## Alabama, Stanford Game Rated Stand-Off: 1934 Chocked With Sport Thrills

### CLEAR, COOL DAY FOR GAME LIKELY

Foes Highly Tuned, Though  
Both Will Practice to  
Keep on Edge.

BY PAUL ZIMMERMAN.  
ASADENA, Calif., December 29.—Alabama and Stanford burned their foot ball bridges behind them today with their grid conflict, the twentieth annual Rose tournament game three days away.

Potentially the most closely matched eleven in recent years of the flower fests, the representatives of the West and South put the final touches on offense and defense this afternoon.

Stanford will work twice more and the Crimson Tide once, but the fact remained that anything done on the practice field from now on can hardly turn the tide of victory one way or the other.

It is a job for the psychologists now, and the weather man has promised to maintain a hands-off policy. He promised clear, cool weather for the struggle. That will suit both teams.

In spite of early talk setting Coach Frank Thomas' unbeaten and untied team up as the favorite, it was considered likely that the standard-bearers of the West, without defeat but tied once, would go into the struggle at even money.

**Indians Tossing.**  
COACH CLAUDE "TINY" THORNHILL sent his team through a snappy signal drill today, continuing to put more stress on passes than on running plays. The Southerners, apparently already at fine edge, worked less, but stressed the same point—snappy foot ball.

While the Indians were throwing the ball around Brooks Park promiscuously, the fact failed to cloud the issue.

The Crimson Tide has preferred to flow over its opponents this year. With Dixie Howell, halfback, doing most of the pitching, the Bama boys completed 57 of 116 passes attempted against nine opponents—almost a 300 per cent average.

Stanford, with a great running attack built around Bobby Grayson, attempted only 86 tosses in 10 games, and completed less than a third of these.

But the Indians didn't need passes, with the hard-driving, elusive 187-pound fullback averaging 4.5' for every one of his 150 trips with the ball. And Bones Hamilton, a great blocker, who slants well off reverses, set up a remarkable 3.3 average for 146 trips. Between them they picked up 1,240 yards.

### HARD LUCK DOGS EASTERN ELEVEN

Two Ace Backs in Hospital,  
Steady Rain Hampers  
Team in Drills.

By the Associated Press.  
SAN FRANCISCO, December 29.—Bad luck continued today to hound Eastern foot ball stars in practice preparations for the annual East-West charity game here New Year day.

With Duane Purvis and Pug Lund, both halfbacks, in the hospital, the remaining Eastern players were hampered by a steady drizzle that minimized the workout at Berkeley.

Coach Andy Smith and Dick Hanley sent their charges through an indoor drill at the University of California gymnasium and finished with an outdoor workout.

The knee injury which forced Purvis of Purdue out of competition several days ago and a severe cold which saw Minnesota's Lund confined today, has left the East short-handed in backs.

**Open Game Is Promised.**  
COACH KERR said Lund will be released from the hospital tomorrow. In the meantime, Shepherd of Western Maryland has taken over left half duties with Ed Bromberg of Columbia at right half. Munjas and Weinstock, both of Pittsburgh, apparently have clinched starting positions at quarterback and fullback, respectively.

Borden, end from Fordham, and Akerstrom, center from Colgate, were fighting colds, but they were not severe enough to send them to bed.

The Western team worked out lightly at Palo Alto, under Coaches Orrin Hollingbery and Percy Leach. With no injuries to worry over, the Western mentors discarded scrimmages in favor of dummy maneuvers.

A wide-open game was promised by Coach Hollingbery, who said: "In a game like this, with no jobs or conference titles at stake, we might as well put on a good show."

**CARDS OBTAIN MOORE.**  
ST. LOUIS, December 29 (AP).—The formality of transferring Terry Moore, outfielder, to the St. Louis Cardinals from their American League "farm" at Columbus was completed today, with the announcement of his purchase.

