loyalty. generate, by their extraordinary out, into a

After a short pause, and something of a with his feet on his deak, not the least hit of revolver, and I have looked in value touches.

The Stave Questics.

The Government caunot be oblivious to the difficulties that surround this question as requires the slaves themselves. It will be a miniske to underste their intelligence, or to tempt them to excesse by any vaccilia ing policy. It is by no means improbable that the fevernment will have to take under its as to what is good and great in this country.

What HR THERES OF AMERICA. naser and good behavior large numbers | Liecture to you that, arrived in America mancipaced by the Act of Confiscation — said preposessions extramely favorable to the eminicipated by the Act of Confiscation —
This number may be much larger than is now apprehended. As the law now stands the bribs of emancipation is, curiously enough, offered to all those who will take up send those preparations, at sight of these mongh, offered to all those who will take up send about robullon. A law bas only to perstand about robullon. A law bas only to perstand the magnificant with the continuous continuous to manner the magnificant where everything has dimensions unknown to the Old World. unknown to the Old World.

It was ter to permit him to dig in a trench of follow a camp in any menial service, under the formal in the United States that which depictes while the large of many, and he becomes, specification for the states of the love of many, and he becomes, specification for the states and is competited by citic cumstances, or contrices to avoid giving aid to the receillant, is to be continued a slave—

It is a premium on insurrection; a reward for alding our enemies; a direct incentive to childs invose.

I have found in the United States that which a law is despited in the United in the President's modification of the General's proclamation of freedom to the alaves, but congruntate the friends of civil liberty throughout the world that the bondom of all Missourians in arms against the Union, between the dates of Gen. Freedom to the continued of the General's proclamation of for aiding our enemies; a direct iscantive to do us harm, that we may do them good; an argument for pushing rebellion to extremities, the force of which will not be lest upon slaves who, they will believe, are, in any to their most immediate and most imperious event, to be the gainers. The fact will be a contract to their most immediate and most imperious event, to be the gainers. The fact will be pointed at in history as a curious syldence into a war in which they have but one end, of our radiousl iorgetiulness, of the fact that of vindicating the honor of the flag of that a black mut is a sentient being. If common country, which they believe to emancipation is a boon at all, it would seem that if should have been offered to these who what I have what I am very happy to say do not, rather than those who do aid and to repart, and abet the insorrection. It may be that Gea. Frement's method of dealing with the question will be found after all which America beats with her will give the wiser, and that both loyalists and robets her strength to surmount it. Soon you will will be bound most readily to obedience by see this country greater, more full of future, being taught that the only tenure by which than ever.

Tim Emperor and Empress of Evrale. Though a professed admirer of the Great Aposise of Respectation, Alexander II,
I must confess that the save "shabby" will
only convey in idea of his appearance. He
was sested in an open "farsatiasse," or
traveling carriage, draws by four horses
(abress) with two leaders. He was
wrapped in a long gray sufficient control on account of a wound in the foot, was grantor traveling carriage, draws by four horses
(abress) with two leaders. He was
under officer in the army. He isoked very
absorpt and army mand of this fine regiment, which thanks to
his skill and talents, is now one of the best.

This Afternoon's Beport.

Colonel Seneca G. Simmons entered the
horse years ago, from
KENTUCKY NEWS.

Louisving Sept. 21.

It is rumored that Buckner has afranced
on Elisabethtown, but it cannot be confirmand of this fine regiment, which thanks to
this skill and talents, is now one of the best.

The following proclamation is just issued.

M. Y. Pribuse; UNL KUH

affair from the autocrat, Alexander II., as threw them into a bellow square four deep, endeavored to make your gallant State a he appears in pictures and in the mind's to resist tavalry, in fewer seconds than it fortress, in which under the guise of reverse takes to write this sentence. Besides many traity, the armed forces of the United States The people obsered moderately, and the Crar usknowledged the appliance by larily touching his cap with the right hand. See minutes minutes, as looked and terrific that if looked so sleepy and hungry that I would it had not seep them, I would have pilled him, were it not that I know there were nine thousand instead of nine there was a good broatfast awaiting him at the Kremilin Palice.

At these the write this sentence Besides many of their sentence Besides many of the remove the remove the many of the remove the remove many of the remove

A besulful woman, in my opinion, is this Empress of Russia. Tall and slender A besulful woman, in my opinion, is this Empress of Russia. Tall and slender as all the sends from heaven had fell, and called J. Davis down to hell. The Orientals are not so hoolish, after all, in form, with a long oval face, a high ine includes a long oval face, a high ine includes a long oval face, a high ine includes a long oval face, a line in the Orientals are not so hoolish, after all, when they attempt to frighten their foce with a great noise. It Governor Wise had heard that yell, he would have been running yet. Your Musband, the Apostle of Emanalpation, the nohiest memarch in thought or deed now living—is it because he allows himself to be debased by the wine curp, and makes be debased by the wine cup, and makes of vessels which left Milwankee and Chica-his Empress know the bitterness of wos which a drunkard's wife always must ex-

CALIFORNIA ELECTION RETURNS. Election of the Republican Ticket. Description of the Situation of Lexington.

