FIVE SHOTS HEARD

TWO MEN INJURED IN STREET ROW LAST NIGHT.

A revolver and several bricks were the weapons used in an altercation at 7th and C streets southwest last evening, and the result of the trouble was the sending of two men to the Emergency Hospital—Ernest Gant, with a fractured skull, and in a serious condition, and Joseph Hillman with a gunshot wound in the arm. Both of these men are under the custody of the police department, each being charged with making an assault on the other. Hillman was released from the hospital today and was committed to jail from the Police Department, where he was confined in the hospital in a serious condition.

Luther Johnson and Richard Hawkins were locked up this morning in connection with the same trouble, and charges of assault on Ernest Gant are on the blotter of the fourth precinct against them. It is expected they will be committed to jail tomorrow to await the outcome of the injuries to Gant.

Gant, Hillman, Johnson, Hawkins and one or two others were together when the disturbance began. They had been at the theater, and there it is said, had a dispute over a crap game which they had previously engaged in. As they were returning home they continued the dispute, and at 7th and C streets southwest Gant, it is alleged, drew a revolver from his pocket. The sight of the gun caused the others to make a scramble for some bricks and stones that were in the street. Which of the party threw the first stone could not be learned by the police, but the throwing of the missiles was the signal for opening fire from the revolver. The police say five chambers of the revolver were expended in quick succession. Only one of the shots, so far as the police could learn, took effect, that one striking Hillman in the arm and inflicting a painful wound.

The firing of the first shot was witnessed by a large crowd of people on the street at the time, between 5 and 6 o'clock last evening, but there was an immediate scattering in all directions, the pedestrians seeking safety and the crowd dispersing in an endeavor to get under shelter. The street was deserted in a few seconds.

There were three who did not run, and they saw the danger of allowing such a man about on the streets. Policeman Cornwell of the sixth precinct, who was passing the time with two citizens, William Digney and M. Waters, approached the man with the gun. The citizens were nearer and they reached him without injury to themselves. The officer arrived soon afterward, placed Gant under arrest, and he was turned over to Policeman Hilton of the sixth precinct, as Policeman Cornwell belonged to another section of the city. It was discovered that he was suffering from a wound, and he was sent from the station to the Emergency Hospital, where a fractured skull was treated. It is expected he will be in condition to be released from the hospital within a few days, unless serious developments arise.

All the parties will be held until further investigation can be made. Precinct Detective Reinhardt of the fourth precinct has the case in charge.

SEQUEL TO BANK FAILURE.

Five Under Arrest at Pittsburgh on Criminal Charges.

Five arrests were made at Pittsburgh yesterday as a result of the failure of the Enterprise National Bank of Allegheny, which suddenly closed its doors last October, following the sensational suicide of its cashier, T. Lee Clark.

The arrests were made by deputy United States marshals, who took into custody Forest B. Nichols, private secretary to William H. Andrews; Charles Menzner, George R. Ralston and Edward P. McMullan, employees of the Enterprise bank, and George B. Cook, an alleged partner of Cashier Clark in several real estate deals. A warrant was also issued for Thomas Harvey, former assistant cashier of the bank, but he has not yet been placed under arrest, as he could not be found.

The charge against Menzner is that he assisted in the failure of the bank by depositing with the bank sufficient funds on deposit with the bank to constitute a false certification. Nichols is charged with conspiring with an officer of the bank, who is not named, to obstruct and wilfully mislead the inquiry into the failure of the bank, and to defraud the bank by getting false credits. In all there are six men named against Nichols, seventeen against Ralston, six against Menzner, eleven against McMullan, eleven against Cook and one against Harvey. All the charges are for acts alleged to have been done between June, 1903, and the date of the closing of the bank. The dates of the hearings will be set when Bank Examiner Moxey, who is in Philadelphia, returns to Pittsburgh. When the men were placed under arrest they were furnished before the United States commissioner and furnished bonds in \$5,000 each. The arrest of the men is the latest in the most sensational financial collapses that has occurred in western Pennsylvania, and are the result of the investigation made by Bank Examiner Moxey, who furnished information based on the alleged conspiracy of Nichols to use funds of the Enterprise bank in the interest of the State of Central Railroad Company and the Pennsylvania Construction Company.

Medical Fallacies.

