The Nick won the only game that Wasnington has taken here and he thinks he can repeat. Cantillon was forced to put Witherup in the box yesterday and Sullivan's kids won by a score of 6 to 1. The contest was fast and interesting and the patrons who had been indulging in late suppers on account of the late finishes at the ball park started for home a minute or two after the 5 o'clock whistle had blown. Doc White pitched in his most approved fashion, while Witherup kept plugging away regardles. of the fact that he seemed hopelessiy beaten after the sixth inning. BALTIMORE, Md., July 21 .- The Baltimore Bowling Alley team was the only one which rolled yesterday in the tournament of the American Duckpin Association. The local team surprised every one by its good work, rolling a total of 1,602 pins, which places it in the lead. Red Sox Beat the Tars.

DANVILLE, Va., July 21.-The Red Sox took the second of the series from Norfolk yesterday, sending the run which won the game across the plate in the eighth inning, after the score had been tied a number of times. The fielding of both teams was of a rather ragged nature, an error by Reinhart giving the visitors two runs and a passed ball by Westlake one. The scores were 2 to 0 and 9 to 0. Revelle was pitted against Moser in the first, and it was a great pitchers' battle, being only won by the locals by inside work. In the second game the Shoemakers fattened their batting averages, for they hit Schuman for a dozen hits, which went for seventeen bases. A feature of the last game was Schuman's batting, he securing three of the eight hits credited to the visitors. Scores:
