Senator Josh Lee Urges  
Strayer College Group to  
Pursue Ideals.

Application of purpose, idealism and industry form the roadway to success, Senator Josh Lee of Oklahoma last night told 147 graduates of Strayer College at the thirty-fourth annual commencement exercises in the Mayflower Hotel.

Senator Lee told the graduates success is doubly assured if their strength of purpose is sufficient to withstand the difficulties ever present in the struggle for achievement. He was introduced by Pinckney J. Harman, director of the college.

Edmond S. Donoho, president, conferred B. S. degrees on 61 graduates in accounting and presented diplomas to 86 secretarial graduates. Jean Hutton, president of the secretarial class, and Lester Weller, president of the accounting graduates, gave short talks.

## AUTO POUND SUGGESTED FOR SCOFF-LAW DRIVERS

Safety Conference in New Jersey  
to Consider Plan Imposing  
Storage Tax on Violators.

By the Associated Press.  
NEWARK, N. J., July 23.—A suggestion that municipalities establish "automobile pounds" for cars of motorists convicted of traffic violations will be placed before an Essex County safety conference.

The "pound" idea, suggested to the freeholders, would make it necessary for the convicted motorist to pay, in addition to a fine, an impounding fee and a daily storage fee. Vacant lots, acquired through tax sales, would be used as "detention pens" to prevent motorists from using their cars during their suspension.

## MOTHERS ARE RESPONSIBLE

The family looks to you to aid your doctor in keeping them well. You can help prevent much illness and poor health by guarding them from common constipation.

Most constipation comes from faulty diet—meals low in "bulk." This condition can be corrected so easily and pleasantly.  
Kellogg's ALL-BRAN provides the safe way to prevent constipation by putting "bulk" back in the diet. Within the body, ALL-BRAN absorbs twice its weight in water, forming a soft mass which gently expels out the system.  
Kellogg's ALL-BRAN also furnishes vitamin B and iron. It is so much better for your family than constant dosing with artificial pills and drugs.

Two tablespoons daily as a cereal with milk or cream, or in recipes, are enough for the average person. Three times daily in severe cases.

Sold at all grocers—and guaranteed by Kellogg in Battle Creek.
