The Law of Embezzlement. THE ACT OF 1878-IT IS REGARDED AS AMPLE TO PUNISH SUCH CRIMES IN THE DISTRICT, ETC. Many inquiries have been made in view of the ate bank failures as to whether there is any law in this District to punish embezzlement, the prevailing impression being that there is not. This is,

however, an error. Members of the District bar, and it is understood the district attorney, are of the coinion that the law is ample in its provisions under the second section of the act of Congress of February 4, 1878, entitled "an act to punish em-bezzlement in the District of Columbia, and to proteet the records of said District and for other purposes." This section reads as follows: "That if any officer, clerk, agent or employe in the service of any person, firm, association or corporation shall, within the District of Columbia, embezzie or wrongfully convert to his own use, or fraudulently take, make fraudulently convert to his own use, or shall knowingly and willfully or wrongfully sell or dispose o any money, goods, rights of action, bonds or obliga-tions of the United States, or any state or any municipal or other corporations, foreign or domesuc, Treasury notes, postage or revenue stamps, warrants or other valuable security or effects whatever belonging to such person, firm, association or corporation which shall come into his possession or under his care by virtue of such office, clerkship, agency or employment he shall, on conviction thereof, be punished by a fine not exceeding \$5,000 or by imprischment not exceeding five

years, or both." ACTION FOR AN ACCOUNTING.—To-day Messrs. Dean & Poole filed a bill for Benedict Somerville against Jane E. Truell, asking for an accounting. The plaintiff states, in substance, that the detendant wrongfully withholds from him a large portion of the proceeds arising from the sale of part of lot 4, square 484, in which he was interested.
