THE APPEAL.

CONSTITUTIONAL CONVENTION.

The people of Tennessee will be called upon to vote on the first Thursday in September next upon the question of calling a Convention "to revise, alter, or amend the Constitution of the State of Tennessee." For the purpose of bringing the subject early before the public, in order that it may be deliberately considered, we publish the following Act of Assembly authorizing the people to vote:

AN ACT to authorize the people to call a Convention to revise, alter, or amend, the Constitution of the State of Tennessee.

SECTION. 1. *Be it enacted by the General Assembly of the State of Tennessee*, That the citizens of this State, entitled to vote for members of the General Assembly, are hereby authorized to assemble at the several places of holding elections in their respective counties, and vote for or against calling a Convention to amend, revise, or form and make a new Constitution for the State.

Sec. 2. The election provided for in the first section, shall be held on the first Thursday in September next.

Sec. 3. The sheriffs of the several counties in the State shall, after giving sixty days' notice in writing in each civil district in their respective counties, and in some newspaper printed in the county, (if there be one) and if none, in some newspaper printed in Knoxville, Nashville, Jackson, and Memphis, open and hold an election, at the several places of holding elections in their counties, on the first Thursday in September next, as prescribed in this act.

Sec. 4. The elections authorized by this act shall be held and conducted under the same rules and regulations that elections are for members of the General Assembly, and the returns of such elections shall be made in the same manner, that returns are made of election for members of the General Assembly.

Sec. 5. Each voter shall write on his ticket *Convention*, or *no Convention*, and the returns of such election having been made, the Governor and Secretary of State shall compare all the votes cast for, or against the Convention, and if it shall appear that the votes in favor of a Convention amount to a majority of the whole number of votes polled for Governor at the election next preceding the day of election for or against said constitution, *Provided*, that a majority of the entire vote so polled shall be in favor of the Convention, then, the Governor shall issue his proclamation, declaring that a majority of the votes polled, are in favor of a Convention. He shall also issue writs of election, directed to the Sheriffs in every county in this State authorizing and requiring the Sheriffs thereof, to open and hold election for delegates to the Convention, at the several places of holding election in their respective counties, on the first Thursday in November next.

Sec. 6. Each county electing one representative to the General Assembly, shall elect one delegate to the Convention, and each representative district composed of more than one county, shall elect one delegate to the Convention. Counties that elect more than one representative, shall elect the the same number of delegates, as they are entitled to elect representatives.

Sec. 7. Elections of delegates to the Convention shall be held under the same rules and regulations, as members of the General Assembly, and returns of such elections shall be made in the same manner, as returns are made for members of the General Assembly. The persons having the highest number of votes shall be declared elected delegate to said Convention.

Sec. 8. The delegates elect shall assemble at the capitol in the city of Nashville, on the first Monday in December thereafter, and proceed to the discharge of their duty. They shall receive the same compensation for their travel and services, as members of the General Assembly are entitled to receive under the existing laws of the State.
