COME IN EARLY TO SALE.

Just because we are going to give the people 16 days on this bargain sale is no reason why you should wait for others to get in and get the pick. We are unboxing some special goods but most of the sale prices are given on goods that we bought for fall and winter trade. The fall was warm so long that we fell down on volume of sales and now see that we must throw these goods on the market and do so now, right at the beginning of the cold weather. All of January, February and March ahead in bitter cold weather. Take our hint and come early. We must sell \$10,000.00 worth of merchandise regardless of price.
