

Superior Ride Gives Yannis Craig Feature Handicap at Bowie

DUCHESS LACE IS DEFEATED THROUGH POOR JOCKEYSHIP

Jockey Butwell Rides Faulty Finishes on Firing Line and Garbage Also; Sneideman Takes Two of Three Mounts.

By "SIG."

Then pounds the best, Duchess Laced went down to defeat in the fourth race at Bowie yesterday because Butwell rode like a novice. She traveled fifty yards further than the winner, Roi Craig, and made her stretch run on the outside solely on her own courage, losing by a half length.

With Roi Craig leading by two lengths at the stretch turn, Duchess Laced, swinging wide, began rapidly to overtake the pace maker, and probably would have won the race had Butwell been of assistance. The jockey betwought himself of the whip when 100 feet from the finish, but in drawing it quit riding his mount. The result was that Duchess Laced seemed to falter slightly, although the race was lost before Butwell got into action.

O'Brien Outrides Butwell.

At that Roi Craig ran a good race, while O'Brien, riding for the first time at the meeting, gave the imported Roi Herode colt a ride that was twenty pounds superior to that which Butwell rode. Duchess Laced was forced to contend against.

Butwell tossed away a second race in the fifth when Dolina, coming with a wonderful burst of speed in the stretch, slipped Firing Line at the wire, winning by a nod. Firing Line, carrying 115 pounds, was off in front with Indian Chant and Kilts, running easily in second position to the half. Butwell took the gelding back, making a belated move at the turn for home. Firing Line raced Kilts into submission down the stretch, where Dolina rapidly overhauled the striding Indian Chant and Kilts locked horns with Firing Line. Sneideman, who came back to the races after being thrown Friday in the mixup which cost the life of Jockey Robin, celebrated his second mount of the day by riding rings around Butwell in this race. The first mentioned rider, who gives promise of soon capturing the first prize in the season, was in the place with his first mount of the day, Kingling II, and in his third race rode a brilliant winning finish on Fountain Fay in the last.

Calvert Fine Colt.

The opener of the program brought out two impressive two-year-olds in Calvert and Paul Jones the latter in colors for the first time. Calvert was a heavy public choice on his showing Thursday, when he ran Oleaster to a neck, while Paul Jones, the favorite, showed splendid trials, was largely fancied. Considerable play went on the Murray entry also because of the presence of Sandy Seal, a likely horse, who had been beaten in the Calvert race. Calvert broke brilliantly and showed the way to the wire. Paul Jones, running green, held on gamely in the stretch drive, but could not get up. Loyal Peter, who took in many a two-year-old race of last year, finally sprinted out of the maiden class in the second contest of the day, when he beat Victor, a determined foe in the jumper, Mohican, home in the second race, with the Gravesend "hot one," Mackenzie, lated in the field in the mulets, hopelessly out of the running after making a bid to the half.

Refuge Earns Brackets.

Refuge ran rings around the public choice, Cadillac, and Tiger Rose in the third race, at six and one-half furlongs. After a good showing for five and one-half furlongs quit out and landed out of the money.

Refuge, who had been beaten at the eighth, and held his lead safely to the wire. Corey giving the old Pinkerton gelding a splendid ride. Kingling II, following the pace from the inside, made a determined bid in the stretch, but the best he could do was land second, two lengths behind the winner, with Tiger Rose a poor third.

Old G. M. Miller awarded the sentimentalists in the fifth race, when making one of his old time finishes, he outgamed Garbage in a stretch duel. Garbage virtually had no assistance from Butwell. Bill Hunley, heavy badger, and the erstwhile third, Front Royal jumped out in front at the eighth pole, closely pursued by Garbage and G. M. Miller, but quit badly at the stretch turn.

Impost Defeats Lather.

Five pounds concession in weight lost the final argument for the game Lather, carrying 115 to 115 on the winner, Fountain Fay. Both horses got perfect rides, but Lather was not equal to the impost and stopped badly in the stretch. The lightly weighted Plurix was third.

A crowd almost as great as that of Saturday and Monday record, enjoyed the sport yesterday.

The summaries:

FIRST RACE—Four furlongs. Calvert (Butwell) 115, 2.30; Paul Jones (Hogarty) 115, 2.35; Tiger Rose (Hogarty) 115, 2.40; Cadillac (Butwell) 115, 2.45.

LOCAL GRAPPLER HAS HARD BOUT TONIGHT

Tonight Joe Turner meets the first time Frank West, the Boston middle-weight, in a finish match at the Folly Theater, and from all accounts he will make the local grappler hustle from the call of time, as he comes boosted highly by the Eastern papers, having given a good account of himself in all his recent bouts.

Should he succeed in defeating Turner he will have a chance to meet Gardner or Yokel in a bout later, and as he is particularly anxious to get a crack at either of those two men he will evidently make Joe hustle to win.

Joe has never seen West in action, but says he is confident of winning the long end of the purse tonight.

