LET THERE BE LIGHT!
Let there be good Light! Let there be cheap Light! PESCUD introduced some time ago a new Lamp with a new Oil to burn in it. Shortly after their introduction the Oil was thrown into market so bad that it was uscless to try to burn it. Since that time there has been a stendy improvement; and now PESCUD has the pleasure of offering the purest, best burning and cheapest Kerosene ever sold here. It is warranted to burn one third longer than the best Oil sold by parties heretofore pronouncing the whole thing a humbug. It burns free of smoke or smell. It only costs a little over one-fourth cent an hour. It is a better light for the eyes, and better for all purposes than any other light. It is sold at \$1.25 per gallon, or 35 cents a quart.
