

MONSTER MASS MEETINGS FOR W. S. S.-FRIDAY

Stamp Sales Reports Show Liberal Buying by Many Persons.

In observance of War Savings Day, set for Friday, by proclamation of President Wilson, monster mass meetings will be held in every section of the city, according to plans now announced by D. J. Callahan, District director. By Tuesday of the coming week, notices of these meetings will be delivered to every home through the post office.

The selection of the places of meeting in the various communities has been assisted by the chairman of the eleven districts into which the city was divided for the purpose of the present canvass to obtain war savings pledges, and will be announced through the daily newspapers early in the week. No set form of program has been designated, although it is probable that music will be provided in most places, and addresses delivered by prominent speakers.

It has been reported that the War Savings Club recently organized among employees of Lanskburg and Brother has already subscribed to war stamps to the value of \$5,540.

Committee of Women.
A committee under the direction of Mrs. E. H. Lyon, who has been working in the larger department stores and in Union Station, report cash sales of stamps to the amount of \$7,775. These sales were made at the following places: Garfinkle's, \$20.84; Goldenberg's, \$20.13; Palais Royal, \$16.38; Lanskburg & Bro., \$23.04; Kamm's, \$22.40; Union Station, \$1,940.40. The Ladies of the Macabees and the Daughters of Rebekah, who make one "bullet booth" on alternate days, made cash sales to the amount of \$3,757.39 during the past week, while representatives of the Metropolitan Life Insurance Company, who have charge of the booths at night, realized total sales of \$12,777. Mrs. Hagerty Atwater and women assisting her in the sale of stamps at various hotels made cash sales to the amount of \$10,778.

Three more names were added to the membership list of the "3130 Club" yesterday in the report of sales of stamps to that amount to Lester Lanskburg, Samuel Hart and W. Osgood.

Rev. Dr. Wiseman, who has done much work for the committee among the colored residents of the District, reports that sales totaling \$1,049 had been made at Mott School.

Whips 4 Pro-Germans Before Police Stop Him; Court Commends Him

Chico, Cal., June 12.—Too impatient to wait until he could fight the Germans in France, M. L. Lyons, a draft select, hopped onto two men who were making pro-German remarks. He gave them a thorough trouncing.

But the pro-Germans had not ventured on the streets unprotected. They knew it would not be safe for two to travel alone when they might run across a husky American most any time, so they called for reserves who were in the near background.

Two reserves pounced upon Lyons, but the latter vindicated his name by bounding them right off again and treating them just as he had the first two.

With four German sympathizers disposed of, Lyons turned to find a fifth, who imagined that the tank would be exhausted. Lyons was well into the process of beating the fifth German when the police arrived.

The German, who gave the name of Britton, was sent to jail for ninety days, and Lyons was commended by the court for good work well done.

GREEK FEATURE IN DEMOCRACY SHOW JULY 4

Song and Dances Will Picture Greece as Pioneer Nation.

Greece as one of the founders of democracy will be pictured in song and dance in the Great Democracy Triumphant pageant to be given by the allied nations and those revolting from Prussianism in Washington on the Fourth of July.

The "George Washington of Greece," Theodore Kolokotronis, will be one of the most interesting figures in all the national "actions" featured.

The south steps of the Treasury will be the setting for this pageant of the past and the background will be decorated in old and modern Greek style. Several paintings will be among the decorations of the background, among them being, "America as the New Hercules," "The Coming Victory," "The Spartan Mother," and "The Piedmont of the Parthenon."

Fifty native women and girls of the city in national costume will give different modern dances, assisted by fifty young men costumed in the fustanella, or Greek uniform.

Carefully observing the custom of not allowing the dancing masters to touch the hands of the young men, the partners will hold opposite ends of a handkerchief. The chief dance will be the national Greek dance, the Syrtis. This dance is always featured on Sundays and other holidays and festivals in the squares and greens all over Greece.

Naval Reserve Officer Asks Change in Name

Rudolph Rolf Imhoff, a chief petty officer in the Naval Reserve, has asked the District Supreme Court to change his first name because, he says it sounds too German.

Imhoff asks the court to allow him to have Ralph in place of his name in preference to Rudolph.

Dr. Charles C. Sealeman, who will preach at the Representative Methodist Episcopal Church South, Mount Vernon place, at 8 o'clock tomorrow evening, is pastor of the famous Trinity Auditorium, in Los Angeles, and is en route for France on six months' leave as field secretary of the War Work Commission of his church.

"Auditorium" is a unique church enterprise. It is an institutional church which has been described in all leading magazines of the country, and several European publications have extensively reviewed its operations. The church maintains a hotel, restaurant and other activities of the institutional church, in addition to the usual religious services. Its auditorium will seat 3,000 persons, but standing room is at a premium at practically all of the services. Like most modern churches, Trinity Auditorium makes liberal use of newspaper advertising.

Sealeman, when seen by a reporter yesterday, stated that the policy of patronizing the commercial advertising columns of the daily press has proved to be a most successful and wise policy.

The War Work Commission of the Southern Methodist Church was authorized by the recent general conference in Atlanta, and is headed by Bishop W. R. Lamuth. The commission will leave for France within a few days.

At the morning service at Mount Vernon place the pastor, Dr. Chapman, will have something to say in his breezy Western way about "Bargain Counter Saints."

