Susan B. Anthony Foundation Names Committee in Plan for Memorial.

Definite plans for incorporation of the Susan B. Anthony Foundation, that it might go ahead in the project for which it was organized—the erection of a memorial in this city to the noted suffrage leader, Susan B. Anthony—were made at a meeting of the executive committee of the foundation in the Shoreham Hotel yesterday afternoon. A committee was appointed to take the necessary action.

The committee includes Mrs. Luella M. MacKennen, chairman; Mrs. Nanette B. Paul, Mrs. Corbin Thompson, Mrs. Clara McCrone and Mrs. E. J. Brennan.

Limit Set at 100. A resolution was adopted to limit the number of incorporators to 100 persons, who will be given until the first of May to sign the charter and pay required dues.

The Susan B. Anthony Foundation was organized in November, 1924, with Mrs. Anna E. Hendley as its president. It was formed from the old Anthony League, when the members of the latter organization definitely decided that they would erect a memorial to Miss Anthony. The league was organized in 1912.

#### Ancient Style Show Planned.

Mrs. Brennan, who is chairman of the foundation's child welfare committee, announced plans for a style show of 2,000 years ago, and a sketch, "A Day With a Water Carrier," to be given by the foundation in the Washington Hotel the afternoon of March 25, for the benefit of the day nurseries in this city. Costumes to be worn in the style show are to be displayed in a window of Woodward & Lothrop's, from March 15 to 25, it was stated.

Dr. Gertrude R. Brigham and Mrs. Leland Conness are to assist Mrs. Brennan in the arrangements for the performances. Mrs. Nanette B. Paul, vice president of the foundation, presided at yesterday's meeting.

### LADY MOSLEY DEFINES POSITION IN WILL SUIT

Seeks to Oust Joseph Leiter as Administrator of Her Grandfather's Estate.  
By the Associated Press.  
CHICAGO, March 10.—The position of Lady Cynthia Mosley in the suit against her uncle, Joseph Leiter,

over the \$100,000,000 estate of Levi Z. Leiter, her grandfather, was established in her deposition filed yesterday in Judge Denis E. Sullivan's court, where the hearing will begin next Tuesday.

Lady Mosley seeks to oust Joseph Leiter as administrator and attacks the appointment of William J. Warr, who was named in 1921 to succeed one of the trustees under the Leiter will.

The deposition was filed in Lady Cynthia's capacity of one of the five trustees of the estate. Besides Leiter and Warr, the others are the Duchess

of Suffolk and Mrs. Nancy Campbell, widow of Colin Campbell. The petitioner has asserted that she will not personally attend the hearing.

### Records That Tell a Tale

We have been looking over old records dating back to 1880.

We find the names of individuals and of families who came to us for diamonds then, who come to us for diamonds now.

Back in 1880, the records show, they bought diamonds for fifty dollars per carat.

Now, for diamonds of the same quality, they pay us from five hundred to seven hundred dollars.