### Hunt Moves Into Junior Net Semi-Finals, Beating Webster

By the Associated Press.  
NEW YORK, December 29.—The two top-seeded favorites in the boys competition and the second and fourth seeded favorites in the junior competition met disaster in their quest for national indoor singles tennis championships as the tournament moved into the semi-final round today.

The conclusion of the fourth day's play on the courts of the 7th Regiment Armory found Northwestern University dominating the semi-final round of the junior singles with two representatives out of four semi-finalists, Russell Ball and Donald Leavens, surviving.

**Hunt Scores Easily.**  
GILBERT A. HUNT, Jr., of Washington, D. C., the outstanding junior favorite, continued his victorious progress with a straight-set victory over Sanford Webster of Kings-ton, R. I., 6-0, 6-1, but Jack Behr of the Scarborough School, who was seeded No. 2, and Robert T. Madden of Pittsburgh, who was seeded No. 4, were both eliminated by juniors who have been ranked beneath them in the draw.

Behr could not withstand the challenge of Leavens, the Northwestern freshman, in the final singles match of the day, and fell before the magnificent rally of the Midwesterner in the final set of a three-set match, 6-4, 6-8, 6-6. Earlier in the day Madden met his master in Alfred L. Jarvis of the Hackley School. Seeded No. 7, Jarvis, former boys' champion,

### Brewers Get Florence

Buy Rochester Receiver From  
Cardinals for \$3,500.

MILWAUKEE, December 29 (AP).—Henry Bendinger, president of the Milwaukee Brewers of the American Association, today announced the purchase of Paul (Pep) Florence, a catcher, from the St. Louis Cardinals.

The price was reported as \$3,500. Florence was with the Rochester club of the International League for the last five years.

### Tennis Stars Advance

NEW ORLEANS, December 29 (AP).—Wilmer Allison of Texas, J. Gilbert Hall of New Jersey, Berkeley Bell of New York and Cliff Sturges of New Orleans today reached the semi-finals of the "Sugar Bowl" tennis tournament, winning their quarter-final contests at the New Orleans Country Club.

### Frozen at Home, Bucknell Grid Squad Finds Miami Is Too Hot

By the Associated Press.  
MIAMI, Fla., December 29.—Lively drills and scrimmages today completed rough work for Bucknell and University of Miami foot ball squads, which met here New Year day in the Orange Bowl game.

Coach Edward E. ("Hooks") Mylin of the Bisons, who had scheduled two workouts for his charges, canceled the second after expressing himself as pleased with the showing of the morning drill.

He was still fearful Miami's heat would count heavily against the in-

### MARYLAND TRIMS OHIO STATE FIVE

Takes Stirring Game, 50-41,  
by Staging Big Spurts.  
Willis Leads.

BY FRANCIS E. STAN.  
VASTLY improved University of Maryland quint, fairly oozing with promise, finally whipped a Big Ten jinx last night before 2,000 spectators at Ritchie Coliseum by outpacing, outshooting and outgeneraling Ohio State to score the first Old Line victory of the season, 50 to 41.

It was a wild and woolly affair, but at times during the scoring spree the Terrapins, previous foot ball and basket ball victims of Indiana, played in almost inspired fashion to down a team rated higher than its Mid-western contemporaries, who noosed out Maryland's band a week or so before.

Under the basket, long Vic Willis, awkward but efficient center, proved a terror as he flipped in follow-up shots and short passes, while Al Waters and Bill Guckeyson, the latter debuting as a varsity cageman, contributed a fancy assortment of ball-ripping shots that accounted for 38 of the 50 points.

Buckeyes Score First.  
THE Buckeyes drew first blood when Capt. Johnny Wilson whipped a double-decker from the side, but after Bernie Buscher fouled and Waters threw in a foul, Maryland cut loose with a great offensive that seemingly would show the Westerners under.

Buscher and Waters provided the sparks that touched off an Old Line attack, which by half time gave the Terrapins a 22-to-14 lead. But this comfortable margin proved none too big for the eventual winners, for the Buckeyes were by no means through.

