Develop Your Bust in 15 Days HOW THE JAPANESE

A Full Firm Bust Is Worth More to a Woman than Beauty

I don't care how thin you are, how old you are, how fallen and faccid are the lines of your figure, or how flat your chest is, I can give you a full, firm, youthful bust quickly, that will be the envy of your fellow-women and will give you the allurements of a perfect womanhood that will be irresistible. They say there is nothing new under the sun, but

I have perfected a treatment that I want to share with my sisters,

What it did for me it can and will do for you, and I now offer it to you. Others offer to build up your figure with drugs, greasy skin foods, preams, dieting, manage, and expensive instruments and devices. I have done away with all these injurious methods and have given a legion of women a luxuriant natural development by a treatment never before offered the public. No massaging, nothing to take, nothing to wear,

I was skinny, secowny, flat,

and unattractive. Now I

claim to be the highest priced artist's model in the United States, and what I did for myself I do for you. I don't care what your age may be, I ask only that you be at least stateen and not an invalid, and I will undertake to develop your bust in two weeks. All I ask is five or ten minutes of your time

Write to Me To-day for My Treatment.

This is a statement from the bank of my house town, where I've done buriness for years,

NO ONE NEED REMAIN FAT NOW

When quastloosed concerning his heaten and we remarkable changs in his appearance, Dr. Tunner aidd?

"My discovery came about during my trip and in this way: When seeking data for some literary work, I found a reference to the manner in which by Japaness were said to easily overcomes any tendency to take on superfinence field. It was easily appearent from observation that the Japanes comparatively heavy eaters and that their diet consists largely of rice, the most starchy and therefore the most fat forming of all grains. I had often wondered why, in spite of these facts, the natives of Japan, both men add women, always present such a sleeder, trim, nest appearance. Although cowers are rare in that country, the women there have beautiful facures that any American woman might well envy, and the Japaness men have strength and cowers of endurators that are proverbial. After diligent inquiry about the cause of this. I became more than ever convinced that they were using there in Japan methods of fat reduction and fat prevention far in advance of anything known to medical science in this country. As the findings of such a method was a matter of life or death to me at that time, I committed numerous authorities and act about asking questions of those who would be likely to know anything about it.
