questing deferment, dated January

The draft "log" of a single regis- retained in Class 1-A by Board of trant who is yet to be inducted into Appeals. the service was cited by the House Military Affairs Committee yesterday as evidence of "the ability of quarters. some registrants to avoid induction for a long period of time through the media of appeal upon appeal." In its report to the House the committee identified the registrant

only as an employe in the personnel director's office of the Labor Department who has been seeking deferment for more than a year as a 18, 1943.

The "log" follows: 1941.

October 2-Registrant was placed in Class 1-H (temporary classification for men over 28, abandoned after Pearl Harbor).

January 22-Form 42A (occupational deferment) was denied. January 23-Appeal was filed by Labor Department

January 27-Labor Department advised appeal accepted when he was placed in Class 1-A. June 12 - Physical examination

taken by registrant. June 19-Placed in Class 1-A by

draft board. June 23-Deferment again requested by Labor Department. June 24-File referred to Govern-

ment appeal agent. August 29-Opinion of Occupational Adviser Lt. Mitchell in which it was recommended that registrant

be retained in Class 1-A and given 30 days' stay. September 26-Government appeal agent concurred and recommended 30-60 days. Case sent to

Board of Appeals. October 1-Board of Appeals affirmed 1-A by a vote of 3-0.

October 29-Registrant ordered through such procedure as this, and for induction on November 13, 1942. November 9-National headquarters requested that case be reopened on basis of letter from Secretary of Labor Perkins to Selective Service

November 11-Stay of induction by district headquarters for purpose of reconsidering (two days before

Director Lewis B. Hershey.

November 12 - Reconsidered by board and again classified 1-A by

November 15-Case was again referred to Appeal Board by District of Columbia headquarters November 19-Registrant again resents a tip, the court declared.

Child Unhurt as Car Hits Her, Tree and Ditch April 12-Case returned to board By the Associated Press.

ONTARIO, Calif. - Betty Jean O'Bryant, 5, alighted from her parents' car and another machine struck her, witnesses told police. It carried her 100 feet on its running board, sheared off a tree, then mented, "that any registrant should overturned in a ditch, pinning Betty

Jean beneath, they said. Bystanders helped her father, W. B. O'Bryant, lift the wreckage and which permits this procedure should extricate her. She suffered a few lacerations and
