Strange noises were heard coming from the vicinity of the Trade Winds basement the other day. The Spectator decided to have a look. The culprit turned out to be James Patrick Byrnes, who appeared at the bottom of the stairs holding a strange-looking object under his arm. Jimmy explained that the bit of apparatus was known as a dancing mat. Naturally, by this time we had concluded that the noise was Jimmy practicing that tricky tap

That's skill-making a steady good average; not leaping and bounding to make it up. You'll show still greater regard for dutiful mechanism by having your engine OIL-PLATED-internally surfaced to resist corrosion by the unavoidable acids of combustion.

Changing to Conoco Nth motor oil will automatically give you an on-PLATED engine. Costly pioneer research created the special Conoco Nth ingre-

every cylinder in unreasonable quantities. Former chances of ousting corrosive acids are decreased these days by low engine temperatures-longer stretches of standing cold-mileage limitations of any kind. But you can keep your engine's fine inner finish under cover of protective OIL-PLATING -resisting corrosion! Just change to Conoco Nth motor oil at Your Mileage Merchant's. Continental Oil Company
