Women's \$3.50, \$4 and \$5 Spring Shoes

Will March Out Quickly at This Round-up Price, \$2.65

Over 1,500 Pairs Rounded Up From Several of Our

Best Makers for This Event

It is a noteworthy fact that the shoes offered in this great occasion are not "bargain" shoes, made for a "bargain" sale, but identical shoes that we sell day in and day out at their regular prices. Do a little figuring ahead and secure your season's supply of footwear, for the Low Shoes included in this sale are all new this season; are on the best shape lasts, yet as they were purchased at such price concessions from the makers our present price is lower than we would pay for the same goods at wholesale in the regular way. Here is what the collection contains:
