The Fire Fighters Say "Thank You"

To the Business People in our area whose great generosity has made this affair the financial success that it already is. Their names appear on these pages. Turn the page for more. We wish to acknowledge the kindness of all anonymous contributors, too. Also to all those who purchased tickets and who we are sure will enjoy a social evening they'll remember for a long time. We're doing everything humanly possible to make sure you will have a good time.