Coming out for the second half, Ohio State dropped in nine consecutive points to make the lead, 23 to 22, but Willis ended the streak by sinking a foul shot and Coleman Headley "potted" successfully to again send the Old Liners out in front.

**Terps in Second Spurge.**  
At this point the Buckeyes lost what appeared their best bet when Bill Dye, a 138-pound standing only 6 inches over 5 feet, went out on four personal fouls, the last of which Guckeyson converted to send Maryland ahead, 26 to 23. Though obviously hampered by Dye's loss, Ohio entered contention again when Bruce Laybourne sunk a double-decker, but here Mary-land unleashed a spurt similar to its first-half attack, chalking up 15 points to the Buckeyes' 7 to take a 41-32 lead.

Ohio's stock took another nose dive here when Bill Beiter was banished because of four personal fouls, but still the invaders were game. Laybourne counted once from the field, and Chester Wendt, subbing for Dye, dropped in a pair of two-pointers while Maryland's best was a foul by Guckeyson, cutting the Terrapins' lead to 42-28.

It was all over, though. Losing Dye and Beiter was too much, and Buscher, Waters and Guckeyson, the latter with only three days of practice, counted 8 points among ten to enable the Burt Shipley crew to coast home.

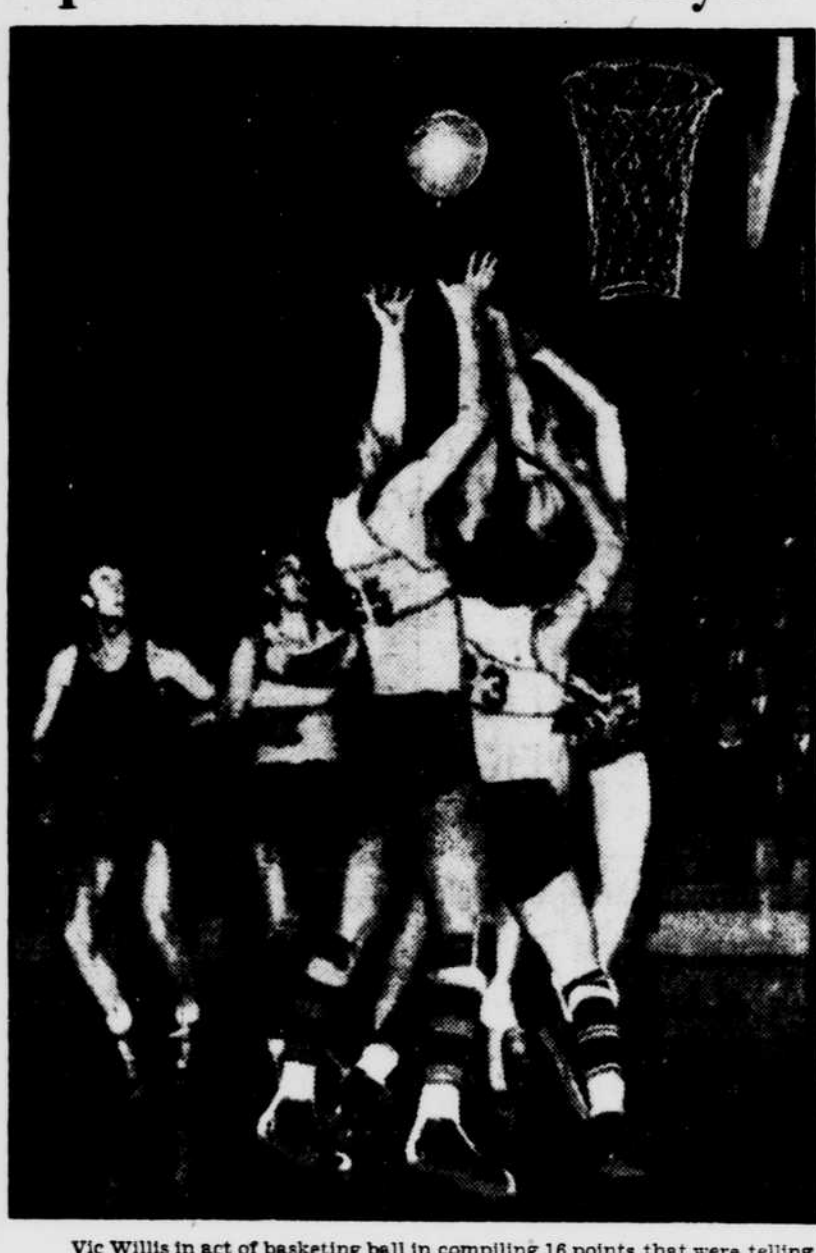

**Willis Top Scorer.**  
Willis took scoring honors with 7 field goals and a pair of fouls for 16 points, two more than made by Laybourne, but it was from the foul line that Maryland piled up most of its edge. Nearly one-fourth of its points—12 to be exact—were cashed in from the free-throw mark as against 5 for the Buckeyes.

### Thrills and Spills Mark Terps' Win Over Buckeyes

Earl Thomas of Buckeyes not only failed to send the ball through the netting on this determined attempt, but he took a hard bump on the floor just after trying the shot.

### Sholl's Beats Gallinger Five In Hot Tilt for Star Trophy

AFTER waging an unexpectedly furious battle, the Gallinger A. C. quint succumbed to Sholl's Cafe, 32-29, in the deciding game for the unlimited championship in the first annual Metropolitan Police Boys' Club tournament last night in the George Washington University gym. The win gave the Shollmen The Evening Star Trophy.

