HOSKINGTON
From The Dispatch.

A. V. Wilson and family re-
turned the first of the year from
Miss Mattie of Hutchinson, to work for the John Gras-
Co., yesterday as dagmar-
or.

I. E. B. Wood failed to pay his own
again but still has a very sorry
usage which is to the effect that he
fall on the ice outside.

I. E. B. Wood painted the depot
yesterday and left it to his face
painted at his expense. He has
especially in his note. Mr. Wood
from his notice and just returned recently
Springfield, Mo., where he
work treatment.

I. E. B. Wood was informed that
company today settled the
his Water house near Galata, which burned Sat-
day. Mr. Wood is informed that
13 year old boy, Converse Gris-
around the barn, saving the
from the fireman by save-
ning the roof.

New Year’s day a fire alarm was
that the J. B. Logan
work was on fire. The blaze
observed by Miss Busey
was returning home and
the folks in the house did
not know of the fire until she
slid the alarm. The fire was in
the roof and it is hard to say just
expected as it was no country
close to the chimney. The
fire, however, is said to have
loss of about $1800, which
was caused by the storm.

On January the fourth the Fas-
present. The family held their
regular annual stockholders
Meeting, and at the close of the
