Lions Fund Raising Is Saturday

The East Cleveland Lions Club fund raising project for this year will get underway Saturday and everyone should really "clean-up."

The Lions will be assisted by Rainbow Girls, Girl Scouts, Boy Scouts and youth organizations from local churches in making a house to house canvass asking residents to purchase brooms and dust mops.

Time of the canvassing will be from 9 a.m. to 1 p.m.

The Lions Club was organized 35 years ago and during all of that time has rendered service in many lines not only to the people of East Cleveland but to citizens of Ohio and its helpful hand has reached beyond the seas.

Eyesight Main Interest

The prime field of interest of the club is rendering aid to those who have defective eyesight or who are blind. During the last few months the local group has furnished nearly a dozen pair of glasses to needy children and adults of East Cleveland.

More than that, the club made a sizeable donation to the Eye Research work that is carried on at Western Reserve University and Ohio State University.

This year the club has helped a needy family to meet its obligations, has contributed to the Y. Red Cross, United Appeal and other organizations.

At the present moment the club is planning a scholarship to be given to a student of Shaw High to help defray his expenses during his first year in college.

On an international basis the Lions Club of East Cleveland purchased a Cin-o-ram machine recently to be presented by the Lions Clubs of Guatemala to needy persons there.

Years of Assistance In other years the club has helped in equipping the eye clinic of Huron Road Hospital, purchased musical instruments for the Shaw Band, provided safety standards at our public schools, furnished Thanksgiving and Christmas dinners to many deserving families and had a part in equipping a mobile hospital unit in the Philippines.

The members of the club have done all of these things by reaching into their pockets for dollars and extracting pennies from the pockets of their friends through such activities as carnivals, concerts, sale of light bulbs and by broom sales.

DEAR DAD: You asked me to remind you to call Joanne at GL 1-4383 before 8 p.m. Tuesday night. You said something about taking one of those "Little Ads With Big Results" to sell the refrigerator, stove and washer.
