## BASEBALL

## TEAM OF THE SAINTS

## Manager Ryan Picks His Merry Men.

## HAS ONE MORE THAN THE LIMIT

## He May Get Rid of One Catcher—A Queer Jumble He Has.

After giving over a score of aspirants as thorough a trying out as possible, Manager Ryan of the St. Paul baseball team is prepared to announce the personnel of the regular team. Fifteen men are in his list, counting the veteran himself. The Western League agreement is that only fourteen men shall be carried by a club this season, and the rule is supposed to include the manager if he is a regular player. Ryan has, however, three catchers and may find a chance to let one of them go if the rule is enforced. Following is Manager Ryan's line-up for the coming game to be played on May 3 at St. Joseph:

Catchers, Bill Wilson, Fred Holmes and Pre. Carrigan; pitchers, Bumpus Jones, Willie McGill, "Pop" Thomas and Knepper; first base, Werden; second base, Huggins; shortstop, Holly; third base, Ziegler; left field, Ryan; center field, Andrews; right field, Parker; utility, Cassabone.

## Some Go Home.

Of the others who have been given a trial, Roberts, the Indian, and Pitcher Le Gore have been furnished with a transportation home. Myroski, Cox and Ravenaugh will be kept for awhile. It is likely that Hunt, Williams and Whelan will find berths in the North Dakota league.

It is a queer jumble of veterans and colts that Jimmy Ryan has picked as catchers for this year. He and Perry Werden, Bill Wilson, "Bumpus" Jones and Tom Thomas ought to be able to take care of themselves in the Western League, but how the others will perform is still one of the experiences in store for the fastidious fans of St. Paul. Knepper has not arrived from St. Louis yet, although he has been released. It is understood that St. Paul has the first chance at Knepper, but if he is not secured a fourth pitcher will be needed.

## PITTSBURG AND BOSTON

## Both Lose in the National League.

Two games were played in the National League yesterday, but they were sufficient to jolt the two last clubs out of the cherished 1,000 hole in the percentage column. Pittsburgh and Boston both dropped their Chicago honors yesterday and came down to the common herd.

Pittsburg rallied on Waddell, the Rube, and he did wonders for six innings, apparently having the game won with ease. Then he mounted one of Count Zeppella's airships and the remnants or whatever they call the St. Louis team, made eight runs until a lad named Chesbro was called on to stop the flood. Harper, a young twirler, did very nicely for the St. Louis team. The score:

St. Louis ..... 2 0 0 0 0 0 5 3—10 2  
 Pittsburgh ..... 0 2 1 0 0 0 0—4 8 5  
 Batteries—Harper and Schriver; Waddell, Chesbro and Zimmer.

Ed Deleahanty's triple in the eighth inning with three men on the bases gave the Philadelphia team a victory over Boston yesterday. But for this timely drive the beanstalkers would have won again. The score:

Boston ..... 0 2 0 0 0 0 1 0—3 10 2  
 Philadelphia ..... 0 0 0 1 0 0 0 4—5 8 0  
 Batteries—Willis and Kittredge; Orth and Douglas.

At Cincinnati the grounds were under water and at New York they are so wet that the schedule games could not be played.

## How They Stand.

Played. Won. Lost. Per.  
 St. Louis ..... 4 3 1 .750  
 Philadelphia ..... 3 2 1 .667  
 Pittsburgh ..... 4 2 2 .500  
 Boston ..... 2 1 1 .500  
 Cincinnati ..... 3 1 2 .333  
 New York ..... 1 0 1 .000

## To-day's Games.

Pittsburg at St. Louis.  
 Boston at Philadelphia.

## New York-Brooklyn Game.

New York, April 24.—The baseball game between New York and Brooklyn to-day has been postponed on account of the fact that the game between these clubs scheduled to be played at Brooklyn to-morrow will be played at the New York grounds if conditions permit.