From the outset the Gallingers, who aside from winning the playground title last Summer, have accomplished little, gave the vaunted charges of Manager Dick Mothershead a desperate fight. At the half the count was 15-15. In the final moments the caffeine, with Tiny Ingham and Bernie Jones playing well, gained the whip hand. Pick Walker, who played formerly with Sholl's and Tom Pollard were best for the Gallingers, coached by Pat Collins.

In another bang-up game the Georgetown Boys' Club won the 100-pound crown, conquering the Boys' Club of Washington, 11-10, in a battle in which Wilbert Cohan scored 10 of the winners' points, including a foul shot in the final 40 seconds that decided it.

Sholl's trimmed R. F. C. 46-33, to gain the unlimited final.

Bovell Plumbers walloped Washington Boys' Club, 32-8, to land the 145-pound crown, and the Northeast Boys' Club swamped the Washington Boys' Club quint, 36-11, to gain the 130-pound championship.

Macfarland's quint won the 135-pound title Friday, defeating Georgetown Boys' Club.

### Daffy Says Card Terms Suit Him

By the Associated Press.  
HOUSTON, Tex., December 29.—Paul Dean, the daffy member of the pitching Deans, today announced he would sign his 1935 contract with the St. Louis Cardinals within a few days.

"I'm perfectly satisfied," Paul said, and his pretty young bride nodded agreement.

It was understood the new contract, made out for one year, ranged between \$9,000 and \$10,000, more than three times the salary the young right hander received last year, his first season in major league ball.

"Of course, it's no huge salary," Paul said, "but they've been mighty kind to us at the Cardinals office, have permitted us to make some money on the side, and I'm satisfied."

His big brother Dizzy recently signed his 1935 contract with the Cards at a figure reported to be around \$17,500 a year.

### CUNNINGHAM SET FOR 1935 DEBUT

Mile Champ Will Gallop in  
Casey Games—Bonthron  
Not Entered.

By the Associated Press.  
NEW YORK, December 29.—Glenn Cunningham, Kansas graduate student and world record holder at the mile, indoors and out, will make his 1935 debut in the Casey games in Brooklyn January 5, the Games Committee announced today.