Every drop of blood, every bone, nerve and tissue in the body can be renewed in but one way, and that is from wholesome food properly digested. There is no other way, and the idea that a medicine in itself can purify the blood or supply new tissues and strong nerves is ridiculous and goes with the fallacy that dyspepsia or indigestion is a germ disease, or that other fallacy that a weak stomach which refuses to digest food can be made to do so by irritating and inflaming the bowels by pills and cathartics.

Recent dyspepsia Tablets cure indigestion, sour stomach, gas and bloating after meals, because they furnish the digestive principles which was wanting.

BRAVE MAJOR STACEY

COMMENDED BY SUPERIOR OFFICER IN GENERAL ORDERS.

Others Mentioned for Heroism—
Friends of the Major Pleased
With News.

The army friends in this city of Major Cromwell Stacey of the Philippine Scouts, who is much in the public eye just now, owing to his recent achievements in the far-away islands of the Pacific, have been receiving many complimentary statements concerning him. The major has many friends in Washington, his father also being a resident here. A late report from Manila says:

"The major general commanding takes great pleasure in publishing to the troops in this division the names of the following officers and enlisted men who, on the dates and at the places specified, distinguished themselves by especially meritorious acts of conduct in the service.

"Major General Stacey, Philippine Scouts (then serving as captain, 21st Infantry): For the determination and courage with which he attacked an overwhelming force of paganes in a hand-to-hand fight at Arroyo de Lano, Samar, June 4, 1905, and for the manner in which he conducted the expedition from its beginning to a successful termination as a result of his personal leadership.

"Capt. William W. Taylor, Jr., Philippine Scouts (first lieutenant, 12th Infantry): For his exceptional gallantry in action with paganes at Arroyo de Lano, Samar, June 4, 1905, and for his handsome conduct throughout this expedition.

"Second Lieut. Converse R. Lewis, 23d Infantry: For the spirit and bravery shown by him in an action against hostile Moros at Malangit, Buluan river, Mindanao, June 14, 1904.

"Sergeant, First Class, George C. Douglas, Hospital Corps: For meritorious service in transferring seven patients from the hospital which had been demolished, to another building 250 yards distant through a violent wind and rain storm, thereby saving their lives, during a severe typhoon at Malahi Island on September 25, 1905.

"Sergeant, William Thomas, Troop B, 4th Cavalry: For meritorious service in attempting to rescue a comrade from drowning near Camp Overton, Mindanao, November 18, 1905.

"Private, Vidal Bariento, 24th Company, Philippine Scouts: For meritorious service in saving the lives of two of his comrades from almost certain drowning in Malahi river, near Magtatan, Samar, October 16, 1905."

GEORGE L. BRADLEY DEAD.

Funeral Services Will Be Held at Noon Tomorrow.

Mr. George Lothrop Bradley, who organized the Bell Telephone Company in this city, died at his residence, 1503 21st street, at the age of 62, after a long illness, following an operation on his throat. He was sixty-one years of age.

The deceased was a director of the Mergenthaler Linotype Company, president of a canal company in Florida engaged in building an inland waterway from St. John's river to Biscayne bay, and was a member of the Chevy Chase, Metropolitan, Alt and Country clubs. He owned a summer home at Pomfret, Conn. His wife survives him.

Funeral services will be held at noon tomorrow. Interment will be at Providence, R. I.

NEEDS OF DESERVING POOR.

Subject Discussed at Meeting Held in Grace Parish Hall.

A meeting was held last night at Grace Church parish hall under the auspices of the Associated Charities, for the purpose of discussing the improvements needed in Southwest Washington, as well as the needs of the poor in that section. The subject being of general interest to Washington citizens, a large attendance was the result.

"Civic Improvement in the Southwest," Dr. Millard F. Thompson, vice president of the Southwest Citizens' Association; "Improvement Through the Churches," by Dr. Weston Brunner, pastor of the Fifth Baptist Church; "Improvement Through the Catholic Societies," by William P. Norroy of the St. Vincent de Paul Society of the District of Columbia; "Improvement Through Organized Charities," by Miss H. Ida Curry, southwest division agent of the Associated Charities. The subject was touched upon at the meeting, which was in charge of Mr. Charles F. Weller, president of the Associated Charities.

