companies in its columns, that you speak of the credulous being taken in by them. This reminds me of a little incident that occurred last winter. A gentleman from New York wished to invest in some oil stock. He inquired of a Clevelander, whom he supposed to be an honorable man, for the best company to buy in. He was recommended to invest in Liverpool stock. He was referred to the lying statement made in the Heraid in regard to the producing character of the Liverpool well, which statement was editorially guaranteed by the Heraid to be correct. The New Yorker was thus hoodwinked into buying stock at 250 of the Clevelander alluded to, who was a member of the Liverpool Company. After the slock of the Company was disposed of through the aid of the lying report of the Heraid, we all know how quick the Cempany exploded—nothing was left but an unfinished dry well and a drilling machine.

The accret of the success of the company situation of the fall on the opposite curve was barely relieved from the daraness which near which the spectators were grouped in sitting or standing postures, was in complete from New York wished to invest in some

forencon were the University and several of the principal churches. Michigan ayenu was traveled over, and admired for its beauty. In this connection it might be well to say that the gentlemen having the party in charge would have created a much better impression with their guests had they better impression with their guests had they better impression with their guests had they refrained from the characteristic b sating of the trial of Wirz, that Mr. Ambtone Spencer appeared as a witness against the defendant, and knowing his testimony from the capitals and cities of Europe that the organ in St. Paul's church in Chicago was the finest and Michigan avenue the

AT THE THEATRE. In the evening they visited the theatre and witnessed the performance of Hamlet, the principal character of which was susthe principal character of which was had tained by L. P. Barrett. Three boxes had been provided for the distinguished speciators, who were greatly surprised to find so handsome and commoditus a place of amusement nearly a thousand miles west of the Atlantic coast. They were, moreover, much pleased with the manner in which Mr. Barrett's rendition of his very difficult character. It had been arranged by some to attend the concert at St. Paul's church of George W. Morgan, the organist of Grace church, New York, who met with some cld friends among the Englishmen; but the project was not carried out, owing to the

prior engagement for the theatre.

At the close of the second set the party returned to the hotel, where they took car riages and proceeded to the house of Mr Wilson, to participate in a soirce dansante. The affair was a decided success, and gave the European gentlemen an opportunity of seeing the beauty, fashion and wealth of Chicago. A 'sliver' and a 'tin' weeding were respectively attended before their re-turn to the hotel this morning, at an hour which precluded the possibility of any lengthened slumber ero their departure from the city.

DEPARTURE FOR TOLKIO. Accordingly the party embarked at six this morning on a special train provided by this read, consisting of a baggage car, Winder's language on that occasion was utterly unfit to be repeated in the presence of ladies; but the meaning was that he could very easily make loyal women of them by putting them in a certain condition; in a sussequent conversation with B. B. Winder, Lieutenant Beed and Captain B. Wilse Reed observed that if General Oldershaw, Miss Coolbaugh, Miss Hoge saloon car and an ordinary passenger coach. The saloon car was set apart for and Mrs. McGinnis.

the excursion to its termination, gentlemen are Captain Judkins, of the Scotis; Mr. Hall, of Liverpool; Hon. Ar-thur Kinnaird and son, and Mr. Bevan, of

distance of two hundred and forty four

milef in seven hours. The Buffalo Courier of Saturday gives the following account of the proceedings of the party

AT BIAGARA FALLS. The English capitalists after dinner at Nisgara (U. W.) yesterday afternoon, came Nisgara (C. W) yesterday atternoon, came further up, to the International Hotel, where they remained during the night. A large number or to be and complemen from this city went down to the Felson the 6:35 r m train, all of them to see the

a drilling machine.

The secret of the success of the company in selling the worthless stock is this: They gave one of the editors of the Herald five hundred dollars in stocks for recommending the people to invest with the Liverpool Company.

Bear which the spectators were grouped must be added to the sightseers themselves, and but a single stresk of light, coming from Table Rock to Prospect Point, and reflected in the river, illumined the gorge below. Everywhere alse was darkness, if pool Company.

I am credibly informed that as high as the country of the editors of that radiant, its rooms being all lighted and its radiant, its rooms being all lighted and its radiant that the country of the count paper by Pennsylvania companies for publishing letters which recommended their constitution of the Book, and wells, which letters appeared in the Herman constitution of the state of the s wells, which letters appeared in the Heraid, and were republished in a pamphiet
form by its author, Mr. Bone.

I mention this as a mere matter of justice
to the public, and to show what credit can
properly be given to any statement that

O'L NEWS.

A Great bil Purchase. [From the Chicago Tribune, tept mber 23.] took place in San Francisco, August 17th,
The sickets of invitation, in English, were
in the usual form, and were signed in behait of Chul Sing Tong, President of the
Sap Yap company; Kning Fong, President of the Young Wo company; Ting
Sang, President of the See Yap comoany;
Wes Nga, President of the Ning Young
company; Ghee Shum, President of the
Hop Wo company; Mun Knac, President
of the Yan Wo company, and by the committee of arrangements Representatives
of the leading Chinese mercantile houses
were present. The guests were received
by the six Presidents. Among the numerous oil properties and expectations, still in the future as to substantial realization, it is gratifying to publish a solid oil fact, and congratulate all who set it down to their profit.

TEFF. DAVIS HAS BEEN CAUGHT. The war is now about payed out,
Great changes have been wrought,
Our gallant boys are coming home;
Jeff Davis has been event.
Human i mumal now hong your banners out,
Human i human is to all the people shout.
The way the recei chief was caught
is laughable indeed;
He tried to can in postforate,
But he did not succeed
Human i huma i bang all your banners out,
Jeff Davis has been caught, let every one now
shout.

Jeff Davis has been caught, lot svery one now showt.

Our boys did think it very strangs,
A woman should retreet.
With a great bowis-kuile in hand,
Until they saw his feet.
Human is busish our boys have got good seems;
"Twirt gaiter shoes and story boots they know the difference.
Ob, crincions, we think you fine,
For you would not conceal.
The flying robes President,
Whoch he did show his had.
Human I human i there's nothing half so fine. Husna | husna | there's nothing balf so fine To show a foot and ankle off, like well raise

To snow a root and anter ou, her was raised orisedine.

Your days are numbered new, old Jeff,
You sursty cannot hope,
Or have a better end in view,
Than the set of a storit rape.
