Ask Richard Cavanaugh.

It's very easy for a refrigerator to waste ice and to be difficult to keep clean. The cheap department stores—dealing in cheap goods—have these cheap-dear refrigerators. Let's demonstrate to you that Palais Royal refrigerators save ice, food, time, and money.

He'll prove to you that Palais Royal refrigerators, with their easily removed shelves and easy-to-get-at corners, save time. He'll prove that by a scientific system they save ice and assure ventilation at the same time. See Mr. Cavanaugh—Basement Floor.
