## BRYAN OFF SPEAKERS' LIST

'Not Practical Sunday-School Man. Says International Official

Columbus, O., April 22.—William Jennings Bryan will not be asked to speak before the International Sunday School Association's convention in Kansas City June 21 to 27, not because of his theo'ogical views The Rev. Dr. Charles Reynolds school man," it was asserted yesterday by Prof. Walter R. Athern, dean of the Bryn Mawr the school of religious education of the School of religious education of

Boston University.

Dean Athern, who is a member of the Program Committee, said he would give out a statement later, which probably would set forth that arrangements for Mr. Bryan's appearance had been made by a sub-committee which did not have the power to decide definitely.

Delegates to Pan-American Conference Tell of Conditions

Balt'more, Md., April 22.—Resolutions embodying in concrete form the work of the Pan-American Conference of Women, which will end officially this afternoon, will be brought in at the closing session by a committee which includes Dona Bertha Lutz, of Brazil; Senora de Calvo, of Panama; Senorita Elena Torres, of Mexico, and Mr. Sidney Small, of Canada.

The sessions today dealt entirely with the civil and political status of women in the various countries of the American continent. Mrs. Mabel Walker Willebrandt. Assistant Attorney General of the United States Department of Justice, presided.

Again the South American and Canadian delegates led in the discussions. Matters relating to the home were taken up first and the d legates summed up the conditions prevailing in their various countries on marriage and divorce, joint guardianship, family property and mothers' pensions.

The second phase of the morning session dealt with public service. The status of women in respect to elective offices, appointive offices, civil service positions and jury service were taken up in the order named, and at the close

offices, appointive offices, civil service positions and jury service were taken up in the order named, and at the close of this discussion there was a general resumption of the legal methods which have been taken and which are required
