

TRADES COUNCIL

The Co-Operative Trades and Labor Council met Tuesday night in regular session. President Chas. Hosea presided, and thirty-three answered the roll call.

The minutes of the last meeting were read and approved.

The credentials of Scott Symes, to represent Carpenters' Union for a period of 18 months, and Roman Verden, to represent the Electrical Workers' Union for three months, were read, received and delegates seated.

A communication was read from the Neckwear Workers' Union, Local No. 14350 of St. Louis, Mo. They ask that all trades unionists purchase union-made neckwear, suspenders, belts, garters, arm bands and men's handkerchiefs. Several business cards were enclosed from the H. R. Webb Neckwear and Mfg. Co., of St. Louis, and manufacturers of the above union-made articles.

A communication was read from the Summit County Central Labor Union of Akron, Ohio. The communication states that for a number of years the organized labor movement in that city has been striving to organize the rubber industry. On June 20, 1933, the Summit County Central Labor Union inaugurated an extensive organizing campaign, and through several conferences with officials of the India Tire and Rubber Company, the management of the company, located at Mogadore, Ohio, a suburb of Akron, the management of the plant agreed to unionize 100 per cent, and notified their employees to join the Rubber Workers' Union. The labor movement in Akron is seeking the support of the entire labor movement to assist in this campaign. On Monday

the communication was received and ordered complied with.

Charles Nick, a representative of the Miners' Union of Pineville, Kentucky, submitted his credentials and was admitted to the meeting. After being allowed the floor, Bro. Nick told the delegates the conditions that now prevail among their members and families, who are blacklisted in Harlan and Bell counties. He appealed to the delegates for old clothing and shoes for the miners' families. On motion the request of Bro. Nick was ordered complied with and council will attend to the shipping of the goods.

Chas. Bales, salesman for Bonus Tobacco Co. of Cincinnati, Ohio, manufacturers of "Bonus" scrap tobacco, visited the labor temple before the meeting and presented President Charles Hosea with several packages of chewing tobacco which is union made. Bonus scrap chewing tobacco is a new product, and is being introduced in Hamilton by Bales.

The Hamilton bus drivers reported that a good deal of complaint is being made about routing and working conditions on the new system. The drivers report that they are compelled to eat their meals while on the run, and get no time off for eating. This, they say, is dangerous to the public and also to the passengers. Arrangements they also say can be made to give them a few minutes to eat their meals.

The stationary engineers reported that all of their members are working.

Machinists report all members working.

Milk and ice cream wagon drivers report conditions with the organization are in good shape, and members working on the same schedule. The three non-union concerns are still out.

Molders 283 reported that all members are working. They want to hold

two meetings per month instead of one, and on the 1st and 3rd Saturdays. The trustees were instructed to make the necessary arrangements.

Musicians report that they are continuing their campaign to unionize the non-union musicians. The lady band continues to be non-union.

MONKEYS PLAN ANNUAL PICNIC

A committee has been appointed by the Monkey Mutual Aid Society No. 1, to make the necessary arrangements for their annual picnic. The picnic will be held at White City Park south of Hamilton, on Sunday, August 27. Monkey picnics are always well attended by the members, their families and their friends.

The committee is now busily engaged in arranging some interesting amusements.

The committee on arrangements is as follows:

Fred Held, chairman.
George Fink, secretary.
John Zimmers, treasurer.
Mark Schawe.
Philip Lentz.
Carl Gradolph.
Cliff Gradolph.
Wm. Bisdorf.

Announcement of amusements and entertaining features of the outing will be made later.

COUNTY PICNIC NEXT WEDNESDAY

Committee members of the county granges and farm bureau are making elaborate plans for the annual county picnic to be held this year, morning and afternoon, August 16, at Le-Sourdsville. There will be recreation for young and old alike and everybody is invited to attend.

Members of the committee, headed by R. T. Brown, are Mrs. Walter Ralston, Mrs. John McGreevey, Mrs. Ben Van Gordon, Carl Engel, Harry Kolb, Edwin Vizedom, Mrs. S. L. Graves, Frank Marts and William Shollenbarger.

COUNCIL CHANGES PLUMBERS' CODE

At the last meeting, city council passed an ordinance amending several sections of the present municipal code relating to plumbers and sewer builders.

These amendments include raising of the license fees for master plumbers from \$5 a year to \$25 a year, and several other minor changes.

PATER TREASURER STATE EAGLES

Hamilton members of the local lodge of Eagles and their ladies who were in Cleveland attending the conventions of the grand aerie and state aerie, which closed their sessions Sunday and Monday of this week, respectively, returned Monday and Tuesday. The delegates reported both conventions the greatest in the history of the lodge.

The Hamilton delegation was much pleased at the honor conferred on one of their members, Judge Alphonse J. Pater, who was named treasurer of the state aerie.

Those attending from Hamilton were:

M. O. Burns, past grand worthy president; Mr. and Mrs. Harry Heterich, Mr. and Mrs. Charles P. Berk, Mr. and Mrs. John F. Doelman and family, Charles Schlichte, Ben Hilbert, Judge A. J. Pater and George Brandhoff.

