Eye Signs An ADVERTORIAL.

STUDENTS of human characteristics declare that certain traits show in the color and contour of the eyes. According to this theory, long narrow eyes denote craftiness, eyes wide apart innocence. But this is only a theory. Eye facts are more vital.

An optical fact of supreme importance is that your eyes need care and protection. At first indication of eye ache or weariness, consult us—we are qualified to aid and advise you. So precious a gift as sight deserves supreme care.

Los Angeles Limited in Cosy Comfort over the Old Trails

California

In *Grandfather's Day*—the Overland Trail; the Prairie Schooner; weary months of hardship; fights with the Indians; just to reach California. Many men now living remember it.

Now—a jaunt of less than 3 days on the **LOS ANGELES LIMITED**. Comfort all the way.

Thrills and delights too!

Look!—from your cozy chair in the observation car—the same Overland trail, the very places where the Pioneers, the gold-seekers and the Mormons toiled, climbed and fought, conquering the West.

The Great Plains, the gaunt Rockies, colorful Weber Canyon, Great Salt Lake, Salt Lake City—you see them all, the real west—the Union Pacific country—historic, romantic, beautiful.

Go on the **LOS ANGELES LIMITED**—all Pullman—synonym for travel-comfort, luxury and delicious dining car meals; leaves C. & N.W. Terminal, Chicago, at 8:00 p. m.

The **CONTINENTAL LIMITED**, another good train with standard and tourist sleepers, observation car and diner, leaves C. & N. W. Terminal, Chicago, at 10:30 a. m.

Our illustrated booklet, "California Calls You" tells you where to go and what to see. Write for your copy.
