THE IDEAL GIFT STORE.

As Originators of Classified Prices of Gift Articles....

We announce our annual Christmas opening display of "Gift" merchandise at prices ranging from $25 to $3.00 each.

Nearly every one is familiar with the high standard of this store's merchandise, but this high standard of quality does not necessarily mean high prices.

We demonstrate by the remarkable values displayed on these large tables of hundreds of pieces of china, glass, bric-a-brac, and other novelties that choice gifts, pleasing and worthy of the Christmas giving, are to be had here at these popular prices—$25 to $3 each.

Since we originated this plan of simplifying the Christmas shopping these tables have grown in popular favor, and this season of gift buying presents the greatest array of choice "Gift" merchandise in our career.

MORNING CHIT-CHAT.

I am unreasonably glad tonight that I wrote the chapter yesterday. Since then I have been up since five o'clock this morning. I have been working on the chapter all morning. I have been working on it all day.

Of course you know the kind of people I mean. They are the people who work twenty-four hours a day. They are the people who work on Saturdays and Sundays. They are the people who work in the winter and in the spring. They are the people who work in the sunshine and in the rain.

They are the people who work in the heat and in the cold. They are the people who work in the night and in the day. They are the people who work and who work.

Of course I know that there are people who do not work. They are the people who do not work. They are the people who do not work. They are the people who do not work. They are the people who do not work.

I have not a single one of those people.

My name is Charles. I am a stenographer. I have been working on this chapter all day. I have been working on it all day.

I am unreasonably glad tonight that I wrote the chapter yesterday. Since then I have been up since five o'clock this morning.