TAX COLLECTIONS EXTENDED

Butler county treasurer, Joseph H. DuBois, announced this week that the state tax commission has granted a further and final 10 days' extension of the period for collection of real estate taxes.

The county commissioners had extended the time for tax collections to July 20, and a previous appeal to the state commission gave property owners until August 10, without penalty.

The announcement Monday extends this collection period to August 20.

MRS. MOZART OPENS ESTABLISHMENT

A new establishment of much interest to the ladies of Hamilton has just been opened at 1207 High street and will specialize in dressmaking, tailoring, remodeling and relining. Fur coats will be remodeled and there will be specializing for stout figures. This new establishment will be conducted by Mrs. Mozart, who comes direct to Hamilton from Hollywood, California, where she has had much experience in her line of work among the fashionables there. Mrs. Mozart extends a most cordial invitation to the ladies of Hamilton to visit her and get her prices, and any information they may seek.

UNION TIRES

The India Tire and Rubber Company of Mogadore, Ohio, a suburb of Akron, has signed agreements with the Rubber Workers' Union, and are 100 per cent unionized. The Central Tire Company, Central avenue and Chestnut street, Senger Bros., proprietors, are the Hamilton India Tire dealers. Trades unionists needing new tires should look into the new union-made product.

LABOR TEMPLE IS BEING REPAIRED

Carpenters, plumbers, plasterers, electrical workers and painters have volunteered to repair some parts of the labor temple, which has long been sadly needed. Much of this work has already been done, and in a few days a big change will be noticed in the building. All of the supplies have been donated by local dealers and their names will be published later.

\$10,000,000 Job Relief Fund Asked in Colorado Assembly

Denver.—A \$10,000,000 bond issue "to allay distress and unemployment" and "prevent social upheaval and insurrection" in Colorado was provided in the first house measure introduced in an extraordinary session of the general assembly which convened here.

Receipts from sale of the bonds authorized by the bill would go into the Colorado unemployment relief fund, which the feature would create. The bill provides \$2,000,000 for direct relief and \$5,250,000 for highways. The remainder would go to construction of a state hospital and to municipalities.

HELP THE MINERS

Thousands of miners and their families down in Harlan and Bell counties, Kentucky, are without food and clothing. The miners are blacklisted by the coal operators and conditions are reported as terrible. No food, no clothing and no caskets in which to

bury their dead. That is the report of Charles Nick, who is in Hamilton addressing the different labor unions and appealing for old cast-off clothing. Anyone having clothing that they can spare are requested to bring them to the labor temple, and the central body will see that the goods are packed and sent to the miners and their families. Children's clothing is very much in demand. Give what you can and do it now. Winter will be here soon and the miners and their children should be protected.

LABOR DAY PICNIC COMMITTEE

Following is the personnel of the Hamilton 1933 Labor Day celebration committee:

Charles, Hosea, chairman.
Mabel Warren, secretary.
Chas. Chapen, treasurer.
Grounds—Chas. Chapen and members of Carpenters' Union.
Advertising, Big Wheel, Fireworks and Concessions—Stanley Ogg and Edw. Weiss.

Candy Wheel—Chas. Butts and members of Stationary Engineers' Union.

Ice Cream—E. Nicholas and members of Plumbers' Union.

Country Store—Charles Baynes, Robert Service and members of Machinists' Union.

Lunch—Mrs. Lottie Rosson and members of Women's Union Label League.

Korno—Otwell Condon and members of Milk Wagon Drivers' Union.

Dance—Ike Jarrett and members of Stage Employees' Union.

Soft Drinks—Chas. Mignery and members of Molders' Union 68.

The auto committee will be appointed at the next meeting.

JUMP MEMBERSHIP IN UNION DRIVE

New York City (ILNS)—To enable garment workers to obtain the full benefits to which they are entitled under the national industrial recovery act, the United Garment Workers of America is carrying on an intensive organization campaign which has already brought splendid results.

The organization drive has been one of the most successful ever conducted by the union, and has resulted in the chartering of ten new local unions, and large increases in the membership of practically every local within the jurisdiction of the organization.

"In the school of experience you don't get a sheepskin; you grow your own to replace the fragments removed."

LABOR DAY COMMITTEE

Reports from the sub-committees of the Labor Day picnic, everything will be in readiness on September 3. Several communications were read concerning amusements and concessions. The committee will meet again next Tuesday night.

E. C. MEETING TO BE HELD LATER DATE

Washington, D. C. (ILNS)—Meeting at the A. F. of L. executive council, scheduled to have been held at Atlantic City, August 8, has been postponed to September 5, without specifying the place of meeting. Best available information is that the meeting will be held in Washington, due to the fact that the recovery administration is demanding the almost constant presence of many labor officials in Washington.

Money More Plentiful As First Code Wages Are Paid

Charlotte, N. C. (ILNS)—First payments to mill workers under the cotton textile industry's code is making money more plentiful in Carolina mill towns and is increasing retail store business.

The code went into effect July 17 but virtually all mills in this section hold back a week's pay, so the first payments under the code were not made until July 29.