He will have to wait until later in the season to resume his 1,500-meter record holder, however, as Bill is not entered for the Brooklyn meet, first of the season in the metropolitan district.

Cunningham will run in the 800-meter special against a field which includes Gene Venka of Penn., former indoor mile record holder; Bill Ray, Manhattan ace; Harry Williamson of the University of North Carolina; Bill Patterson of Columbia and John O'Keefe of the New York Curb Exchange.

### FEDERALS IN RICHMOND

Washington Federals are in Richmond today for a return foot ball game with the Collegians of that city. The Virginians trimmed the Federals, 13-9, recently and the latter team is keen to even scores.

### Posts on Goal Line, Passing From Any Spot Back of Line Are Urged by Grid Officials

BY EDWARD J. NEIL.  
Associated Press Sports Writer.  
NEW YORK, December 29.—The Eastern Foot Ball Officials' Association fired the final shots today in the pigskin uproar that has been resounding through New York for the past three days with two suggestions for drastic rule changes, and the setting up of a committee to do something for the better about the present scale of wages.

The field was clear for the men who handle game as the Coaches' Association wound up its annual session with last night's banquet and the National Collegiate Athletic Association completed its deliberations, still with no solution found for the difficult problem of eliminating recruiting and subsidizing of college athletes.

The officials referred to their Interpretations Committee two major rule changes. It was their opinion that restoration of the goal posts to the goal line, and the legalization of forward passes from any point behind the line of scrimmage are the greatest needs they see in the present college game. The Interpretations Committee, consisting of Albert E. Maginnes,

S. S. Scott and Al Farrier, all of New York, will in turn carry these suggestions to the Intercollegiate Rules Committee when it meets later this winter.

Thus the Eastern officials, at least, sided with the minority of the Nation's coaches who believe the same two changes, and many others calculated to open up the game and encourage field-goal kicking as one of the means of offsetting the steadily rising popularity of professional football. A majority of the coaches, and the Rules Committee itself, headed by Walter Oakes of Lehigh, thought no changes necessary.

"Last year," said William R. Crowley of Bowdoin, president of the Officials' Association, "we suggested some of the changes adopted last winter in the effort to better balance the advantage the defense previously enjoyed over the offense. This year, it is our observation that the offense needs the benefit of restoration of the goal posts to the goal line as an aid to field goal kicking and the legalization of forward passes from any point back of the scrimmage line.

Both changes, we believe, would add interest and color to the game."

The association broke precedent in re-electing Crowley president for a third one-year term, no previous president

denied having served more than two terms. Judge John P. Egan of Pittsburgh was re-elected vice president, along with Daniel J. Kelley of Boston, secretary, and E. C. Taggart of Philadelphia, treasurer.

The association carried into the open field the general irritation prominent officials feel over the reduction in fees for working games. Crowley was empowered to name a committee, which he will announce later, to consider the subject with a committee representing the Eastern Intercollegiate A. A.

There was considerable discussion, but no direct action, on the matter of gaining representation at the annual meeting of Oskoson and the graduate managers of the 12 Eastern universities for which he annually selects officials. At this meeting, held usually the day before the annual N. C. A. A. and coaches' sessions open, officials are graded for the following year on the basis of the graduate managers' opinions of their work during the past fall. Some of the officials refer to it as the "annual black ball meeting."

Fritz Crisler, Princeton's head coach, was the principal speaker at the annual banquet, closing out the sessions tonight.

### BASE BALL, BOXING PACK BIG WALLOP

Downfall of Griffis, Giants  
Is Big Upset—Columbia  
in Grid Calcium.

BY ALAN GOULD.  
Associated Press Staff Writer.  
IN RETROSPECT, across the sporting horizon of 1934, are silhouetted the outlines of history-making performances, the fleet and flashing figures of a year pulsating with melodrama and packed with more thrills at home and abroad than any stretch of athletic activity witnessed in at least a decade. . . .

