When it is such a well-known fact that Not only did he lose his head, but all rechemorrhoids or piles is a disease originat-ing in the morbid dilation of the veins of the lower part of the rectum, it incredible that people afflicted with this painful trouble should go on doctoring with external salves and washes, when the diseased parts can only be reached by an inward application.

The suppositories used in Pyramid Pile Cure are composed of the most soothing and healing oils and lotions known to Meteria Medica, and act on the diseased veins and surrounding tissues like magic, giving almost instant relief. The dilated blood vessels are relieved, the irritation of the mucous membrane ceases and bleeding is stopped.

The predisposing causes of piles are such as produce fullness of the hemorrhoidal veins and impede the return of blood from them, such as constipation, sedentary habits, city life, pregnancy, corsets, etc.; in fact, the causes are all fully covered in a very interesting little book pub-lished by the Pyramid Drug Co., Marshall, Mich., and the same will be sent free to

The general principles of treatment are, according to the evident causes, active habits, attention to diet, and other hygienic rules, etc., avoidance of constipation and night the injection of a Pyramid suppository to heal and cure the afflicted
