

CARDINAL WELCOMED BY NEW YORK CROWDS

Hayes Driven Up Broadway in Colorful Procession, Cheered by Thousands.

BRINGS PAPAL BLESSING

Brief Ceremony Conducted at St. Patrick's.

NEW YORK, April 29.—Patrick Cardinal Hayes has returned to his people. Dressed in the flowing red robes of a prince of the Roman Catholic Church, wearing the red hat and the heavy gold-buckled shoes of his office, he arrived yesterday from Rome.

Over heavy carpets of cardinal red he was escorted from the Levathan, amid the cheers of thousands and the whistles of harbor craft, to the Battery, to be welcomed by officials of the church and the city. Up Broadway and 5th avenue he was driven to St. Patrick's Cathedral at the head of a procession of automobiles covered with the gold and white papal colors.

Ceremony at Cathedral.
At the cathedral the ceremony was brief. Deeply affected, the cardinal at first had difficulty in speaking.

"It would take a more eloquent voice than mine," he said, "to convey my thanks to Almighty God for having raised up such a church and for having called upon me to be the pastor and shepherd of such a people."

Benediction of Pope.
"I bring to you the benediction of the holy father. He commissioned me to express his eternal love and affection for and his interest in America, and his consolation in the work we are doing. I bring you his blessing and his love."

Then, while the people knelt, Cardinal Hayes bestowed upon them the papal blessing. He will celebrate his first public mass tomorrow.

ITALIANS' HEARING FIXED.

Judge Approves Plan to Meet Condemned Men in Prison.

NEW ORLEANS, La., April 29.—Judge Robert Ellis, who sentenced to death the six Italians found guilty of the murder of Dallas Gaines three years ago and under the law a member of the board of pardons which will hear the last pleas for clemency here tomorrow approved the proposal of Sheriff Bowden of Tangipahoa parish that the board meet in the parish prison, instead of the office of the attorney general.

The prisoners have been in jail here for safe-keeping since the murder and the sheriff suggested that they appear before the board in the prison and thus avoid any possible demonstration or attempt at rescue during a journey from the jail to the civil courts building.

"Rain Insurance" Paid First Time to Daily Newspaper

By the Associated Press.

MILWAUKEE, Wis., April 29.—The first time in history that a metropolitan daily newspaper has collected rain insurance on an edition of its newspapers occurred here yesterday when the Milwaukee Journal Company collected \$8,000 insurance because of several hours' rain Sunday afternoon on an insured special real estate edition of its Sunday paper.

The policy was taken out to insure the advertisements of real estate men who expected to show lots and houses Sunday afternoon. The Journal agreed to return all advertisements next Sunday.

BOMB BLAST BLAMED ON BEER ADVOCATES

Chicago Preacher, Hurling From Bed, Says Fight on Liquor Will Be Pushed Harder.

By the Associated Press.
CHICAGO, April 29.—"An appeal for light wines and beers," is the explanation of the Rev. Elmer L. Williams for an explosion which wrecked the front part of his home yesterday, hurling six members of the family from their beds.

Williams, who is chief of law enforcement for the Chicago Better Government Association, placed a sign in his front yard to this effect after a bomb had blown out most of the windows and damaged the porch. No one was seriously injured.

Williams announced that he will open "such a drive in Chicago against viciousness and booze as the city has not yet seen."

WOULD BEAR ARMS, BUT OPPOSE ALL WAR

Methodist Clergy of Chicago on Record Against Militarism and Also Pacifism.

By the Associated Press.

CHICAGO, April 29.—Methodist Episcopal ministers of Chicago at a meeting yesterday passed a resolution "opposing the whole war system" but rejecting the suggestion made at a previous meeting that Methodist ministers go on record as unwilling to engage in any war.

According to the resolution, the body stated it "would not participate in any such movements as history has conclusively shown leads to war."

Spokesmen for the ministers explained that the resolution is not a plea for pacifism or non-resistance, but for peace, and that those who passed the resolution would be the first to rally to the defense of their country in case a war of aggression were started by another nation. The resolution is to be presented to the General Methodist Conference at Springfield, Mass. The first resolution, which was rejected, branded all war as "un-Christian." Several ministers objected to this term and new resolutions were prepared.

BOUNCE SAVES BABY.

Thrown Into Man's Arms When Post Hits Carriage.

NEW YORK, April 29.—The term "bouncing baby" was found to fit Sheldon Tannenbaum, three months old, perfectly yesterday, when he escaped death by bouncing into the arms of a man standing by his carriage as an iron lamp post fell on it.

The post was broken at the base when a truck collided with it and fell on the baby's carriage. Master Sheldon then bounced neatly into the arms of Max Goldelack, who made an unassisted catch.

The baby suffered a broken rib, but will recover.
