Dr. Clarence J. Owens Dis- Near Approach of Thanksgivcusses Future Commercial Activities There.

Declares This Country Should Have Prices Generally Which Will Pre-Greater Trade With Latin-

American Countries.

Dr. Clarence J. Owens, managing director of the Southern Commercial Congress, returned to Washington today with a group of other Washingtonians, seek information in regard to commercial activity which is expected to come about while the dealers are unwilling to make when the Panama canal is opened. The a prediction, the general opinion seems other Washingtonians inth e party were to be that prices then will be about those other Washingtonians in the party were Mrs. Kenny Jewell.

Dr. Owens said today he is impressed with the strategic position of Panama as a location for a great clearing house bank. Such a bank, he declared, will be necessary to take care of the coming business between Latin-American countries and cities and states of the United States.

Much of the banking business of Latin with London, although some of it is done bought very cheaply. DESIRABLE SUITE OF FRONT ROOMS with New York. A great saving in time will be effected, he thinks, so far as mails are concerned, by the establishment of such a clearing house in Pan-

Food Bought in Europe.

Dr. Owens declared that much of the foodstuffs that are being imported by Panama, including those bought by the United States commissary department for the use of canal workers, are being purchased in Europe, a situation, he declared, which the Southern Commercial Congress, by reason of its interest in the southeastern states of the United States, will try to overcome

"Take rice, for instance," he said. "We have in this country thousands of acres ported last year \$500,000 worth of rice, of 10 cents a bunch, or three bunches for 25 which only about \$30,000 worth came

It will be necessary, Dr. Owens said, for the people of the southeastern states commands best MILL- at once to cultivate relations with the cabbage, 5 and 10 cents a head; kale, 20 Latin American countries, if they wish to obtain their share of the trade which will come as a part of the opening of the canal. The principal necessity, he declared, is ships to carry rice and other commodities from the southeastern ports

sider first the school items. If this plan is adopted it will be for the purpose of giving Dr. William M. Davidson, retiring superintendent, an opportunity to explain many of the items concerning which he probably is more familiar than is any

MAY LEAVE WASHINGTON FIRST OF NEXT JANUARY

Dr. Dvaidson Plans to Take Up Work in Pittsburgh Schools Early in Year 1914.

Dr. William M. Davidson, head of the public schools here, probably will leave January 1. He returned today from Pittsburgh, where he is soon to assume the duties of superintendent of schools. Be-Chiles, John Brown and John Buck. fore leaving that city he arranged to reconstruction of Washington's Central port there the first of the new year. His High School building, which is to cost resignation from the Washington superintendency was so worded as to leave the date of his departure optional with the ment today. This is the largest number wishes of the president of the District ever given out for the construction of a board of education, provided the time selected was between December 1 and Janu-Asked today how he liked the schools of

Pittsburgh, Supt. Davidson said, "Fine; fine." He made flying trips to all parts number of the schools.

Selection of Successor Delayed.

The selection of a successor to Dr Davidson is still a matter of speculation. It is believed now that the board will delay the appointment for several weeks. Dr. Davidson hopes to get a few days of recreation before taking up the duties of his new position in Pittsburgh. During the two years and a half he has been in Washington he has had no extended vacation and as a matter of fact has rested but little. A large part of the time he has been here he has put in sixteen hours at his duties each day, working during \$725,000, but Congress, believing that a the summer vacation period about as hard as he did during the months school was

SOLDIERS TO BE GUARDED.

Patrol Will Accompany U. S. Infantrymen Into City of Panama. Acting under instructions from Washington, the commanding officer, 10th Inby the national association for carrying the specifications upon which bids are to fantry, on the Panama Canal Zone, has adopted the policy of sending a patrol to the city of Panama at such times as a visit to that city by any considerable number of his command is anticipated. That action is taken with the consent of the government of Panama, with a view to maintaining good order as far as the men of the 10th Infantry are concerned and is intended to prevent possibility of a recurrence of the disorder of September 6 which involved sailors and marines from the U. S. S. Detroit and a few men of the workshops for the proposed manual train- 10th Infantry, following the stabbing of a ing department would reduce the cost of member of that ship's crew.

The patrol consists of a lieutenant and even enlisted men and is stationed at th Panama police station at Cocoa Grove.