## "BAN" JOHNSON'S LEAGUE

## Its Season of Trials Began This Afternoon.

The Ban Johnson inflated baseball league begins its season of conquest or defeat this afternoon. The fat man has said for a year past that the baseball fans of the country have been widely clamoring for a major league in which the mighty Ban should be the president. To create a major league he has taken Milwaukee, Chicago, Detroit and Cleveland of the old American league, added to them Boston, Philadelphia, Washington and Baltimore, bribed about thirty players of the National League to desert to his crowd, and this patchwork he calls a major league.

Johnson's league is going to play at half the National League prices. To pay expenses it will naturally be necessary to draw from 50 to 100 per cent more people than the big league teams.

A disastrous fight is expected by many. It will be an interesting one, at any rate. A number of lawsuits are threatened by the National League to restrain certain deserters from playing ball with the American League. This is the day for them to get action if they are in earnest in their springtime threats.

The opening games will be as follows: Cleveland at Chicago; Boston at Baltimore.

THE SECRET OF SUCCESS  
 IS A HEALTHY MIND IN A HEALTHY BODY.

There are thousands of men whose minds are weak and unpaired, and whose bodies are un-sound and diseased. Such men can not enjoy life, because they have neither the power nor the ambition to go ahead and take their place among their fellowmen, and can, therefore, not attain any measure of success. Some of these men are not sick, but work every day under the burden of a secret weakness, and experience a loss of sexual vigor and physical power. Some of them have night losses, urinating them for work, business, study and marriage, and others are suffering from private diseases such as Gonorrhea, Gleet, Stricture, Varicocele, Enlarged Prostate or Blood Poison (Syphilis). The tremor of weakness and disease appalls their minds and shakes their bodies, and life is to them a waste and a failure. They drag out a miserable existence and wait for death to end their troubles.

ARE YOU ONE OF THESE MEN?  
 If you are, you should consult this kind, honest and fatherly old doctor, who offers you his helping hand, who is a specialist in diseases of men, and who has the skill and experience to render you expert professional service. He will give you new, advanced treatment at reasonable charges. You are cordially invited to call on or write him. Consultation in person or by correspondence is free and confidential. No medicine is sent until ordered.

## Dentists Win From Lawyers.

The first game of a series of interdepartment games was played at the "U" yesterday between the teams from the dental and law departments. The game was the best of the season, ten innings being required to decide the game. The laws told the game in the first three innings, after which they settled down and allowed the "dents" no more scores until the tenth inning. The dents played a fair game, but the lawyers have been strengthened, while Brooklyn lost three of its best

## Pirates Claim the Pennant.

There is not a man on the Pittsburgh team who does not believe that the pirates will win the pennant this season. They figure on the brilliant showing they made last season. During the last three weeks of the campaign it was nip and tuck between Pittsburgh and Brooklyn, and the pirates were barely nosed out at the finish. Pittsburgh has been strengthened, while Brooklyn lost three of its best

The Boston team, though it has lost some valuable material, is apt to do much better this season than last. On form, Seles had a great ball team last season, but it was his misfortune to have an off season fall to more than half of his play, and hence his comparatively poor showing.

—An enlargement of the veins of the scrotum, causing a knotted or swollen appearance of the scrotum most frequently. Often indolent, but sometimes blows, falls, strains, excessive horseback or bicycle riding or excessive dissipation. ## THE ABOVE YOUNG MISSES WON THE PRIZES, CONSISTING OF FOUR BEAUTIFUL BUCK JUNIOR NICKEL-PLATED RANGES, ONE TO EACH.

Four days at the New England furniture and carpet store this month have been among the most novel and enjoyable in the history of the business. They were devoted to the children. Two or three weeks before, an advertisement was inserted in The Journal saying that a cooking contest would be given to girls of the

public schools between the ages of 12 and 14 years, and all who wished to apply for a chance to try for a prize were to register at the store.

The register was opened the day the advertisement was inserted, and girls thronged to the store to put down their names. Over 400 registered, and out of this number the first 200 were chosen, as they were all who could be accommodated at the contest. Two weeks were given for preparation.

The 200 were divided into four classes of fifty, each to be given a day. Coffee, biscuits and cakes were served each day to a great many people.