National Angelus Prayer.
We come to Thee for Salvation: for Victory and for Peace, O Lord. Blessed Savior, who didst hang upon the Cross, stretching forth Thy loving arms in prayer and sacrifice for us; Grant that all mankind may look unto Thee and be saved. Send Thy blessing upon our Nation, and all our Allies in this time of trial. Guide our spiritual and civil leaders, the Clergy of Thy Church, the President of the United States, and all others in Authority. Protect and strengthen our soldiers, airmen, sailors and marines, wherever they may be (particularly those who have gone forth from our own congregations); help them to pray, and to be faithful. Comfort the sick and the wounded. Show mercy to the dying. Succor the bereaved, and those in want. Help us all at home and at the front, to be unselfish, to do our full duty, and to win a sure victory for freedom and righteousness. Finally, we beseech Thee, Grant to the world Thy salvation, peace, and peace, through Thy mercies and merits. Who livest and reignest with the Father and the Holy Ghost ever one God, world without end. Amen.

Our Father, Who art in heaven, Hallowed be Thy Name. Thy kingdom come. Thy will be done on earth, as it is in heaven. * * * Amen.

May the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

REV. MR. CARRUTHERS TO BE NAVY CHAPLAIN

The Rev. John Carruthers, who has served as first assistant in the Church of the Covenant for the past year, has been appointed to a chaplaincy in the navy and preaches in the Covenant on Sunday morning the last time before leaving for his work.

Carruthers has shown unusual ability in organization and in carrying out successfully original plans of activity, especially in connection with the welfare of the men of the army and navy and the civilians lately come to Washington for government employment. His ability as preacher and teacher and as a musician, both in instrumental music and in singing, and as leader in the popular songs of the day has made his services of exceptional value.

WASHINGTON MARINE SEVERELY WOUNDED

Theodore Hardy Believed to Have Been at Chateau Thierry.

Theodore Hardy, a Washington boy in the Marine Corps, is reported severely wounded in action somewhere in France. Word was received yesterday by his parents, Mr. and Mrs. Theodore Hardy, of 44 Massachusetts avenue, that their son had been wounded in an engagement June 8. His parents believe that the young marine received his injury in the charge at Chateau Thierry, as a number of marines in that fight have been reported on the casualty list.

Hardy was born in Washington 26 years ago and attended the public schools in this city. Since a young boy he has shown a spirit of adventure which has taken him all over the United States and finally across the water to the trenches in France. Before enlisting he was for several years in theatrical work. In this city he played at both the Columbia and Potomac Theaters.

A few weeks after this country declared war he enlisted in the marines and was stationed at Paris Island and Quantico, Virginia. He sailed for France early in February, and according to letters to his parents went into the trenches early in May.

Tab story, recently appearing in the Trench Times, of a Private Hardy who went in search of a can of tobacco and had to kill 25 Germans before he found the special tin he liked, is thought by his people to refer to their son.

DETENTION FOR ANGELUS HOUR IS SUGGESTED

Sunday Noon Everyone Will Pause for Moment's Prayer.

Prayer for victory will be offered all over Washington at noon Sunday by the pastors of the churches. This will be the first day of the daily community Angelus for "peace with victory."

At noon all pastors will pause in their sermons and supplicate the Almighty to sustain freedom's cause. At noon each day thereafter citizens are expected to stop wherever they are and send a petition Heavenward for the success of the allies.

The War Department will probably cooperate to the extent of giving a signal announcing the Angelus hour daily. A small cannon or mortar may be fired from the top of some downtown building.

Boy Scouts will ring church bells at noon where the regular sexton or other employee is absent.

A Prayer Suggested.
The President is expected to authorize the heads of departments to sanction an observance of the daily prayer in all branches of the government.

No particular form of prayer could be sanctioned by the committee, but it suggests the following:

"God bless and guide our President, our legislators and others in authority; God strengthen and watch over our soldiers and sailors and aviators and those of our allies; our Hospital Corps, our war nurses and every agency and effort that makes for victory, without which there can be no righteous peace."

Aside from These Few Ailments, He Was O. K.

Sacramento, Cal., June 12.—Army doctors put the stethoscope to Oree Callaway's left breast, but couldn't hear his heart's beat.

Amazed at the silence, they instituted a search. It was located farther down on the right side, where the liver should have been. The liver and heart had transferred places, the doctors said.

The subject will be, "The Church in Relation to Nation."

Mount Pleasant M. E.
The ladies of Mount Pleasant M. E. Church South, Sixteenth street near Lamont, will entertain business women at the church on Friday, June 28, at 8 o'clock. The entertainment is styled "A Day's Evening for Dixie Daughters," and many girls from the Southern States are expected to be present.

The pastor, John C. Copenhaver, will preach tomorrow morning on "The High Places Not Taken Away" and in the evening on "A Commission from Headquarters."

Christ Church.
Tomorrow, at the evening service, beginning at 8 o'clock, Bishop Lloyd, president of the Board of Missions of the Episcopal Church, is to be the preacher at Christ Church, 639 G street.

The bishop has just returned from a trip to Northern Africa. The captain of the ship making the homeward voyage was decorated for his bravery in the Belgian campaign.

He spoke of the united spirit that prevails in the country.

On Thursday at the social prayer service, Maj. Gordon, chaplain of the Canadian army, better known by the pen name of Ralph Connor, was the speaker. Maj. Gordon has been at the front and has visited all the training camps of the allies. He spoke of the spirit that is manifested in the camps of this country as being the same as that of the allies.

15,000 POUNDS MEAT A MINUTE GOING TO ALLIES

One Hog Out of Every Four Being Sent Abroad.

Shipments of meat have been going to the allies for some time at the rate of 15,000 pounds a minute. As the shipments are kept up during a ten-hour day they amount to 2,000,000 pounds daily. The meat goes to soldiers of the United States and the allies and to the civilian population of all the countries at war with Germany.

—Chicago Tribune, June 5, 1918

These statements were made by a prominent representative of the United States Food Administration.

No industry in the country has played a more important part in helping to win the war than the American livestock and meat-packing industry.

Swift & Company alone has been forwarding over 500 car loads of meat and meat products per week for overseas shipment.
