

GRAPHIC NOTES AND COMMENT ON THE VARIED NEWS OF THE DAY AS RECORDED BY THE CAMERA

EXCLUSIVE PHOTOGRAPH SHOWING HOW 12-INCH GUN ON BATTLESHIP MICHIGAN CRACKED ALONG VIRTUALLY ITS ENTIRE LENGTH IN RECENT FIRING PRACTICE OFF GUANTANAMO BAY. As a result of the discovery of this defect, all four big guns in the forward turrets have been discarded and new ones are being mounted while the ship is undergoing repairs at the Navy Yard. Above, to the right, is Lieut. H. A. Dargue, who was knocked unconscious in the wreck of the sixth United States aeroplane in Mexico. He had to walk 65 miles back to camp. His home is in Ridgewood, N. J.

THE WRECK THAT BROUGHT THE VIRTUAL ULTIMATUM FROM PRESIDENT WILSON
This is the channel steamer Sussex as she appeared as beached on the coast of France after being attacked by a supposed German U-boat while carrying more than 100 passengers, among whom were several Americans. The picture reveals how her entire bow was torn to pieces.
