BATTERY IN HAWAII WINS KNOX TROPHY

Award for Army's Best Field Artillery Unit Goes to Schofield Barracks.

By the Associated Press.

The Knox Trophy, annually presented to the Army's most efficient Field Artillery battery, has been awarded to Battery B, 13th Field Artillery, stationed at Schofield Barracks, Hawaii.

The battery is commanded by Capt. John W. Faulkner, Jr., of Tappan, N.Y.

The medal for excellence among enlisted students at the Field Artillery School was awarded Corp. Roy L. Albright, Headquarters Battery, 2d Battalion, 15th Field Artillery, stationed at Fort Sam Houston, Tex. Albright's home is in Chicago, Ill.

The trophy is presented by the Society of the Sons of the Revolution in Massachusetts to the battery in the regular Army which has the highest efficiency rating, based on firing efficiency, tactical mobility, proficiency in communication and interior economy.

Radio Sets Sealed.

Because his customers are not mechanically minded, a merchant in Teheran, Persia, will seal all radio receiving sets sold, to prevent tampering, and give free servicing as long as the seals remain unbroken.

DON'T NEGLECT MINOR THROAT IRRITATION

It may become serious. Rub on soothing, warming Musterole. Relief generally follows quickly.

Musterole gets such marvelous results because it's NOT just a salve. It's a "counter-irritant"—easing, warming, stimulating and penetrating—quick and helpful in drawing out pain and congestion.

Used by millions for 25 years. Recommended by many doctors and nurses. All druggists. In three strengths: Regular Strength, Children's (mild), and Extra Strong. Tested and approved by Good Housekeeping Bureau, No. 4867.

Radio: Tune in the "Voice of Experience," Columbia Network. See newspaper for time.

YULE PROGRAMS TO BE ELABORATE

Christmas on Air Will Feature Carols, Opera and Talk by King.

THE Christmas season will be celebrated over National Broadcasting Co. networks with an elaborate and diversified schedule of programs. Special broadcasts of music and seasonal observances will be relayed from many foreign countries and from cities in the United States, bringing to listeners famous choirs and orchestras, drama, grand opera and church services on Christmas eve and Christmas day.

Final arrangements have not yet been completed on a number of the special broadcasts, but the partial schedule already includes many outstanding features:

The famous catacombs in Rome, Italy, refuge of the early Christian martyrs, will be the scene of an international program. A liturgical service of ancient songs of the church will be sung by the Benedictine Choir of San Anselmo's Church. A description of the Domitilla Catacombs will be given by Rev. William Michael Duery, O. S. B., of St. Anselmo's Priory in Washington, D. C., who is now in Rome.

The King of England will send a Christmas greeting to America during a special holiday program, short-

waved by the British Broadcasting Corp. from 9 to 10:10 a.m. During the preceding hour, from 8 to 9 a.m., 25 nations throughout the world will be linked in a single broadcast which will bring the "Merry Christmas" wishes of many peoples in many tongues.

"Hansel and Gretel," Humperdinck's famous Christmas opera, will be broadcast from the stage of the Metropolitan Opera House over combined N. B. C. networks on the afternoon of Christmas day.

A Christmas morning carol service in Germany will come to network listeners from Zion Lutheran Church in Baltimore, one of the oldest churches in this country. A chorus of 350 voices and a choir of trumpets will be heard, the broadcast also being sent by short-wave to audiences in Germany.

LETTERS that fans write to broadcast stations haven't been of a great deal of use outside of indicating who was listening to what program. But hereafter it's going to be different.

They are to be used as the basis for a daytime feature by Columbia, beginning Friday morning at 9. Under the program title of "Dear Columbia," the context of as many letters as possible will be dramatized.

CIRCUMSTANCES involved in the failure of the A. B. S. chain to broadcast last Saturday's Army-

Notre Dame foot ball game are expected to be aired in the New York courts Friday when two men charged with malicious mischief will be given a hearing.

The pair, during an argument over who would occupy the box in which the broadcasting apparatus had been set up, are alleged to have tossed out the equipment making it impossible for the chain to get back on the air.

A FOOT BALL GAME and possibly Senator Huey Long all in the same broadcast is the prospect for an N. B. C. week end right soon.

The foot ball game is to be the contest between Louisiana State University and Tennessee as played at Knoxville. The possibility that the Senator might participate is predicated on the fact that he will be asked to speak between the halves.

The game is set for 2:45 p.m., December 8.

It meant CURTAINS ... but

There it lay—on the cigar counter...a large leather money wallet...stuffed with checks and currency. But it contained no papers, letters, address or other apparent means of finding the loser.

The checks were made out to different concerns. They were signed by different people. It never occurred to anyone that they were a delivery company's collections.

Twenty blocks away a truck driver was just discovering his loss. The air was blue. And so was he. He needed his job. It meant curtains for him... But—

At the next stop, the proprietor told him to call his office.....

The driver was bawled out, of course—but there would be no curtains. A Whelan cigar clerk had traced the ownership of the wallet by telephoning the makers of the checks.

It was the spirit of giving friendly, personal, interested SERVICE... that prompted our cigar salesman to telephone all over town in order to locate the owners of the wallet quickly. This spirit of good service is one of the outstanding features of our Whelan Drug Store Organization. And we prize our reputation for good service as highly as we do the recognition we have gained for low prices, quality merchandise and immaculately clean stores.