This Morning's Report.

MINSOURI NEWS. Јигильов Стт, берт, 20. At headquarters Mulligan's force is sup posed to be 8 500, commisting of an Irish brigade, Col. Mutligan, 900, Col. Marshal's Illinois cavalry, 600, a Kansas regiment number not known, 500 home guards, three

6-pounders, one howitser and two mortars. Federal scouts in report the firing at Lexington still going on Wednesday evening The rebels are said to have no shells, schrapnel or cannister; nothing but round

entrenchments, requiring much care to prevent a stampede.

Special to St. Louis Democrat: Jeff. C. Davis, commanding here, receiv-ed his appointment as Brigadier General

to-day.

Gen. Lane is reported to have formed a notion with Lexington with 4,000 men. Beinforcements from St. Joe are also re-ported to have reached that place, and Lexington is now considered safe.

Price will undoubtedly be surrounded

It is feared that the reinforcements sent from here have not yet reached Lexington, as heavy batteries are planted at Glasgow by the rebels, and our troops will have to disembark below the town and attack them

in the rear. Kassas Crrr, Sept. 19. Fifteen hundred men, under Cot. Smith, overtook 3,000 Secessionists as they were crossing the river at Blue Mill's Landing, on the 17th inst. They completely routed them, killing from one hundred and fifty to two hundred, and took twelve prisoners. The federal loss is fifty killed, and

The Federals fought them two hours, when the Secondoniets drove them back into their entrenchments, carrying every-thing before them. The frish Brigade then came out and charged them at the point of the bayouet, scattering the rebels every-

Price was to attack them again this morning, with seventeen pieces of artillery. No statement of the loss on either side is

Sr. Joseph, Sept. 20. Telegraphic connection is once more reestablished. The line is working to Kansas City and to all points in Kansas and Nebrasks.

The Pacific Line is being pushed rapidly toward completion. When a gap of twenty miles is closed, which will be done within a week, we sha'l be able to work to within 250 miles of Great Salt Lake City. That portion of the line west of Salt Lake is also progressing rapidly from present appearances. The line will be finished to San Francisco by the 20th of November next.

FROM WASHINGTON. WARRINGTON, Sept. 20. The Germans of St. Louis sustain Gen Fremont. Their brothren in Illinois and

Indiana also sustain him, with the intelligent of the American Republicans Theysay that there is an incompatibility as between fire and water between war and the civil law, which seeks to protect those against whom the war is waged. They reprime. WHISH Y - Market quiet at its.

he claim of the President of the United States to declare martial law, to suspend the privileges of the writ of haveas corpus, and to convert every barrack and prison in

The Confederate States occupy Bowling Green as a defensive position. I renew Union Flaids, Broche Poplins. the pledges of the Commanders of other columns of Confederate troops to retire from the territory of Kentucky on the same conditions saich will govern their movements. I further give you my own assur-ance that the force under my command will be used as an aid to the government of Kentucky in carrying out the strict neu-trality desired by its people, whenever they undertake to enforce it against the two

beiligerents alike (Signed)
S.B. BUCKNER, Brigadier General, C. S. A. Bowling Green, Sept. 18, 1861. FROM MISSOURL

Sr. Louis, Sept. 21.
In order to correct confusion and many contradictory statements relative to the poaition of Lexingt n, and the opposing forces of Col. Mulligan and Gen. Price, it is deemed necessary to make the following explana-

shot and slugs.

Nearly three thousand Government
Lexington is from west to east, the city lying on the south bank. The early settle-The general direction of the Missouri at ment, now called Old Town, is situated back on the hill, and has been superceded by New Lexington, further up the river, where the steamboat landing is, and which is the main city. Mulligan's fortifications are on a ridge running at right angles with the river, between the two towns.— They surround the Masonic College Build-ings, standing about a quarter mule from the river, which has been used as a quarter for troops and strengthened to resist an ar-

tillery attack. The line of fortifications runs down to the river bluff, between which and the water's edge is a wide shelving beach.-This is the point where the conflict took place for possession of the Ferry boats The main body of Price's army is at Oldtown, but the fortifications have been as-sailed from all sides except the river. On Thursday of last week an attack was made frem Oldtown by a strong party of roving rebols, who were repulsed with considerable loss, and Oldtown shelled and burned, to prevent its being used as shelter. Lexington proper is in the possession of Price, but it has not been the theatre of the conflict.

twenty-five wounded.

Advices by private letter from Lexington to-day say Price attacked the Federals at ten o'clock yesterday morning, with a ten o'clock yesterday morning, with a same ten o'clock yesterday morning, with a ten o'clock yesterday morning, with a ten o'clock yesterday morning, with a ten o'clock yesterday morning with a ten o'clock yesterday morning. These troops could doubtless have been land-Wednesday, if they were not samiled by batteries along the shore, must have reached the neighborhood of Lexington yesterday. These troops could doubtless have been landed on the south side of the river on the steamers used to terry Gen. Starges command across, and the combined forces, numbering about 12,000, will march on Lexington, and with the assistance of Mulligan's heroes and Gen. Lane's command, will attack and completely rout Price's whole army.
