Anniversary Sale

THIS will undoubtedly be the greatest month of June in all the years since 1868. It is the most gratifying experience of our business career to record, each day of the Anniversary Sale, the evidence of the perfect understanding on the part of the public that this is the MOST IMPORTANT ECONOMY EVENT of the year in this city. Other special sales and discount affairs about town pale into comparatively humdrum routine while this larger event holds the public attention. Only a small part of the specific news of the Sale can be printed at one time. COME TO THE STORE EVERY DAY. Thousands of wonderful opportunities for saving money are presented.

The Manufacturers are Enthusiastically Co-Operating in Making the Extraordinary Values in This Sale