Swiftly, spectacularly the scene flashes back to New Year day, when Columbia's gallant Lions carefully set the scene for the touchdown dash in the mud by Al Barabas, the shot-whipped mighty Stanford and gave the East its first Rose Bowl victory since 1920. Exactly 11 months later, on another rain-drenched gridiron on the opposite side of the country, Navy's Slade Cutter did the shot-whipped "round the world and beat West Point's foot ball forces for the first time since 1921.

Turn back to a warm July day at the Polo Grounds. . . . There's a casualty on hand. To cap the climax, we see the Deans throttling the Detroit Tigers in four out of five world series starts, with Dizzy Dean riding high on the crest of a riotous climax to one of base ball's most exciting campaigns.

Two Mercury-footed American college youths sweep past, waging the greatest middle-distance duel of all time, with honors enough for both, as Glenn Cunningham speeds to a new world mile mark of 4:06.7 and Bill Bonthron, in his third triumph out of five races with his great rival, notches a new world 1,500-meter record of 3:48.8. . . . There's Blazin' Ben Eastman, smashing foot-racing records at home and abroad, and 270-pound Jack Curran, hurling the 16-pound shot beyond 57 feet after an unprecedented weight-losing tussle with Stanford's Lyman.

### BAER BRINGS BOXING CROWN BACK TO U.S.

THE crowd in the battle-plot roars for the most spectacular "kill" since the memorable slugfest between Dempsey and Firpo as the curly-haired folk from California, Max Adeler Baer, contemptuously batters giant Primo Carnera to the ground in the first round of the world's heavyweight championship. The world's heavyweight champion is restored to the United States by the most slashing fighter since the days of Jack Johnson. . . . Flashing-eyed Barney Ross becomes a double champion by soundly whipping the great Jimmy McLarnin in 15 rounds, only to have the tables turned in a return bout for the welterweight crown. . . .

ROCKFORD, Mass., December 29.—Virginia Hollinger, 17-year-old Dayton, Ohio, tennis star, gained two national titles today in the final play of the 1934 girls' indoor tournament at Longwood.

She gained the singles title by defeating Elmer Ciccone of Newton, 6-2, 6-1, before teaming with Helen Bernhard, tiny New Yorker, and gaining a 6-4, 6-1 triumph over Miss Ciccone and Louise Hedlund of Watertown, daughter of the M. I. T. track coach, in the doubles final.

Miss Hollinger, top-seeded in the starting field of 21, held the upper hand against Miss Ciccone from start to finish. The Newton girl's backhand was unable to stand the Midwesterner's determined pressure. Several times during the match, Miss Ciccone tried to storm the net, but her game lacked the steadiness required for the protection of sudden tactical shifts.

Miss Hedlund's consistent play made the first set of the doubles match a lively affair. Games went to 4-all before her partner surrendered her service, and after this break the New York-Dayton team was never challenged.

Miss Hollinger was runner-up to Millicent Hirsch of New York, in last year's indoor singles. She is ranked No. 1 on the girls' singles list by the Western Lawn Tennis Association.

### CAVALCADE BEATS ALL BUT ONE RIVAL

HARK for a moment to the hoof-beats of the Cavalcade, time of the great thoroughbred of modern years, thunders past all but one rival, and that one a stalemate, to become king of the 3-year-olds. Winner of the Kentucky Derby and six straight races to the defending yacht Rainbow, sailed masterfully by Harold S. Vanderbilt in the sixteenth defense of the "old mug."

### CAVALCADE BEATS ALL BUT ONE RIVAL

Thundering across the gridiron comes Minnesota's Thundering Herd, the unstoppable Vikings of college foot ball, acclaimed one of the mightiest arrays of all time, though rivaled on the season's record by Alabama's Crimson Wave, the choice to tackle Stanford in the Rose Bowl game.

It's been one of the grandest sporting shows, all things considered, that tonight.
