CUTICURA RESOLVENT is the most powerful Blood Purifier and Liver Stimulant ever compounded. In forty minutes after taking the first dose it may be detected in the saliva, blood, sweat, and wrine, show-ing that it has entered the blood and been distributed throughout the entire system. In its passage through the circulating fluids it meets with the cor-rupt particles of matter which foster and maintain disease, with which it chemically unites, destroying and gradually eliminating them from the system.