JOHNSON AND HOVLIK HOLD VETERANS SAFE WHILE YOUNGSTERS WIN.

By JOHN A. DUGAN.

North Augusta, S. C., April 7.—That fighting Yannis tribe from the Griffith clan came clean today at Warren Park with the sweet revenge act, by handing the Regs the worst drubbing in the history of Nationals' training here. With Walter Johnson, the premier hurling demon of the Nationals' staff, Eddie Hovlik working on the slab for the Yannisians, the Regulars were forced to take nine fast zeros while the "Kids" were lacing the slants of Thompson and Harper for ten corners.

Johnson was the same speed merchant of old, as he breezed them through the groove on which confirmed the ancient statement by Tyus Raymond Cobb that: "You can't hit what you can't see." "Barney" sent the Regulars down without a hit or third and only one man got as far as third base, while the Yannisians, in the meantime, were coming in the fourth inning when C. Milan was passed and worked to the hot corner on an infield out and passed ball.

SCHOLASTIC SPORTS

Track and baseball at Eastern is now at its height. Coach Battersby, of the Eastern, has fifty track candidates and twenty-five baseball players for practice yesterday. The Easterns are authorizing tennis in full this season. They hope to show class in the coming school year.

The Central spring tennis tournament will get under way sometime this week. The entries closed last Friday, with over fifty boys competing for a position on the varsity.

Business High will engage the St. John's nine in a baseball contest on the Monument lot diamond today. Both teams are in form which will undoubtedly result in a battle royal contest.

On April 12 Business High baseball team will travel to Harrisburg to engage the Harrisburg nine. This contest is expected to be one of Stenographers' best scheduled baseball games. Central High is slated to engage the Maryland State Freshman in a baseball contest on the latter's diamond today. The Central lads triumphed over the Staters in their last encounter.

Brilliant fielding featured the contest, as Sammy Rice made one of the greatest catches of the day, that of Horace Milan that has ever been witnessed at Warren Field. Sammy raced with his back to the ball to deep right center and pulled down Milan's throw, which was labeled for two or more sacks, with a one-hand stab just before the ball hit the fence. Sammy was shaken up a little by his drive into the garden, but continued to play.

Ike Davis was all over the infield, as he halted a rally of the Yannisians in the third inning with a great stop which he turned into a double, and then, on his attempt to move the scorcher that was passing the key-stone sack, which stopped another counter. Joe Leonard also broke into the limelight by making a fine stop at short, which he turned into a double, and then, on his attempt to move the scorcher that was passing the key-stone sack, which stopped another counter. PITTSBURGH MAY BE DARK HORSE AT PENN

Philadelphia, April 7.—The University of Pittsburgh surprised every one last year by taking second place in the intercollegiate, while earlier in the season they were considered a dark horse. The team is stronger than last year's and will be watched with the keenest interest on Franklin Field April 25 and 26.

The Pittsburgh started on Friday in the sprint relay championship, which the Panthers won after a hard race from Pennsylvania.

This year they have a stronger team in sprint relays, and they are expected to win the sprint relay championship, which the Panthers won after a hard race from Pennsylvania.

CUBAN PLAYERS ON ROSTER OF HOLD-OUTS

Havana, April 7.—Mike Gonzalez, captain of the Cuban National League baseball club, for the second time has returned unsigned the 1915 contract offered him. Gonzalez declares that unless the St. Louis club meet his terms he will not play ball this year.

Likewise Baldomero Acosta, of the Philadelphia American League team, is holding out. He says he declines to play for the American League team, as he has signed a contract with the New York Yankees, who played last year with the New York National League team, has signed a contract with the Rochester club.

Efforts to schedule a contest with the University of Maryland were abandoned. On Saturday the Collegians will meet Catholic University also in Washington and on the following Wednesday will play Mount St. Mary's at Emmettsburg.

Koch Navy Captain.

Annapolis, Md., April 7.—The members of the Naval Academy swimming team have elected Midshipman Harold E. Koch, of Wisconsin, captain for next season. Koch has many points for the team in the breast stroke events, in which he lowered the academy record for the sixty-yard and forty-yard distances.

What Infield Combination To Start Season with Puzzles Manager.

North Augusta, S. C., April 7.—Just what combination will start the season as the infield for the Nationals is becoming more of a puzzle each day, as the Foxy Pilot is trying different players at the key-stone sack, only to fall back on Ike Davis as short, and Hank Shanks at second, when the Regulars pitch in to battle the Yannis.

This appears to be the likely combination which will open the season, as the Old Fox admits that so far they look the best, but with Janvrin not yet started, the puzzle deepens. Both Leonard and Frank Ellerbe are being worked, and the second cushion in each of the practice drills, while Captain George McBride is coming in for quite a little of the grind at the short field. Mac, the prince of good fellows, which he is known to, all his acquaintances in the league, works daily instructing the little Pacific Coast job in the finer points of the game, and says he will fall down it will be no fault of the veteran champion.
