COMPLETELY SNOWED UNDER

In Weather-wise Suits for Active Tots!

10⁵⁴ AND 12⁸⁸

We mean the kiddies . . . not us . . . when we imply some one's snowed under in snow suits . . . because they can actually get down and frolic in the snow and still keep dry when they wear these suits! Many are Impregno!™ "Weather-Sealed" and Zelan™ treated to insure this very safety.

A. 2-PIECE snow suit, "Weather-Sealed" Impregno!™ treated, chamolis lined attached hood, wool, cotton, and reprocessed wool,* navy or red, sizes 3 to 6x-----12.88

B. REVERSIBLE 2-piece snow suit, "Impregno!™" Weather-Sealed and water-repellent, reprocessed wool* in navy or teal trimmed with red, or brown trimmed with natural. Sizes 3 to 6x-----12.88

C. 2-PIECE double breasted snow suit, attached hood, metal buttons, reprocessed wool*, navy or teal trimmed in red, sizes 3, 6x-----12.88

D. GIRLS' or BOYS' Zelan™ treated poplin snow suits with helmet or bonnet. Lined with wool, rayon, or cotton,* Boy's suit in blue, girl's suit in blue or rose, sizes 1 to 4-----10.54

*Properly labeled as to material content