Thousands of workers received increased wages to conform with the minimum scale of \$12 for a 40-hour week, while skilled workers in a number of mills are reported to have been paid varying increases.

Hamilton Ordinances

ORDINANCE No. 3374

An Ordinance to make supplemental appropriations for the purpose of paying the cost and expense of preparing preliminary plans and specifications for the erecting of a new Municipal City Hall Building in the City of Hamilton, Ohio.

BE IT ORDAINED by the Council of the City of Hamilton, Ohio:

Section I: That for the purpose of paying part of the cost and expense of preparing preliminary plans and specifications for the erecting of a new municipal city hall building in the City of Hamilton, Ohio, the following sums be and the same are hereby supplementally appropriated for such purpose from revenues of the electric light fund, water works fund and gas works fund, as follows:

Item 911.14 \$375.00
Item 1012.7 375.00
Item 505.5 375.00

Section II: That the Director of Finance be and he is hereby authorized to draw his warrants upon the Treasurer of the City of Hamilton, Ohio, for the amounts appropriated in this ordinance in accordance with the provisions of the Charter of the City of Hamilton, Ohio.

Passed: August 2, 1933. R. H. BURKE, Mayor.
Attest: ADELE EDMONDS, Clerk of Council.

August 11—11

ORDINANCE No. 3372

Authorizing the City Manager to enter into a contract with the Froehlich & Emery Engineering Company, Toledo, Ohio, for the furnishing of the necessary engineering services in connection with the enlargement, improvement and construction of the electric distribution system of the City of Hamilton, Ohio.

BE IT ORDAINED by the Council of the City of Hamilton, Ohio:

Section I: That the City Manager be and he is hereby authorized and directed to enter into a contract and employ The Froehlich & Emery Engineering Company, of Toledo, Ohio, to furnish the necessary engineering services in the preparation of plans and specifications for the purchase and installation in the City of Hamilton, Ohio, including supervision thereof, of certain improvements and betterments in the distribution system of the municipal electric plant. Such improvement shall include the necessary indoor switching and regulating equipment, necessary buildings for Substation No. 1, and necessary transforming and regulating equipment for street lighting circuits now located in the old power plant on North Third street; the necessary materials and equipment for transmission circuits; the necessary substation materials, distributing and voltage regulating substation equipment and materials; and necessary materials and equipment for distributing circuits.

Section II: That the compensation of The Froehlich & Emery Engineering Company shall be seven (7) per cent of the total cost of the improvement.

Section III: That for the purpose of paying the cost and expense provided for in said contract that there be and is hereby appropriated for that purpose out of the moneys heretofore appropriated a sufficient sum of money to pay said seven (7) per cent of the total cost of the improvement.

Section IV: This ordinance shall take effect and be in full force and effect from and after the earliest period allowed by the Charter of the City of Hamilton, Ohio.

Passed: August 2, 1933. R. H. BURKE, Mayor.
Attest: ADELE EDMONDS, Clerk of Council.

August 11—11

ORDINANCE No. 3373
Authorizing and directing the City Manager to employ Architects to prepare preliminary plans and specifications for the erection of a new Municipal City Hall Building in the City of Hamilton, Ohio.

BE IT ORDAINED by the Council of the City of Hamilton, Ohio:

Section I: That the City Manager be and he is hereby authorized and directed to employ George Barkman, Fred G. Mueller and R. E. Smith, architects, of Hamilton, Ohio, to prepare preliminary plans and specifications for the erection of a new municipal city hall building in the City of Hamilton, Ohio, at a cost not to exceed \$1,500.00.

Section II: That for the purpose of paying the cost and expense provided for in said contract that there be and is hereby appropriated for that purpose from the proceeds of the sale of bonds issued or to be issued for the purpose aforesaid, or from moneys to be appropriated for such purpose, a sufficient sum of money to pay said compensation.

Section III: This ordinance shall take effect and be in force from and after the earliest period allowed by the Charter of the City of Hamilton, Ohio.

Passed: August 2, 1933. R. H. BURKE, Mayor.
Attest: ADELE EDMONDS, Clerk of Council.

August 11—11

RESOLUTION No. 7317

Establishing the center line grade of Pleasant Avenue, between Clinton Avenue and the South Corporation Line of the City of Hamilton, Ohio.

BE IT RESOLVED by the Council of the City of Hamilton, Ohio:

Section I: That the center line grade of Pleasant Avenue, from Clinton Avenue to the south corporation line of the City of Hamilton, Ohio, shall be as follows, to-wit:

Beginning at a point at south line of Clinton Avenue at an elevation of 596.96 feet above sea level; thence south on a descending grade of 0.172 feet in 100 feet for a distance of 650 feet to an elevation of 595.84 feet; thence south on an ascending grade of 0.25 feet in 100 feet for a distance of 324 feet to an elevation of 596.75 feet.

Section II: This resolution shall take effect and be in full force and effect from and after the earliest period allowed by the Charter of the City of Hamilton, Ohio.

Passed: August 2, 1933. R. H. BURKE, Mayor.
Attest: ADELE EDMONDS, Clerk of Council.