NEW AMUSEMENT COMPANY.

Proposed Establishment of a Theater Here.

The National Amusement Company, which was recently granted a charter of incorporation under the laws of Virginia, has for its object the establishment of a theater in this city for colored people. It is proposed to erect a handsome structure on one of the prominent thoroughfares, with as central a location as may be obtained. The proposed theater is to have a seating capacity in the main auditorium for not less than 2,000 persons, and is to be constructed along modern lines. The capital stock is stated to be \$100,000. The officers are Samuel Stewart, president; William H. White, vice president; Benjamin F. Stultz, secretary; James H. Winslow, treasurer; John W. Patterson, counsel. The foregoing, with F. E. Harris of Richmond and William G. Crawford, William Tibbe and H. J. Williams of this city, constitute the board of directors.

Funeral of Mrs. Webber.

Funeral services over the remains of Mrs. Amos R. Webber, wife of Representative Webber of the fourteenth Ohio district, who died here yesterday, as stated in The Star, will be held Thursday at Elyria, Ohio. The body was taken to Elyria this afternoon, accompanied by the husband and two sons of the deceased.

Mrs. Webber has been suffering from a complication of diseases for about three months. An operation was performed several days ago, from which she was unable to rally. She was born in Ohio and was married thirty-one years ago. She was a member of the Christian Church and took an active part in temperance work and was identified with several charitable and literary organizations.

WAGE FIGHT ON LIQUOR

TEMPERANCE ADVOCATES MAKE PLANS FOR CAMPAIGN.

Public Meetings to Be Held in Various Churches and in Belasco Theater.

To create a sentiment in the District of Columbia among the masses which will result through its influence on Congress in the passage of the liquor traffic bill, providing for prohibition of the liquor traffic in the District, is the object of a series of meetings to be held in the various churches of the city and the Belasco Theater, April 1 to April 9, inclusive. Mr. E. Tennyson Smith, the English temperance lecturer, who has created great interest wherever he has addressed meetings in the cause of temperance on this side of the Atlantic, will be the speaker at the meetings. The sessions are to be held under the direction of the campaign committee for the Webber bill, and the final arrangements were made at a meeting of this campaign committee which was held last evening in the Vaughn M. E. Church.

As decided on last evening, the dates, subjects and places of the meetings are as follows:

Sunday, April 1.—Vaughn M. E. Church, 2d and A streets northeast; subject, "A Carion Call to a Holy Crusade."

Monday, April 2.—First Congregational

Church, 10th and G streets northwest; subject, "The War Between Heaven and Hell."

Tuesday, April 3.—Metropolitan M. E. Church, 4th and C streets northwest; subject, "The Drink Demon," concluding with an interview with the drink fiend.

Wednesday, April 4.—Calvary Baptist Church, 8th and I streets northwest; subject, "The Drink Demon," concluding with the lecturer's realistic representation of the tug of war between the temperance party and the liquor traffic.

Thursday, April 5.—Trinity M. E. Church, 5th street and Pennsylvania avenue southeast; subject, "The Searchlight Flashed on the Saloons and the Saloonkeepers."

Friday, April 6.—Luther Place Memorial Church, corner 14th street and Massachusetts avenue northwest; subject, "Up With the Drunkard and Down with the Saloon."

Saturday, April 7.—Belsco Theater, on Lafayette square; subject, "The Trial of Alcohol."

Monday, April 9.—First Presbyterian Church, John Marshall place near C street northeast; subject to be announced.

Children's Meeting.

It was also decided to hold a children's meeting sometime during this period, in the afternoon; and the fixing of the day was left to the executive committee, who will announce it soon.

Mr. Tennyson Smith, who is to lead these meetings, is regarded as being one of the most powerful speakers in the temperance cause. He comes from Birmingham, England, and was a pioneer of the forward movement in temperance reform among the Christian churches in England. He is the founder of the "Temperance Ironsides" organization of England, and was elected a delegate to the world's temperance congress in Chicago in 1893 and to the London congress in 1900. He drew large audiences in the large cities of England, and a very successful tour of New Zealand and Australia, and was called to the United States for a short period of work in New England. He was induced to remain in this country for about two years. He delivered a strong lecture before the International Christian Endeavor convention, which was held recently in Baltimore.
