Dr. Mordecai Johnson, Mrs. Mary Bethune Going to Conference

Dr. Mordecai Johnson, president of Howard University, is going to the San Francisco United Nations parley and Mrs. Mary M. Bethune, a member of Asbury Methodist Church, is to attend the gathering as a consultant for the State Department, the Rev. R. M. Williams, pastor of Asbury Methodist Church, announced at a meeting of Methodist ministers at the church, Eleventh and K streets N.W., yesterday.

Others to attend the meeting as State Department consultants are Walter White, secretary of the National Association for the Advancement of Colored People, and Dr. W. E. B. Du Bois, professor at Atlanta (Ga.) University, it also was announced.

The meeting, called to formulate plans for a permanent interracial Methodist ministers of Washington organization, directed a committee to draw up plans to be presented at a future gathering. The Rev. Dr. R. K. Nevitt, pastor of Brightwood Park Methodist Church, was chairman of the meeting.

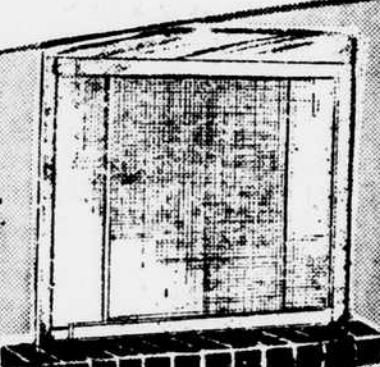

Judge William H. Hastie, dean of the Law School of Howard University, declared the question of interracial relationships may be resolved down to the fundamental ideas of the equality of dignity and value of human personality in whatever individual it may be found and in the recognition of the brotherhood of man. He asserted there is need for bringing the belief in religion into line with its practice in race relations.

An appeal for funds for private colored colleges was made to the meeting by Mrs. Marion C. Hope, executive secretary of the Washington office of the United Negro College Fund. Mrs. Hope said the current drive, ending Sunday, aims at a local quota of \$26,000 and asked ministers to urge their congregations to aid.
