

FOUR MISHAPS LAID TO HIT-RUN DRIVER

Colored Man Held After Police Follow Circuitous Accident Trail.

Police cruising downtown streets in radio scout cars were run nearly dizzy last night in a "hide-and-seek" contest with an alleged hit-and-run driver accused of hitting three automobiles and a pedestrian.

The hunt ended with the capture of Frank W. Haines, 29, colored, 1400 block of V street, as he sat in a parked sedan in an alley off the 2000 block of Fourteenth street. Police said he had borrowed the car from a woman. He was held on open charges pending further questioning today.

Haines was arrested by Policemen H. S. Montgomery and A. L. Argo. A broadcast from the twelfth precinct, giving the description and license number of a car involved in a hit-and-run accident involving minor property damage, started the hunt.

Then came successive radio flashes. Montgomery said, that an automobile answering the same description struck another car at New Hampshire and Vermont avenues; a pedestrian at Sixteenth and Vermont avenue, and another machine at Seventeenth and V streets.

The injured pedestrian, Harold G. Waters, 48, of 3840 Sixteenth street, was treated at Garfield Hospital for shoulder bruises.

Another accident seriously injured Harry E. Pryor, 27, whose address was not known. Both his legs were fractured and he received a brain concussion when struck at Sixteenth street and Morrow drive by an automobile which police said was driven by Irving Washington, 35, colored, 1100 block of E street. He was taken to Walter Reed Hospital and later transferred to Emergency.

SIR WILLMOTT LEWIS ADDRESSES GROUP

World's Big Problem Is One of Peaceable Change, Says English Correspondent.

By the Associated Press.

WHITE SULPHUR SPRINGS, W. Va., September 16.—Sir Willmott Lewis, Washington correspondent for the London Times, told men of the Committee of One Hundred last night that the problem confronting the world is that of finding a method of peaceable change.

Sir Willmott addressed the annual banquet of the men from all over the country who, with Winter homes in Florida, join for a reunion in the North each Summer.

Meanwhile, the ladies of the committee gathered at a dinner of their own, arranged by Mrs. C. R. Landback of Philadelphia and Mrs. Frank E. Jaynes of Wabash, Ind.

Sir Willmott, outlining the rapidity of world change since inception of the industrial revolution, which he termed a conquest of man over the forces of nature, said:

"Prior to that time people of Europe

bred with the amazing consistency of the Belgian hare, died just as rapidly and population remained static. With the industrial revolution people recognized the importance of sanitation and the death rate began to diminish."

He said the nations have been able to handle the resultant local changes in economics and laws governing the social set-up, but asserted thus far no positive means has been devised to create workable laws between nations.

APPOINTMENT SYSTEM FOR BOARD APPROVED

Present Method of Selecting Education Unit Members Upheld by P.-T. A.

Approval of the present method of appointment of the Board of Education and opposition to the merger of the Community Center and the Department of Playgrounds was voted last night at a meeting of the Central

High School Parent-Teacher Association.

The meeting was held at the home of Mrs. Prentiss D. Sale, association president, 1428 Whittier street.

Plans for the year were announced, including a mother-daughter banquet in November, a father-son dinner in January and the annual card party in December.

The group also laid plans for a membership drive to start the first week in October under direction of Mrs. I. M. Tashell.

Political Village Planks.

HILL, N. H., September 16 (AP).—There are plenty of planks for both parties in Max Israel's political village here.

Max owns a lumber lot in which the prepared timber is so laid out that it forms avenues. The avenues are named for political figures. The Republican avenues include Landon, Moses, Murphy, Knox and Bridges. The Democratic streets are Roosevelt, Garner, Farley and Reed.

CIVIL WAR HERO'S BODY TO REST IN ARLINGTON

Remains of Gen. Krzyzanowski Will Be Moved From Brooklyn on October 11.

The body of Brig. Gen. Wladimir Bonaventura Krzyzanowski, Civil War hero of Polish extraction, will be moved from a cemetery in Brooklyn, N. Y., to Arlington National Cemetery on October 11, in a ceremony marking the fiftieth anniversary of his death.

Services honoring the memory of Gen. Krzyzanowski will be sponsored by the National General Krzyzanowski Memorial Committee. Rites will be held at Union Station when the body arrives from New York City and afterward at Arlington.

Gen. Krzyzanowski came to the United States in 1846 at the age of 22. He joined the Union army as a private at the outbreak of the Civil War and rose rapidly through the ranks.

Co-incident with these memorial services, the Polish National Alliance will sponsor ceremonies throughout the country on October 11, in celebration of the 150th anniversary of the formation of the Constitution, planning a dinner here that night at the Wardman Park Hotel.

30-Mile Visibility at Pole.

SOVIET NORTH POLE CAMP (by radio to Moscow), September 16 (AP).—Clouds were high today and visibility was about 30 miles. The temperature was 0.4 of a degree above zero, Fahrenheit, and the barometer stood at 30.03 inches. The position of the camp was 86.4 degrees north latitude and 0.30 east longitude.
